We have performed audits of the financial statements of the GetixHealth 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
GetixHealth 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the GetixHealth 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GETIXHEALTH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 1 - Description of Plan

General

The GetixHealth 401(k) Plan (the Plan) is a defined contribution 401(k) sponsored by Patient Accounting Service Center LLC dba GetixHealth LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan provides only general information and is as of December 31, 2025 unless otherwise noted. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

Administration of the Plan

The Company is the Plan Administrator and has established a committee responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance. John Hancock Life Insurance Company (U.S.A.) serves as the Custodian and recordkeeper of the Plan. Among other duties, the Custodian receives contributions, holds and invests the Plan's assets in accordance with the directions of the participants, and makes disbursements as directed by the Plan Administrator.

Eligibility

The Plan covers all employees of the Company, except for union employees covered under a collective bargaining agreement or non-resident aliens. All eligible employees must be age 21 or older and have completed six months of service within a twelve-month window prior to participation in the Plan. Entry dates into the Plan occur the first day of the calendar quarter coinciding with or next following the date eligibility requirements have been met. When eligibility requirements have been met, employees may make participant contributions and may receive employer contributions. Effective January 1, 2026, eligibility requirements were updated to age 19 and three months of service.

Participant Contributions

Each active participant may elect to defer, on a pre-tax basis, at least 1% and not more than 80% of their eligible compensation, as defined in the Plan adoption agreement. In lieu of all or a portion of employee pre-tax contributions, each participant may elect to defer their eligible compensation as Roth contributions. Each participant's annual contribution shall not exceed the maximum amount allowed for deferral under the Internal Revenue Code (IRC). Certain participants are eligible to make a catch-up contribution in accordance with Section 414(v) of the IRC. Rollover contributions from qualified plans and from certain IRAs are allowed into the Plan.

Employer Contributions

The Plan allows for an employer matching contribution to be allocated as a uniform percentage of a participant's deferral rate. During 2025, the Company made matching contributions of 50% of participant contributions up to 6% deferral rate.

The Company may make discretionary profit sharing contributions as determined by the Company's board of directors. In order to be eligible for the discretionary profit sharing contribution, participants must work at least 1,000 hours during the Plan year and be employed on the last day of the Plan year. No discretionary profit sharing contributions were made for the year ended December 31, 2025.

GETIXHEALTH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Participant Accounts

Each participant's account is credited with the participant's contributions, employer discretionary matching contributions, allocation of profit sharing contributions when provided, Plan earnings, and certain administrative expenses. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the Company's contribution portion of their accounts, plus earnings thereon, is based on years of continuous service. A participant is fully vested after six years of continuous service. Special vesting rules apply for Industry Data Services employees who are fully vested after five years of continuous service.

Forfeitures

Forfeitures may be used to reduce Company contributions or pay Plan expenses. For the year ended December 31, 2025, forfeitures of \$71,788 were used to reduce employer matching contributions. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$20,561 and \$21,381, respectively.

Notes Receivable from Participants

Participants may obtain loans from their vested account balances. Loans must be for a minimum of \$1,000 and may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may only have two loans outstanding from the Plan at a time. Loans to be used for the purchase of a participant's primary residence may be repaid over a reasonable period determined at the time the loan is made; loans for other purposes may be repaid over a period not to exceed five years. The loans are collateralized by the participants' vested account balances and bear interest at a commercially reasonable rate of interest. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

A participant is eligible to request a distribution of their vested account balance upon termination of employment, death, disability, or retirement. Required minimum distributions are made in accordance with IRS requirements. Distributions may be in the form of a lump sum payment, installments or partial withdrawals. A terminating participant with an account balance of \$5,000 or less automatically receives a distribution from the Plan. If the vested portion of the terminating participant account is less than or equal to \$1,000, the vested account will be distributed in cash. If the vested portion of the terminating participant account is more than \$1,000, but does not exceed \$5,000, the Plan Administrator will transfer the vested account to an IRA established in the name of the participant.

In-service withdrawals are allowed upon reaching age 59½. Hardship withdrawals are allowed as provided under the terms of the Plan adoption agreement and provisions of the IRC.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America (GAAP).

GETIXHEALTH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Use of Estimates

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent participant loans are recorded as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 - Unaudited Information Certified by Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by John Hancock Life Insurance Company (U.S.A.) as to its completeness and accuracy, and was not subjected to any auditing procedures performed by the Plan's independent auditor:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024 and notes to financial statements.
- Net appreciation in fair value of investments and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- All information included in the supplemental schedule of assets (held at end of the year) as of December 31, 2025.

GETIXHEALTH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

Pooled separate accounts: The underlying investments of the pooled separate accounts represent funds that are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. As such, these accounts have been determined to have a readily determinable fair value and are classified as Level 2.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Totals
Pooled separate accounts	\$ -	\$ 16,065,943	\$ -	\$ 16,065,943
Investments at fair value	\$ -	\$ 16,065,943	\$ -	\$ 16,065,943

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Totals
Pooled separate accounts	\$ -	\$ 12,867,207	\$ -	\$ 12,867,207
Investments at fair value	\$ -	\$ 12,867,207	\$ -	\$ 12,867,207

GETIXHEALTH 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Note 5 - Tax Status

The Plan is utilizing a non-standardized pre-approved plan document sponsored by The Retirement Advantage (the non-standardized plan). The non-standardized plan has been filed with the IRS and has received a favorable opinion letter dated June 30, 2020. The Plan Sponsor has elected not to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. Although the Plan has been amended since receipt of the favorable opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified under Section 401(a) and that the related trust is tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2025 and 2024, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

The Plan permitted mandatory provisions of the SECURE Act 2.0 during the years ended December 31, 2025 and 2024. Written amendments to the Plan document to reflect these operational changes will be executed at a later date in accordance with deadlines pursuant to applicable laws and IRS guidance.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their employer contributions.

Note 7 - Related Party and Party-in-Interest Transactions

Certain assets held in the Plan are managed by the Custodian. These investment transactions are considered party-in-interest transactions as defined by ERISA; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations. Certain accounting and administrative functions are performed by employees of the Plan Sponsor. No such employee received compensation from the Plan for these services.

Note 8 - Risks and Uncertainties

The Plan invests in various types of investment securities that are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Future Developments

For the latest information about developments related to Form 5558 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form5558.

What's New

Beginning January 1, 2025, Form 5558 can be filed electronically through EFAST2 or can be filed with the IRS on paper.

Purpose of Form

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series, and Form 8955-SSA.

To avoid processing delays, the most recent version of this Form 5558 must be used. For example, this Form 5558 (Rev. January 2025) must be used instead of the January 2024 version or any other prior version. To determine the most recent version of this form, go to www.irs.gov/Form5558.

Where To File

Effective January 1, 2025, you can file Form 5558 electronically through EFAST2 or you can file paper Form 5558 with the Department of the Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Private delivery services for paper filing. You can use certain private delivery services (PDSs) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to www.irs.gov/PDS for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to www.irs.gov/PDSstreetAddresses.

PDSs can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.

Specific Instructions

Part I. Identification

A. Name and Address

Enter your name and address in the heading if you are requesting an extension of time to file the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA.

The plan sponsor (generally, the employer for a single-employer plan) or plan administrator listed on the application should be the same as the plan sponsor or plan administrator listed on the annual return/report filed for the plan.

Include the suite, room, or other unit number after the street address. If the post office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

If the entity's address is outside the United States or its territories, enter in the space for city or town, state, and ZIP code, the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If your mailing address has changed since you filed your last return, use Form 8822-B, Change of Address or Responsible Party— Business, to notify the IRS of the change. A new address shown on Form 5558 will not update your records. You can get Form 8822-B at www.irs.gov/Form8822B.

B. Employer Identifying Number

Enter the nine-digit EIN in an XX-XXXXXXX format, assigned to the employer for all applications filed for the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

An entity that does not have an EIN must apply for one as soon as possible. You may apply online by going to www.irs.gov/EIN. The EIN is issued immediately once the application information is validated. You may also apply for an EIN by faxing or mailing Form SS-4 to the IRS, obtained at www.irs.gov/OrderForms. If the principal business was created or organized outside of the United States or its territories, you may apply for an EIN by calling 267-941-1099 (toll call). Do not use a social security number in lieu of an EIN.

C. Name of Plan

Enter the formal name of the plan.

D. Three-Digit Plan Number (PN)

Form 5558 must include the PN. Enter the three-digit PN that the employer assigned to the plan. Plans must be numbered consecutively starting with 001. Once a PN is used for a plan, it must be used as the PN for all future filings of returns for the plan, and this number may not be used for any other plan even after the plan is terminated.

E. Plan Year End Date

Enter plan year ending date (MM/DD/YYYY). "Plan year" means the calendar or fiscal year for which the records of the plan are kept.

Part II. Extension of Time To File Form 5500 Series and/or Form 8955-SSA

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

Do not include the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) or the Form 8955-SSA with this form.

Exception: Form 5500, Form 5500-SF, Form 5500-EZ, and Form 8955-SSA filers are automatically granted extensions of time to file until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if both of the following conditions are met: (1) the plan year and the employer's tax year are the same; and (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA. An extension granted under this exception cannot be extended further by filing Form 5558 after the normal due date of the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

An extension of time to file a Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA does not operate as an extension of time to file the PBGC (Pension Benefit Guaranty Corporation) Form 1, Annual Premium Payment.

How to file. A separate Form 5558 must be used for each plan for which an extension is requested. For example, if an employer maintains a defined benefit plan and a profit-sharing plan, a separate Form 5558 must be filed for each plan. A single Form 5558 may, however, be used to extend the time to file a plan's Form 5500 series return/report and its Form 8955-SSA.

Do not attach lists of other plans to Form 5558. Only the plan listed on Form 5558 will be processed. Lists attached to the Form 5558 will not be processed.

A DCG reporting arrangement can file a single Form 5558 for an extension of time to file a Form 5500 and is not required to attach a list of participating plans in the DCG to the Form 5558.

When to file. To request an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, file Form 5558 on or before the return/report's normal due date. The normal due date is the date the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA would otherwise be due, without extension.

Applications for extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA that are filed on or before the return/report's normal due date on a properly completed Form 5558 will be automatically approved to the date that is no later than the 15th day of the 3rd month after the return/report's normal due date.

Note. If the filing date falls on a Saturday, Sunday, or a legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or a legal holiday.

Approved copies of Form 5558 requesting an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA will not be returned to the filer from the IRS.

Line 1. Check this box if the extension of time to file being requested on line 2 is for the first Form 5500 series return/report filed for the plan. Do not check this box if the plan previously filed a Form 5500 series return/report at any time for any year.

Line 2. Enter on line 2 the due date for which you are requesting to file Form 5500, Form 5500-SF, or Form 5500-EZ. This date should not be later than the 15th day of the 3rd month after the normal due date of the return/report.

If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return/report's normal due date to file Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

Line 3. Enter on line 3 the due date for which you are requesting to file Form 8955-SSA. This date should not be later than the 15th day of the 3rd month after the normal due date of the return.

If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return's normal due date to file Form 8955-SSA.
