INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
County Group Companies, Inc. Employee Benefit Plan
New Castle, Delaware

Opinion

We have audited the financial statements of County Group Companies, Inc. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial status of County Group Companies, Inc. Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of County Group Companies, Inc. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about County Group Companies, Inc. Employee Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of County Group Companies, Inc. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about County Group Companies, Inc. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

NOTE A – DESCRIPTION OF PLAN

The following description of the County Group Companies, Inc. Employee Benefit Plan ("The Plan") provides only general information about the Plan's provisions. Participants should refer to the plan document for a complete description of the Plan's provisions, copies of which can be obtained from the Plan Sponsor.

General – The Plan provides health and other benefits to full-time employees and their spouses or domestic partners and eligible dependents. Such benefits are described in separate summary benefits booklets and a summary plan description. Although the effective date was July 1, 2015, the Plan did not begin operating and funding until May 1, 2019. Certain plan assets are held by Veris Benefit Consortium, LLC. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits – Benefits provided include medical, vision, and dental. A participant's benefits (along with the benefits of his or her eligible spouse or domestic partner and eligible dependents) cease when the employee's participation in the plan terminates. The Benefits Booklets describe circumstances that will result in termination of participation in this plan, or in any component of the plan.

If health coverage ceases for an employee or eligible dependent because of a qualifying event or military deployment, or a qualified leave of absence under the Family and Medical Leave Act (FMLA), then the employee and/or his or her eligible dependents may have the right to continue coverage in accordance with the terms of COBRA, USERRA, or the FMLA. Details about continuation rights are included in the Benefits Booklets.

The benefits under the Plan are provided through insurance policies or through the employer. The employer is not an insurer of any fully-insured benefits. The payment of all medical benefits will be made by the County Group Companies, Inc. Health Benefit Trust which is funded by the Employer.

Eligibility – Employees are eligible only after they have been employed by the employer for ninety days. All regular employees of County Group Companies, Inc. working at least thirty hours per week are eligible for coverage. Employees may also elect coverage for their dependent children up to age twenty-six.

Experience-Rated Contracts – Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

County Group Companies Health Benefit Trust – Effective May 1, 2019, this trust was established to hold the assets which are to provide health care under one or more plans established by County Group Companies, Inc. The trust fund consists of sums of money including participant contributions and other property that the trust fund shall pay benefits and appropriate administrative expenses under the Plan.

Self-Insured Benefits – All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop Loss – Premiums for Stop Loss or Excess Loss Insurance are included in premium payments in the accompanying Statements of Changes in Net Assets Available for Benefits.

Refunds – Refunds due from the Plan's pharmacy benefits manager are recorded when earned. Any refunds due as of the financial statement date are reported as receivable, with the offset being netted against claims paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accordingly, income is recorded in the year earned and expenses are recorded in the year a liability is incurred.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may take in the future, they may ultimately differ from actual results.

Accounting measurements most affected by management's estimate of future events include the estimate of claims incurred but not reported by the Plan's actuary and the realization of receivables, if any, from the Plan's Sponsor. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the financial statements in the period determined.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits – Premiums paid by either the Plan Sponsor or by the trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statement of net assets available for benefits.

Stop Loss Coverage – The Plan has entered into excess loss arrangements with Everest Reinsurance Company as a means of limiting its exposure for self-insurance medical and prescription benefits. There are two main types of stop loss coverage. Specific which are individual claims over a specific dollar amount and aggregate exposure whereby the plan and the sponsor are protected from costs that exceed a dollar threshold for the entire group of plan participants.

Contributions – In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. County Group Companies, Inc., the Plan Sponsor, pays the full cost of stop loss insurance.

NOTE C – CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31, 2025 and 2024 for medical and drug plan claims incurred but not reported are estimated by the Plan's actuary in accordance with acceptable actuarial principles based on claims information and data provided by the third-party claims administrator. The amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE D – ADMINISTRATIVE FEES AND EXPENSES

The Plan pays administrative fees and expenses that consist primarily of administrative and other fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the Statement of Changes in Net Assets Available for Benefits as other fees and administrative expenses.

NOTE D – ADMINISTRATIVE FEES AND EXPENSES (CONTINUED)

For the years ended December 31, 2025 and 2024, administrative fees and expenses are as follows:

	2025	2024
Administrative services expenses:		
Highmark of Delaware	$ 40,947	$ 42,832
Broker Fee Expenses:		
George J. Weiner Associates, Inc.	31,735	30,677
Management fee expenses:		
ConnectCare3, LLC	-	7,004
The Benecon Group	29,715	21,151
	$ 102,397	$ 101,664

NOTE E – RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations (claims incurred but not reported) are reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimates and assumptions process, it is at least reasonably possible that changes in estimates and assumptions in the near-term would be material to the financial statements.

NOTE F – TAX STATUS

The County Group Companies Inc. Health Benefit Trust (the "Trust") was established to hold the assets of the plan, which are to provide health care benefits under one or more plans established by County Group Companies, Inc. The Trust has not obtained a determination letter from Internal Revenue Service, but the Plan Administrator believes the Plan is being operated in compliance with applicable requirements of the Code and therefore, believes that the Trust is tax-exempt. Accordingly, no provision for income taxes has been recorded in these financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for the years ended December 31, 2025 or 2024.

NOTE G – TERMINATION OF PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE H – RELATED-PARTY TRANSACTIONS

As described in Notes A and D of these financial statements, the Plan has several arrangements with service providers. These transactions are considered party-in-interest transactions under ERISA.

NOTE I – SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan discontinued its participation in the Veris Benefits Consortium, LLC arrangement under which plan assets were held and claims were funded through the consortium trust. Beginning January 1, 2026, the Plan transitioned to a fully insured arrangement with a traditional insurance carrier for the provision of employee health benefits.

Management has reviewed and evaluated all other subsequent events through August 7, 2026, the date the financial statements were available to be issued. Management has determined that no additional disclosures or adjustments are necessary to these financial statements.
