Independent Auditor's Report

To the Plan Administrator and Trustees
Afognak Native Corporation Health and Welfare Plan

Opinion

We have audited the financial statements of Afognak Native Corporation Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Afognak Native Corporation Health and Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Afognak Native Corporation Health and Welfare Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Afognak Native Corporation Health and Welfare Plan's ability to continue as a going concern for one year following the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Afognak Native Corporation Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Afognak Native Corporation Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Afognak Native Corporation Health and Welfare Plan

Notes to the Financial Statements

December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Afognak Native Corporation Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General information - The Plan is a contributory defined benefit health and welfare plan originally established by Alutiiq, LLC on October 1, 2004 and was amended and restated effective January 1, 2016. Effective January 1, 2017, as a result of a corporate reorganization, the sponsorship of the Plan changed from Alutiiq, LLC to Afognak Native Corporation. Accordingly, the Plan and trust documents were amended to reflect the change in the name of the plan sponsor and administrator. Afognak Native Corporation is herein referred to as the Company or the plan sponsor. The plan sponsor established a voluntary employees' beneficiary association (VEBA) Trust to serve as a funding vehicle for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility and benefits - The Plan provides medical, dental, vision, prescription drugs, life insurance, short-term disability, long-term disability and other fringe benefits. All employees of the Company and its subsidiaries, including employees working under federal contracts covered by the McNamara-O'Hara Service Contract Act (the Act) and other collective bargaining agreements, who are regularly scheduled to work at least 30 hours per week are eligible to participate in the Plan on the first day of the month following 30 days of employment. Benefits are generally reserved for employee coverage, but employees may purchase additional coverage for their spouse and dependents through pre-tax and after-tax deductions as allowable under Internal Revenue Service (IRS) and ERISA rules and regulations. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured benefits - The Plan's medical, prescription drug and short-term disability benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA Trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions - The Plan is funded by employer, employee, and COBRA contributions. In addition to deductibles and co-payments, participants contribute specified amounts, determined annually, for coverage of themselves and their dependents. This determination is based on a review of the Plan's payment trends and an estimation of expected costs for the following year, as recommended by an independent third-party specialist.

For employees covered under the Act and certain collective bargaining agreements, employer contribution rates are established annually by the Plan in accordance with prevailing wage rates and health and welfare rates for employees covered under the Act and under the specific collective bargaining agreements. The plan sponsor adjusts the health and welfare contribution rates annually upon renewal or modification of the contract by the federal government or agreement with the collective bargaining unit. The plan sponsor provides qualified fringe benefits for each employee covered by the Act or the collective bargaining agreement up to the statutory limitations. For the year ended December 31, 2025, the Act's effective health and welfare contribution rate established by the Department of Labor was $5.55 per hour. Approximately 14 percent of the Plan's participants are members of various collective bargaining agreements, of which 1.8 percent have terms that expire within one year from December 31, 2025.

The plan sponsor may also elect to take premium rebate credits against the required health and welfare contributions for qualified fringe benefits provided by the Company outside of the Plan in meeting the health and welfare contribution rate requirement under the Act or under the collective bargaining agreement and as required for the Plan to meet its obligations to Plan participants and service providers. The Company also contributes excess funds in participant premium reserve accounts, as defined and maintained by the Plan, to a qualified retirement plan established for the benefit of Plan participants.

Stop-loss coverage - The Plan has entered into a stop-loss insurance arrangement to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The Plan's self-insurance retention is $450,000 for individual losses on a per-person basis.

Plan administration and expenses - Under the Act and collective bargaining agreements, employers are required to ensure compliance with the prevailing wage and health and welfare benefit requirements. Accordingly, many employers establish separate trusts or other funded arrangements, which receive and administer the health and welfare contributions. If such contributions are paid to a trust, the trust must preclude the employer from recapturing any of the contributions paid into the trust in meeting the minimum prevailing wage requirement and from diverting any of the funds of the trust for its own benefit or use. The Plan was designed as a VEBA to satisfy the Act's requirements. The Plan is managed by trustees, who are primarily representatives of the Company. The trustees retained the services of a third-party administrator, Government Service Administrators (GSA), that specializes in providing administrative and accounting services for employee benefit plans. The Plan's administrative expenses are paid by either the Plan or Plan sponsor, as provided in the Plan document.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and benefit obligations at the dates of the financial statements and changes in net assets available for benefits and benefit obligations during the year, particularly the estimate of the liability for claims incurred but not yet reported to the Plan. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition - The Plan's investments are held by PNC Bank in an interest-bearing checking account. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the financial institution.

Interest income is recorded on an accrual basis.

Payment of benefits - Premiums paid by either the Company or the VEBA Trust are recorded as payment of premiums to insurance companies in the accompanying Statement of Changes in Net Assets Available for Benefits.

Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors that have not been reimbursed by the Plan, if any, are recorded as payables to claims administrators in the accompanying Statements of Net Assets Available for Benefits.

Stop-loss insurance - Premiums for stop-loss insurance are included in "Payments of premiums to insurance companies" in the accompanying Statement of Changes in Net Assets Available for Benefits. Stop-loss refunds totaling $809,935 have been netted with self-insured claims in the accompanying Statement of Changes in Net Assets Available for Benefits during the year ended December 31, 2025.

Cash reserves - The Plan is required to maintain cash reserves with insurance companies, which are deposits that can be drawn against to reduce future premium payments when premiums paid to the insurance companies exceed the total claims paid and other charges. The cash reserves have been reported as an asset of the Plan until such amounts are used to pay premiums. The reserves are non-forfeitable should the insurance contracts terminate.

Benefit obligations - Claims incurred but not yet reported are estimated by the Plan's benefit consultant based on claims data provided by the Plan's self-insured claims administrators. This analysis and estimate is determined using a historical analysis of claims paid subsequent to year end as well as subsequent benefit payments actually made, classified according to the date that the related services were provided.

Where required, the Plan maintains accounts for each participant working on contracts covered by the Act or a collective bargaining agreement. The "Accrued premium reserve" reported in the accompanying Statements of Benefit Obligations represent the unexpended contributions remaining in the participants' premium reserve accounts.

Subsequent events - The Plan has evaluated subsequent events through August 28, 2026, the date on which these financial statements were available to be issued, and has determined that there are no subsequent events that require recognition or disclosure under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 855, *Subsequent Events*.

3. CASH RESERVES

Hartford, one of the self-insured claims administrators of the plan, requires cash deposit accounts to be maintained with them in an amount sufficient to fund plan benefits, fees and charges when due. The amounts were determined to be $18,340 at December 31, 2025 and 2024. The cash reserve requirement will be periodically reviewed and adjusted by Hartford, as deemed necessary.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value;

Interest-bearing cash: These investments are stated at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Assets at Fair Value as of December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Money market funds	$ 65,366	$ -	$ -	$ 65,366
Total investments at fair value	$ 65,366	$ -	$ -	$ 65,366

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Assets at Fair Value as of December 31, 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Money market funds	$ 2,859,310	$ -	$ -	$ 2,859,310
Total investments at fair value	$ 2,859,310	$ -	$ -	$ 2,859,310

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Hartford is one of the self-insured claims administrators of the Plan and maintain the Plan’s cash reserve account. Premera is a self-insured claims administrator of the Plan. GSA is the Plan’s third-party administrator. Therefore, transactions with these parties qualify as party in interest transactions. The Plan paid fees totaling $702,519, $61,157 and $412,108 to Premera, Hartford and GSA, respectively, related to administrative services rendered for the year ended December 31, 2025.

Certain administrative functions of the Plan are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

6. PRIORITIES UPON TERMINATION

Although it has not expressed any intention to do so, the plan sponsor has the right under the Plan to modify or discontinue any terms, conditions, or benefits of the Plan at any time and terminate the Plan subject to the provisions of ERISA, the insurer's contract, and the contract administration agreement. Expenses incurred prior to a termination, modification, or amendment of the Plan would be paid as provided under the terms of the Plan prior to its termination, modification, or amendment. In the event of termination, the plan sponsor shall first satisfy or make provisions to satisfy the obligations of the Plan.

7. ACCRUED PREMIUM REBATES AND RESERVE

The accrued premium reserve represents the unexpended balance in the participant accounts from contributions made at the prevailing health and welfare contribution rates established under the Act or collective bargaining agreement, less the benefit premiums, retirement plan allocations, and other benefit payments made on behalf of the participants. Amounts remaining in the participant premium reserve accounts at termination of employment are generally used to fund benefits or are contributed by the Company to a qualified retirement plan for the benefit of the participants. Any premium rebate credits unpaid as of the end of the reporting period are reflected as an accrued premium rebate liability. As of December 31, 2025 and 2024, the Plan reported an accrued premium rebate liability of $327,717 and $411,801, respectively, which is included in "Accounts payable" in the accompanying Statements of Net Assets Available for Benefits. The Plan also reported an accrued premium reserve liability of $685,445 and $726,499 as of December 31, 2025 and 2024, respectively, which is included in the accompanying Statements of Benefit Obligations.

8. TAX STATUS

The Afognak Native Corporation Fringe Benefit Trust established under the Plan to hold the Plan's assets obtained its tax exemption letter dated December 18, 2017, in which the IRS determined that the VEBA Trust was in compliance with applicable requirements of the Internal Revenue Code (IRC); therefore, the VEBA Trust is exempt from federal income taxes under Section 501(c)(9) of the IRC. Plan management and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related VEBA Trust is tax-exempt, and no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not, would not be sustained upon examination by the IRS. The plan sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan holds cash in bank deposit accounts with a financial institution, which, at times may exceed federally insured limits. Plan management periodically evaluates the balance and believes these accounts do not pose a financial risk to the Plan.

Some of the Plan's participants are employees of the Company working under contracts with the federal government, many of which are subject to the Act or a collective bargaining agreement. As such, federal contracts and collective bargaining agreements are subject to termination clauses whereby the government or bargaining unit may terminate contracts for cause or convenience. Any contract terminations or funding delays caused by political, budgetary, or other administrative matters may affect employees participating in the Plan and the ability and necessity of the plan sponsor to fund and maintain the Plan.
