Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
The Kolter Group LLC 401(k) Plan
Delray Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Kolter Group LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Kolter Group LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 26 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Kolter Group LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kolter Group LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Kolter Group LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kolter Group LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statement but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of The Kolter Group LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution multiple employer plan covering all employees of The Kolter Group LLC and Dynamo LLC (collectively the "Company") who have at least one (1) month of service and have attained 21 years of age, excluding union employees, nonresident aliens, and interns. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on January 1, 1999, and most recently restated in its entirety on March 22, 2022, as required by the Internal Revenue Service's (IRS) restatement cycle. The Plan was most recently amended on January 1, 2025 to add Definiti, LLC as a fiduciary and exclude interns from eligibility.
- b) *Plan Administration* – Fidelity Management Trust Company (Fidelity) is the trustee of the plan. Fidelity is also the custodian, and serviced the Plan's investment assets as of December 31, 2025 and 2024. As of January 1, 2024, Definiti, LLC (Definiti) acts as the third-party administrator (TPA) of the Plan.
- c) *Contributions* – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and as subject to limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Participants may cease their individual contributions at any time, but may otherwise alter their deferral percentage at the beginning of each payroll period. The Plan includes an automatic deferral feature. Under this feature, if an employee satisfies the eligibility requirements, the Company will automatically withhold 3% as a salary deferral unless a salary reduction agreement is completed indicating otherwise. Participants who have completed one (1) year of service (1,000 hours within a twelve (12) month period) and have attained 21 years of age are eligible for employer Safe Harbor matching contributions. The Safe Harbor Basic Matching Contribution for 2025 is equal to 100% of salary deferrals that do not exceed 3% of participant's compensation, plus 50% of salary deferrals between 3% and 5%. For the purpose of calculating the Safe Harbor matching contributions, participants' compensation and deferrals will be determined on an annual basis.
- d) *Participant Accounts* – Each participant's account is credited with participant's contributions, Plan earnings, and the employer's matching contributions. In addition, participant accounts are charged with an allocation of administrative expenses. The profit-sharing contribution allocation, if any, is in the same ratio as each participant's compensation bears to the total of such compensation of all participants.
- e) *Vesting* – Participants are immediately vested in their salary deferral contributions and rollovers, Safe Harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant becomes 100% vested after six (6) years of credited service, or immediately upon death or disability.

1. Description of Plan, continued

- f) *Administrative Expenses* – Individual participants pay an annual fee plus loan and distribution fees, and investment management expenses. The Plan sponsor pays for other costs of plan administration.
- g) *Investment Options* – Upon enrollment in the Plan, a participant may direct the investment of their contributions into various investment options offered in the Fidelity portfolio of investments, and as determined periodically by the Plan administrator. Participants may change their investment allocation at any time via phone or internet access to Fidelity.
- h) *Participant Notes Receivable* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their individual vested account balance. Loan terms range from a period not to exceed five years, except for the purchase of a primary residence, which may be up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rates as determined by the loan administrator at the time the loan was taken. The interest rate on participant loans as of December 31, 2025 and 2024 ranged from 4.25% to 9.50%. Principal and interest are paid ratably through bi-weekly payroll deductions. Loans to participants are reported at their unpaid principal balances plus any accrued, but unpaid interest. The loan balances are secured by the participants' investments accounts, therefore, no allowance for uncollectible loans is deemed necessary. For purposes of presentation on the schedule of assets held for investment purposes, the participant notes receivable are presented as part of the investments in the Form 5500, and are referred to as participant loans.
- i) *Payments of Benefits* – Upon retirement, disability, death, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Hardship distributions are allowed under the plan as well as in service distributions for participants that have attained age 59 ½.
- j) *Forfeitures* – Upon termination of employment, the non-vested portion of a participant's account is forfeited. Amounts forfeited are first used by the Company to pay costs associated with the administration of the Plan and then used to reduce employer contributions. During the year ended December 31, 2025 there was \$474 of forfeitures incurred and \$363 applied to plan expenses. As of December 31, 2025 and 2024, there was \$13,647, and \$12,187, respectively, of forfeitures available at year-end to apply to future plan expenses or employer contributions.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting.

2. Summary of Significant Accounting Policies, continued

- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c) *Valuation of Investments and Income Recognition* – The Plan's investments (mutual funds) are valued at fair value as determined from quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the trustee. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.
- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rates, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are shares of mutual funds managed by the trustee. Change in the trustee's management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsors of The Kolter Group LLC 401(k) Plan may have a significant impact on the Plan. Specifically, the ability of the Plan Sponsors to continue to make contributions under the program and/or the stability of the Plan Sponsors' operations. Other external factors which may affect the Plan, and the Plan assets include legislation or regulations established by the Internal Revenue Service, Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).
- f) *Contributions Receivable* – The contributions receivable consists of employee salary deferrals and loan repayments withheld from participant compensation, as well as matching employer contributions, including an annual true-up that had not yet been remitted or contributed to the Plan as of year-end. These amounts are recorded at amortized cost.

Plan management evaluates contributions receivable for expected credit losses in accordance with Accounting Standards Codification Topic 326, *Financial Instruments -- Credit Losses* (ASC 326). ASC 326 requires the Plan to estimate expected credit losses over the contractual life of financial assets measured at amortized cost.

Management determined that expected credit losses related to contributions receivable were not material as of December 31, 2025, and 2024. This determination was based on the nature of the receivables, historical collection experience, the short period between payroll withholding and remittance for participant contributions, the timing of employer funding obligations, and current and forecasted economic conditions. Accordingly, no allowance for credit losses was recorded.

3. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following descriptions list the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025.

- a) *Interest-bearing cash* – The carrying value of the money market account, represented by interest-bearing cash, approximates fair value due to the short-term duration of the instrument and the stable \$1 value.
- b) *Mutual funds* – Valued at quoted market prices of a national securities exchange on the last business day of the year, of units held by the plan at year end.

3. **Fair Value Measurements, continued**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

<u>Assets at Fair Value as of December 31, 2025</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total assets at fair value	<u>\$56,569,947</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$56,569,947</u>

4. **Information Certified by the Plan's Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule of assets held for investment purposes, including investments at fair value, and participants notes receivable held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends, interest, and interest on participant notes receivable for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

5. **Related Party Transactions**

Certain plan investments are held by Fidelity. Fidelity is the trustee as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. However, they are not considered prohibited transactions in accordance with appropriate ERISA exceptions.

6. **Tax Status**

The Plan is utilizing a Pre-Approved Defined Contribution Plan document provided by its servicer and trustee, Fidelity Management Trust Company. The Plan reflects the implementation of the recent legislative changes in the regulations governing qualified tax-deferred arrangements via the IRS's Cycle 3 restatement. The restated Plan received an opinion letter issued by the IRS dated June 30, 2020.

6. Tax Status, continued

Although the Plan has been amended since receiving the opinion letter, the Plan's sponsor and administrator believe that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and accrued benefits, to the extent funded, or required to be funded, must be distributed to Plan participants.

8. Subsequent Events

The Plan's management has evaluated subsequent events through August 26, 2026, the date on which the financial statements were available to be issued and determined there were no events to disclose in these financial statements.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following information reconciles net assets available for benefits per the financial statements at December 31, 2025 and 2024 to schedule H of Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 69,993,920	\$ 57,568,188
Contributions receivable	(386,613)	(428,091)
Deemed distributions	<u>(937)</u>	<u>(937)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 69,606,370</u>	<u>\$ 57,139,160</u>

The following information reconciles net income per the financial statements at December 31, 2025 to schedule H of Form 5500:

Total change in net assets per the financial statements	\$ 12,425,732
Contributions receivable for 2024	428,091
Contributions receivable for 2025	<u>(386,613)</u>
Net income per Schedule H of Form 5500	<u>\$ 12,467,210</u>

9. Reconciliation of Financial Statements to Schedule H of Form 5500, continued

The Plan's financial statements are prepared on the accrual basis of accounting, whereas the Form 5500 is prepared on the cash basis. Accordingly, employer and participant contributions that are accrued in the financial statements at year-end but not yet received by the Plan custodian are not reported as assets or income on the Form 5500 until the year they are funded.

Deemed distributions are recorded on the Form 5500 when the participant defaults on the loan per tax regulations. Essentially, the participant is taxed as if the distribution was received, and a Form 1099-R issued. However, for financial statement purposes the loan is still considered an asset and remains in the Plan until a distributable event occurs. Once a distributable event occurs, the Plan will offset the loan against the distribution, and the loan will no longer be an asset on the financial statements.
