INDEPENDENT AUDITOR'S REPORT

Retirement Plan Advisory Committee
Spectrum Healthcare Partners, P.A. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Spectrum Healthcare Partners, P.A. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan Advisory Committee
Spectrum Healthcare Partners, P.A. 401(k) Profit Sharing Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025 and 2024

1. Description of Plan

The following description of Spectrum Healthcare Partners, P.A. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Spectrum Healthcare Partners, P.A. (the Company). Spectrum Management Services Company, LLC is an adopting employer of the Plan and has adopted the Plan as established by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to make elective deferral and Roth contributions and receive match contributions after attaining age eighteen or older. Participants are eligible to receive discretionary employer profit sharing contributions after completing one year of service and attaining age 18 or older. One year of participation service is attained when an employee is credited with at least 1,000 hours of service.

Contributions

Participants may elect to contribute up to 75% of their eligible compensation, up to the maximum amount allowed by law. In addition, participants who are age 50 and older by the end of the Plan year may make additional catch-up contributions. The Company makes safe harbor matching contributions equal to 100% of elective contributions up to 3% of eligible compensation, plus 50% of elective contributions for the next 2% of eligible compensation.

The Company may elect to make a discretionary contribution to the Plan. The discretionary contribution made by the Company is allocated among eligible participants using the Social Security integration formula.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contributions, investment earnings, and forfeitures, and is charged with losses and expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance. Participants are permitted to exercise control over the investment of the assets in their accounts, provided the investment is legally permissible and is administratively feasible.

401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Vesting

Vesting in the Company's discretionary contributions plus earnings thereon is based on years of vesting service. A participant is credited with a year of service for each Plan year in which a participant is credited with at least 1,000 hours of service. A participant is fully vested after four years. Participants are always fully vested in their elective and match contributions, rollovers from other plans, and the earnings thereon.

Forfeitures

Participants who terminate their employment prior to becoming 100% vested forfeit their nonvested account balances. These benefits plus interest accumulated thereon are left in the Plan to offset employer contributions or to pay administrative expenses. During 2025, \$94,405 was utilized to reduce employer contributions and \$53,904 was used to pay administrative expenses. The remaining forfeited nonvested account balance as of December 31, 2025 and 2024 was \$201,800 and \$139,054, respectively.

Notes Receivable from Participants

Participants may borrow up to \$50,000 from their Plan accounts limited to 50% of the participant's vested balance subject to certain limitations. Loan terms may not exceed more than five years for general loans or up to 30 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at rates charged by lending institutions for similar loans.

Payment of Benefits

Participants are entitled to a distribution of their vested balance upon retirement, termination of employment, death, or permanent and total disability. The Plan also allows hardship withdrawals.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities, at the date of the financial statements. Actual results could differ from those estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for disclosures of fair value measurements.

SPECTRUM HEALTHCARE PARTNERS, P.A.
401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Cost of securities sold is determined based upon specific identification of the asset.

The pooled separate account (PSA) invests primarily in a diversified portfolio of high-quality, fixed income securities. The PSA crediting rate is subject to change daily. The Plan can end its participation in the PSA at any time. All funds are valued daily and units of participation may be purchased or redeemed on the valuation dates at the fair value per unit. There are no participant redemption restrictions.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses include third-party recordkeeping fees and expenses related to participant-directed brokerage accounts.

Subsequent Events

Management has considered transactions or events occurring through August 18, 2026, which is the date the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

3. Fair Value Measurement

The fair value measurement accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

**SPECTRUM HEALTHCARE PARTNERS, P.A.
401(k) PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2025 and 2024

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interest-bearing cash: Valued at cost which is equal to fair value.

U.S. Government obligations and corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities.

Preferred stock, common stock, registered investment companies, real estate investment trusts, and unit investment trusts: Valued at the quoted market price of shares held by the Plan at year-end.

Pooled separate account: Valued at net asset value (NAV) of the shares held by the Plan at year-end. NAV is used as a practical expedient; therefore, these investments are excluded from the fair value hierarchy table below.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

December 31, 2025 and 2024

4. Income Tax Status

The Plan has adopted the Schwab Retirement Plan Services, Inc. Non-Standardized Pre-Approved Profit Sharing Plan (the Pre-Approved Plan). The Internal Revenue Service issued its opinion letter, dated September 21, 2020, stating that the form of the Plan is acceptable under Section 401(a). The Pre-Approved Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained by management and agreed to or derived from the information certified by Charles Schwab Trust Bank, the trustee, as complete and accurate:

- Investments, at fair value;
- Notes receivable from participants;
- Interest and dividends;
- Net appreciation in fair value of investments; and
- Schedule H, line 4i – Schedule of Assets (Held at End of Year).

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

In January 2025, the Company sold its orthopedic division, in which Plan management determined a partial plan termination had occurred. Due to the partial plan termination, all impacted participants became fully vested. For those impacted participants that had already taken a distribution, Plan forfeitures were used to restore any previously forfeited amounts, with the Company funding any correction in excess of available forfeitures.

7. Party-In-Interest Transactions

Fees paid by the Plan for recordkeeping and investment advisory and investment management services totaled \$62,436 and \$489,313, respectively, for the year ended December 31, 2025. In addition, notes receivable from participants are considered party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
