INDEPENDENT AUDITORS' REPORT

To The Employee Benefits Retirement Committee
Barr & Barr, Inc. Employee Stock Ownership Plan
New York, New York

Opinion

We have audited the accompanying financial statements of Barr & Barr, Inc. Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Barr & Barr, Inc. Employee Stock Ownership Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Barr & Barr, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barr & Barr, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barr & Barr, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barr & Barr, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BARR & BARR, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 1 - Plan Description

The following brief description of Barr & Barr, Inc. Employee Stock Ownership Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for complete information.

Barr & Barr, Inc. (the "Company" or "Sponsor") established the Barr & Barr, Inc. Employee Stock Ownership Plan effective as of July 1, 2005 and amended and restated on January 1, 2015. The Plan operates and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the "Code") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by an Employee Benefits Retirement Committee comprised of four people appointed by the Sponsor's Board of Directors. The Committee has appointed True Integrity Fiduciary Service ("TI Trust") to be an independent directed trustee to administer the Plan trust.

Eligibility

The Company's employees are generally eligible to participate in the Plan after one hour of service and having attained the age of twenty-one. Participants who do not have at least 500 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of Company contributions for such year.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, becomes disabled, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the Company and its participating subsidiaries. The distributions are made in cash.

Under the provisions of the Plan, the Company is obligated to repurchase participant shares which have been distributed under the terms of the Plan as long as the shares are not publicly traded or if the shares are subject to trading limitations. During the year ended December 31, 2025, the Company repurchased 4,100.4161 shares from participants.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account. The trustee shall vote any unallocated Company common stock, or any allocated Company common stock as to which no voting instructions have been received, in the same proportion as Company common stock as to which voting instructions have been received, unless otherwise directed by the Plan administrator.

BARR & BARR, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 1 - Plan Description (cont'd.)

Plan Termination

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the Employee Benefits Retirement Committee shall direct the trustee to pay all liabilities and expenses of the trust fund and to sell shares of financed stock held in the loan suspense account to the extent it determines such sale to be necessary in order to repay the loan. In such an event, no part of the Plan assets may revert back to the Company.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the trustee from the unallocated account and forfeitures of terminated participant's nonvested accounts. Only those participants who are eligible employees of the Company as of the last day of the Plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation.

Vesting

If a participant's employment with the Company ends for any reason other than retirement, permanent disability or death, he or she will vest in the balances in his or her account based on total years of service with the Company. Participants vest 20% per year of service after the first year and are 100% vested after six years of service. A year of service will be credited to a participant when they complete a 1,000 hours of service during the Plan year.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years, depending on the size of the participant account balance. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

BARR & BARR, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 1 - Plan Description (cont'd.)

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments which are more diversified. Participants who are at least age 55 with at least ten years of participation in the Plan may elect to diversify a portion of their account. The diversification election must be made during the first 90 days of each Plan year in which the participant is eligible to make such an election. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%. Participants who elect to diversify receive a rollover distribution to the Employees' Benefit Plan of Barr & Barr, Inc., the Company's 401(k) plan.

Participant Accounts and Forfeitures

The allocation of employer contributions and Plan forfeitures to each participant's account are based upon the relation of the participant's compensation to total compensation for the Plan year. There were forfeitures for 484.9160 shares of terminated nonvested account balances allocated to remaining participants for the year ended December 31, 2025. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participant's beginning of the year account balances.

Administrative Expenses

As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. The Company has historically paid the operating expenses for the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers securities purchased with initial maturities of three months or less to be cash equivalents.

BARR & BARR, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Investment Valuation and Income Recognition

The shares of the Company's common stock are valued at estimated fair value. See Note 7 for a discussion of fair value measurement.

Dividend income is accrued on the ex-dividend date.

Net depreciation includes the Plan's losses on investments in Company stock held during the year.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

Adoption of ASU No. 2025-12

On January 1, 2025, the Plan adopted FASB ASU No. 2025-12, Codification Improvements, which amends various topics within the FASB Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practice for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Concentration of Credit Risk

The Plan maintains cash balances in a financial institution. Such balances are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to \$250,000. From time to time, the Plan's balances may exceed this limit.

Note 4 - Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated February 7, 2017 that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt at the financial statement date.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax benefit only if it is more likely than not that the tax position would be sustained upon examination by the IRS.

BARR & BARR, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 4 - Tax Status (cont'd.)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 5 - Administration of Plan Assets

The Plan's assets, which consist principally of the Company's common stock, are held by TI Trust, the trustee of the Plan.

Company contributions are held and managed by the trustee, which invests cash received and interest and dividend income, and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company or its affiliates. No such officer or employee receives compensation from the Plan. Administrative expenses for the trustee's fees are paid directly by the Company.

Note 6 - Investments

The Plan's investments in the Company's common stock, at December 31, are presented in the following tables:

<u>2025</u>	<u>Allocated</u>	<u>Unallocated</u>	<u>Total</u>

Note 7 - Fair Value Measurement

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

The fair value of the Sponsor's common stock held by the Plan is valued using Level 3 inputs based upon an independent appraisal. This appraisal was based upon a combination of market and income valuation techniques consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparable and estimated fair value of the Company's assets and liabilities.

Plan management has concluded that a market participant would also recognize a discount for lack of marketability. Plan management accumulates the data for the appraiser from the audited financial statements of the Company. The appraiser prepares a preliminary report, which Plan management, along with the ESOP trustee, reviews in detail, discusses and approves. The results of this process are documented in the minutes of the Plan.

Note 7 - Fair Value Measurement (cont'd.)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2025 and 2024:

	<u>Assets at Fair Value at December 31,</u>			
	2025		2024	
	<u>Level 3</u>	<u>Total</u>	<u>Level 3</u>	<u>Total</u>
Investment in Sponsor company common stock	<u>\$ 29,754,575</u>	<u>\$ 29,754,575</u>	<u>\$ 25,046,796</u>	<u>\$ 25,046,796</u>
Total assets at fair value	<u><u>\$ 29,754,575</u></u>	<u><u>\$ 29,754,575</u></u>	<u><u>\$ 25,046,796</u></u>	<u><u>\$ 25,046,796</u></u>

The following table presents the changes in the Plan's Level 3 assets for the year ended December 31, 2025:

	<u>Investment in Sponsor Company Common Stock</u>
Balance, January 1, 2025	\$ 25,046,796
Unrealized gains relating to assets still held at the reporting date	<u>4,707,778</u>
Balance, December 31, 2025	<u><u>\$ 29,754,574</u></u>
The amount of total gains for the period included in changes in net assets attributable to the change in unrealized gains or losses relating to assets still held at the reporting date.	<u><u>\$ 4,707,778</u></u>

Unrealized losses are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Note 8 - Related Party and Party-In-Interest Transactions

The Plan invests in Company common stock. These purchases are related party and party-in-interest transactions. The Plan has a number of service providers such as the trustee, the Plan administrator, and the firm that provides the valuation of the Company. Such service providers are parties-in-interest under ERISA. As described in Notes 2 and 5, the Company pays all Plan expenses.

Note 9 - Employer Contributions

Each year, the Company may make a discretionary contribution to eligible participant accounts. For the year ended December 31, 2025, the Company made contributions of \$3,321,387. Employee contributions are not permitted.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2025 through July 28, 2026, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
