Report of Independent Auditor

To the Participants and Administrative Committee
Kukurin Contracting, Inc. Prevailing Wage Plan
Export, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Kukurin Contracting, Inc. Prevailing Wage Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information (see Note 7) is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audit.

2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule, Part IV, Line 4i as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Prior Period Financial Statements (ERISA Section 103(a)(3)(C))

The financial statements as of and for the year ended December 31, 2024, were audited by other auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by qualified institutions. Their report dated September 2, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determines meets the requirements of ERISA Section 103(a)(3)(C).

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1—Description of the Plan

The following description of the Kukurin Contracting, Inc. Prevailing Wage Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan, as established on July 7, 1987, is a profit-sharing plan which is available to all eligible employees of Kukurin Contracting, Inc. (the “Company”). Employees must work on contracts governed by the Davis-Bacon Act or prevailing wage law and attain the age of 18 to be eligible. Eligible employees may become participants upon completion of a two-week probationary employment period along with meeting the minimum age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions – The employer makes contributions to the Plan in accordance with contracts subject to the Davis-Bacon Act or any other governmental prevailing wage contracts. Participants direct the investment of their contributions into various investment options offered by the Plan. The employer contribution amount is based on the hourly contribution rate that applies for each participant’s employment classification over the amount of Safe Harbor Matching Contributions made to the Kukurin Contracting, Inc. 401(k) Profit Sharing Plan on behalf of the participant. There is no employee voluntary or salary deferral contributions permitted under the Plan but transfer and rollover contributions are permitted. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts – Each participant’s account is adjusted by the participant’s transfer and rollover contributions (if any), employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are vested immediately in their rollover contributions and any employer contributions, plus or minus actual earnings or losses thereon.

Notes Receivable from Participants – Participants may borrow a maximum from their fund accounts equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants’ accounts and bear interest at prime rate as defined. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits – Upon termination of service, distributions from the Plan will be made in a single lump-sum cash payment. The Plan provides that if your interest in the Plan is \$7,000 or less, a cash distribution will be made regardless of whether the participant or participant’s spouse consents to the distribution. If the participant’s interest in the Plan exceeds \$7,000, then the participant’s consent is generally needed in order to make a distribution. Any amounts that were rolled over into the Plan will not be taken into account when determining the \$7,000 amount. In addition, the Plan allows for hardship distributions if certain criteria are met. In-service distributions are also permitted for participants that have attained age 59½.

Forfeiture – Any forfeited amounts can be used to restore forfeitures, reduce employer contributions, or to pay Plan expenses. Forfeited non-vested amounts totaled \$-0- at December 31, 2025 and 2024. No forfeitures were used during the years ended December 31, 2025 and 2024.

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Administrative Committee determines the Plan’s valuation policies utilizing information provided by the investment advisors and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Contributions – Contributions from the employer are recorded in the year in which it is earned.

Investment Concentrations – The Plan holds certain investments that represent 10% or more of the Plan’s total investments at December 31:

	2025	2024
Reliance Metlife GAC Series 25053 CI Eq	*	\$ 1,519,885
American Funds 2030 Target Date Fund R6	2,449,795	2,029,769
American Funds 2035 Trgt Date Retire R6	1,907,189	*
American Funds 2045 Target Date Fund R6	2,451,179	2,009,704
American Funds 2040 Target Date Fund R6	2,441,528	2,007,294

* Investment was not 10% or more of Plan investments at year-end.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 2—Summary of significant accounting policies (continued)

Expense Budget Account – The Expense Budget Account was established for the purpose of paying Plan expenses and is considered an unallocated Plan holding account. Per the Expense Budget Account Agreement, the amounts in the Expense Budget Account shall be invested in the existing Plan forfeiture account. The Expense Budget Account had a balance of \$1,128 and \$1,084 as of December 31, 2025 and 2024, respectively. The Expense Budget Account Agreement was established with Empower Trust Company, LLC. As the Plan changed service providers from Empower Trust Company, LLC (“Empower”) to Capital Bank and Trust Company effective June 29, 2024, there has been no additional deposits into the Expense Budget Account since the change in service providers. The Plan will utilize the remaining account balance until liquidated.

The Expense Budget Account agreement stated that for each calendar quarter, Empower would pay to the Plan an “EBA Credit.” EBA Credits were funded by revenue Empower received that exceeded its revenue requirements for the Plan. Total deposits in the form of EBA Credits to the account totaled \$-0- and \$21,376 for the years ended December 31, 2025 and 2024, respectively. Total expenses paid from the account totaled \$0 and \$22,439 for the years ended December 31, 2025 and 2024, respectively. For each year the Plan’s Expense Budget Account Agreement was in effect, the Plan could use the EBA Credits to pay reasonable Plan administrative expenses or allocate the EBA Credits among the accounts of the Plan participants. To the extent that the amount of qualified expenses for the applicable year was less than the amount held in the Expense Budget Account at the end of the year, the excess held in the account was considered a surplus. Any surplus remaining in the Expense Budget Account at the end of the year was allocated to participant accounts in accordance with terms of the Plan and ERISA. No surplus amounts were reallocated back to participant accounts for the years ended December 31, 2025 and 2024.

Subsequent Events – The Plan has evaluated events through August 24, 2026, the date the financial statements were available to be issued.

Note 3—Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 3—Fair value measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Valued at a stable \$1.00 per share which approximates fair value. The money market fund held by the Plan is actively traded.

Collective Trust Fund – Valued at NAV of units of a common collective trust. NAV, as provided by Empower (the "trustee"), is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) occur daily. At December 31, 2025 and 2024, there were no unfunded commitments and investments are redeemable on a daily basis and without restriction.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,665,052	\$ -	\$ -	\$ 13,665,052
Money Market Fund	749,697	-	-	749,697
Total assets in the fair value hierarchy	\$ 14,414,749	\$ -	\$ -	14,414,749
Investment measured at NAV (a)				1,549,848
				<u>\$ 15,964,597</u>

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,652,048	\$ -	\$ -	\$ 11,652,048
Money Market Fund	656,390	-	-	656,390
Total assets in the fair value hierarchy	\$ 12,308,438	\$ -	\$ -	12,308,438
Investment measured at NAV (a)				1,519,885
				<u>\$ 13,828,323</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share practical expedient have been excluded from the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 3—Fair value measurements (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust fund	\$ 1,549,848	None	Daily	12 months
December 31, 2024				
Collective trust fund	\$ 1,519,885	None	Daily	12 months

Note 4—Related party and party-in-interest transactions

Empower served as the trustee of the Plan through June 28, 2024. Effective June 29, 2024, Capital Bank and Trust Company assumed the role of trustee of the Plan. Plan assets are held in trust or custodial accounts maintained by each respective trustee. These services constitute party-in-interest transactions as defined under ERISA.

The Plan's investments are held by Capital Bank and Trust Company, the Plan's current trustee. Capital Bank and Trust Company is an affiliate of Capital Group, the investment manager of the American Funds mutual funds offered as investment options under the Plan. Because Capital Bank and Trust Company and Capital Group are affiliates, transactions involving investments in American Funds mutual funds are considered party-in-interest transactions under the Employee Retirement Income Security Act of 1974 ("ERISA").

During the year, the Plan invested in various American Funds mutual funds managed by Capital Group. The Plan also paid certain custodial and recordkeeping fees to Capital Bank and Trust Company, which may be paid either directly by the Plan or through revenue-sharing arrangements with the investment funds.

Note 5—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6—Tax status

The Company has a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by Empower Retirement LLC. The pre-approved profit sharing plan has received an opinion letter from the Internal Revenue Code (IRC) dated November 14, 2022, as to the pre-approved profit sharing plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7—Certified information

KUKURIN CONTRACTING, INC., PREVAILING WAGE PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Certain information in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025 and for the period June 29, 2024 through December 31, 2024, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Capital Bank and Trust Company (a qualified institution).

Certain information in the accompanying financial statements, related to net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2024 through June 28, 2024 was obtained by management and agreed to, or derived from, information certified as complete and accurate by Empower (a qualified institution).

Note 8—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9—Reconciliation of financial statements to Form 5500

Notes receivable from participants were deemed and included as an expense in deemed distributions on the Plan's Form 5500. In accordance with U.S. GAAP, the financial statements reported the balance of notes receivable from participants that have been deemed but not offset. The following is a schedule reconciling the net assets available for benefits per the financial statements to the Form 5500 for the Plan years ended December 31:

	2025	2024
Net assets per Form 5500	\$ 16,096,351	\$ 13,977,224
Plus notes receivable deemed but not offset	30,017	32,159
Net assets per the financial statements	<u>\$ 16,126,368</u>	<u>\$ 14,009,383</u>

The following is a reconciliation of the net increase per the financial statements to the Form 5500 for the Plan years ended December 31:

	2025	2024
Net income per Form 5500	\$ 2,119,127	\$ 203,821
Plus interest assessed on deemed distributed loans	1,090	3,964
Less principal and interest paid on deemed loans	<u>(3,232)</u>	<u>(4,843)</u>
Net increase in net assets available for benefits per the financial statements	<u>\$ 2,116,985</u>	<u>\$ 202,942</u>
