Independent Auditor's Report

The Plan Administrator
River Crest Country Club Retirement Plan and Trust
Fort Worth, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of River Crest Country Club Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

River Crest Country Club Retirement Plan and Trust

Notes to Financial Statements

1. Description of the Plan

The following description of the River Crest Country Club Retirement Plan and Trust (the Plan) is provided for general information purposes only. The Plan is sponsored by River Crest Country Club (the Club). Participants should refer to the Plan document for more complete information. The Club's corporate offices are located in Fort Worth, Texas.

General

The Plan, which was originally effective January 1, 1985, and most recently amended and restated as of January 1, 2022, is a defined contribution Plan covering substantially all employees of the Club who have attained age 18 and completed at least one year of service with 1,000 hours. Eligible employees may enter the Plan on the first day of the quarter following the date the employee meets the eligibility requirements during the Plan year. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA), as amended, and to limitations imposed by the Internal Revenue Code (IRC).

The purpose of the Plan is to encourage the Club's employees to systematically save and invest a portion of their current compensation so that they and their families may have a source of additional income upon their retirement or in the event of death.

Trustee and Administration of the Plan

Capital Bank & Trust Company (the Trustee) is responsible for custody and management of the plan's assets. Empower Retirement, LLC (the Recordkeeper) maintains the accounting of participant accounts and performs other services for the Plan. The administrator of the Plan is the Club.

Eligibility

Employees of the Company are considered eligible for participation, who have reached age 18. Eligible plan participants may begin making contributions after one calendar year from their date of hire in which they worked at least 1,000 hours. An eligible participant can enter the Plan on the first day of each plan year quarter coinciding with or next following the date on which the eligibility requirements are satisfied.

Contributions

Participants may contribute a voluntary percentage of pre-tax annual compensation, as defined by the Plan. Participants may also elect to contribute Roth deferrals (post-tax contributions) to the Plan, which are separately accounted for as are the gains and losses attributed to those deferrals. Contributions are subject to limitations on annual additions and other limitations imposed by the IRC as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan of a distribution from a prior employer's qualified Plan.

Participants who are eligible to make salary deferral contributions under the Plan and have attained age 50 before the close of the Plan year may make catch-up contributions in accordance with, and subject to the limitations imposed by, the IRC.

The Club may make a discretionary contribution as determined by the Club's Board of Directors. For the year ended December 31, 2025, the Club made an employer matching contribution of 50% of

River Crest Country Club Retirement Plan and Trust

Notes to Financial Statements

the first 6% of base compensation that the participant contributes to the plan, which totaled \$179,260, of which \$0 was used as forfeitures to offset contributions. The Club has the right to make an additional discretionary non-elective contribution, which shall be allocated to each eligible participant in proportion to his or her compensation as a percentage of compensation for all eligible employees who are active employees on the last day of the Plan year and worked over 1,000 hours during the Plan year. For the year ended December 31, 2025, no additional discretionary non-elective contributions were made.

Participant Accounts

Each participant's account is credited with the participant's elective deferrals and the Club's discretionary contributions, as well as allocations of the Club's discretionary non-elective contributions and Plan earnings and administrative expenses. Allocations are based on participant account balances or earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always fully vested in their elective contributions and rollovers, if any, plus actual earnings thereon. Vesting in all employer contribution portion of accounts, plus actual earnings thereon, is as follows:

Years of Service	Vesting Percentage (%)
Less than 1	-
1, less than 2	20
2, less than 3	40
3, less than 4	60
4, less than 5	80
5 or more	100

A year of service, for vesting purposes, is defined as a Plan year in which a participant completes at least 1,000 hours of service. Notwithstanding the vesting specified above, an employee's right to his or her account will vest 100% upon attainment of normal retirement age, death, or disability.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 of their vested benefits under the Plan. Participants may borrow up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loans are secured by the participant's account and bear an interest rate at the prime rate published in the Wall Street Journal on the first business day of each month the loan is taken, which would be made under similar circumstances and is fixed for the term of the loan. The notes are repaid ratably through payroll deductions over a period of five years or less, unless used to purchase a principal residence up to 5 years. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

Also, each participant may not have more than 1 loan outstanding at any time.

River Crest Country Club Retirement Plan and Trust

Notes to Financial Statements

Benefit Payments

Participants withdrawing during the year for reasons of military service, disability, retirement, death, or termination are entitled to their vested account balance. If the vested balance is less than \$5,000, a lump sum distribution will be made as soon as administratively possible. Distributions of vested account balances of \$1,000 or less may be distributed to participants in cash. Distributions of vested account balances greater than \$1,000, but less than or equal to \$5,000, are paid as a direct rollover to an individual retirement account in the name of the Plan participant. These mandatory distributions apply only to participants who have separated from service and do not affirmatively elect a distribution of their accounts. Withdrawals from the Plan may be made in accordance with the provisions specified in the Plan. Other in-service withdrawals are also allowed if certain criteria are met. Benefits are distributed in the form of rollovers or lump-sum payments.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset the Club's discretionary employer contributions to the Plan, or they may be used to offset expenses of the Plan. During 2025 forfeitures of \$0 were used to offset the Club's discretionary contributions or pay expenses. As of December 31, 2025 and 2024, forfeited non-vested balances were \$9,485 and \$5,078, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in fair value of its investments which consists of the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes to Financial Statements

Contributions

Participant contributions and related discretionary employer contributions are recognized in the period during which the Club makes the respective payroll deduction from the participant's compensation.

Payment of Benefits

Benefits payments to participants are recorded upon distribution from the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Club and are excluded from these financial statements. Fees of \$1,050 related to the administration of benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses paid to investment advisors, transfer agents, and others described in each fund prospectus or other published documents are deducted by the investment funds or accounts prior to the allocation of the Plan's investment earnings activity and are therefore included in net appreciation in fair value of investments. Revenue sharing credits received are reported net with administrative fees in the financial statements. None noted in 2025.

3. Fair Value Measurements

Accounting Standards Codification (ASC) Topic, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic, *Fair Value Measurements and Disclosures*, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.

Notes to Financial Statements

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as follows:

December 31, 2025

	Level 1		Level 2		Level 3		Total
Mutual Funds	\$	10,593,958	\$	-	\$	-	\$ 10,593,958
Total Investments, at fair value	\$	10,593,958	\$	-	\$	-	\$ 10,593,958

December 31, 2024

	Level 1		Level 2		Level 3		Total
Mutual Funds	\$	8,833,288	\$	-	\$	-	\$ 8,833,288
Total Investments, at fair value	\$	8,833,288	\$	-	\$	-	\$ 8,833,288

4. Tax Status

Effective December 31, 2021, the Plan adopted the American Fund Distributors, Inc. Pre-approved Non Standardized Profit Sharing Plan, which has a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. This opinion letter states the form of the pre-approved Plan is acceptable under Section 401 of the IRC. The Plan sponsor may rely on this letter with respect to the qualification of the Plan under IRC Section 401(a) with certain limitations. The Plan

administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore believe that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by American Funds, a party in interest with respect to the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. The Club pays directly any other fees related to the Plan's operations. Notes receivable from participants also qualify as party-in-interest transactions. The above transactions qualify as party-in-interest transactions which are exempt from the prohibited transactions rules.

6. Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivables from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan, a qualified institution.

7. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

8. Plan Termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. Subsequent Events

Plan management has evaluated subsequent events that occurred after December 31, 2025 and through August 27, 2026, which is the date these financial statements were available to be issued.
