INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the
Educator Solutions 401(k) Plan
Stuart, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Educator Solutions 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Educator Solutions 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Educator Solutions 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Educator Solutions 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Educator Solutions 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Educator Solutions 401(k) Plan
Page Three

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Educator Solutions 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Educator Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EDUCATOR SOLUTIONS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of Educator Solutions 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2019. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) covering substantially all employees of ESI Technical Co. dba Educator Solutions Inc. (the Company and Plan Sponsor) who are age 18, have met the service requirement of one month of service, and are not union employees, nonresident aliens, highly compensated employees, residents of Puerto Rico, or employees in an excluded position. The Plan excludes employees in the following positions: Per diem employees and substitutes; Before and After Care Program Counselor; Community Engagement Coordinator; ESE Administrative Assistant; Jeweler; Licensed Mental Health Therapist; Lunchroom Monitor; Sales Associate; School Counselor I; Staff Accountant (effective through April 30, 2025); Student Discipline Coordinator; Substitute Operations Assistant; Data Specialist; Non-Exclusive Recruiter; and Executive Assistant (effective through April 30, 2025). Effective May 1, 2025, the Plan was amended to remove the Staff Accountant and Executive Assistant positions from the excluded positions list. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective November 6, 2024, the Company entered into an agreement with Voya Retirement Insurance and Annuity Company (VRIAC) for recordkeeping, third-party administration, and investment advisory services. The assets of the Plan were transferred from John Hancock Life Insurance Company (U.S.A.) (John Hancock) to VRIAC through transfers on December 26, 2024 and December 30, 2024. As of December 31, 2024, the Plan was in a blackout period, and the assets of the Plan were held in the Voya Government Money Market Fund A with VRIAC. On January 10, 2025, the blackout period ended, and the assets were invested according to participant elections or the qualified default investment alternative if no election was made.

Contributions

Participants may elect to contribute on a pre-tax basis or after-tax (Roth) basis up to the maximums allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Beginning January 1, 2025, participants who are between the ages of 60 and 63 are eligible to make super catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make flexible discretionary matching contributions to the Plan. For the year ended December 31, 2025, the Company elected to make discretionary matching contributions for certain employee groups each pay period. The match was between 3.00% and 3.50% of compensation for the year ended December 31, 2025. Participants direct the investment of their Company contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

EDUCATOR SOLUTIONS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company discretionary matching contributions, if any, and an allocation of Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, the Company discretionary matching contributions, if any, and actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. Participant loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. Hardship withdrawals are permitted by the Plan. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age 59 ½. Benefit payments are made in the form of lump sum distributions. Participants who terminate employment with a vested balance of less than \$7,000, but more than \$1,000, may receive an automatic rollover of their balance into an individual retirement account (IRA). Participants who terminate employment with a balance of less than \$1,000 may receive an automatic lump sum distribution of their balance.

Forfeited Accounts

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. Forfeitures may be used to pay Plan expenses or reduce future employer contributions. There was no forfeiture balance as of December 31, 2025 and 2024. No forfeitures were used during the year ended December 31, 2025.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

EDUCATOR SOLUTIONS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from Plan participants and the Company's discretionary matching contributions are recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for recordkeeping and third-party administration are included in administrative expenses and are allocated to participant accounts based on a pro rata formula. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE C – CERTIFIED INFORMATION

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by Voya Retirement Insurance and Annuity Company.

NOTE D - FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used to measure assets at fair value as of December 31, 2025 and 2024. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Pooled separate accounts: The pooled separate accounts are measured at their net asset value (NAV) per share of the underlying mutual fund held in the separate account daily. The fair value is readily determinable. There are no redemption restrictions. The redemption frequency is daily. There are no unfunded commitments.

EDUCATOR SOLUTIONS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Collective investments trusts: The collective investment trusts are measured at NAV based on the fair value of the underlying investments in which the trust is invested. The NAV is used as a practical expedient to estimate fair value. There are no redemption restrictions. The redemption frequency is daily. There are no unfunded commitments.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

<u>December 31, 2025</u>	<u>Level 2</u>	<u>Total</u>
Pooled separate accounts	\$ 117,873	\$ 117,873
Total assets in the fair value heirarchy	<u>\$ 117,873</u>	117,873
Investments measured at net asset value as a practical expedient:*		
Collective investment trusts		<u>2,967,841</u>
Investments, at fair value		<u>\$ 3,085,714</u>
 <u>December 31, 2024</u>	 <u>Level 2</u>	 <u>Total</u>
Pooled separate account	\$ 2,864,993	\$ 2,864,993
Total investments, at fair value	<u>\$ 2,864,993</u>	<u>\$ 2,864,993</u>

*The investments measured at NAV per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE F – TAX STATUS

The Plan adopted a non-standardized pre-approved defined contribution plan which obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan is designed in accordance with the applicable requirements of the IRC. While the Plan has been amended since receiving the opinion letter, the Plan sponsor believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

EDUCATOR SOLUTIONS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments held by the Plan were managed by VRIAC. VRIAC is also the third-party administrator and recordkeeper for the Plan and therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid to VRIAC have been included in administrative expenses.

IFG Advisory, LLC is the investment advisor for the Plan and, therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid to IFG Advisory, LLC have been included in net appreciation in fair value of investments.

Notes receivable from participants and related interest income also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – PLAN CORRECTIONS DUE TO OPERATIONAL FAILURE

During the 2023 audit, an operational failure was discovered related to the improper exclusion of certain eligible employees. The operational failure impacted the Plan years ended December 31, 2024, 2023, 2022, 2021, 2020, and 2019. As of December 31, 2024, the amount owed to the Plan to correct the operational failure totaled \$6,622, which is recorded as an other employer contribution receivable on the statement of net assets available for benefits. The corrective contribution was funded during the year ended December 31, 2025. All instances of the operational failure have been corrected in accordance with regulations.

NOTE J – DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit participant contributions and loan repayments to the Plan as soon as they can be reasonably segregated from the employer's general assets. The failure to remit participant contributions and loan repayments timely is a prohibited transaction. During the year ended December 31, 2025, the Company failed to remit participant contributions totaling \$95 timely. During the year ended December 31, 2024, the Company failed to remit participant contributions and loan repayments totaling \$1,683 timely. The Company corrected the delinquent participant contributions from the year ended December 31, 2024 during the year ended December 31, 2025. The Company corrected the delinquent participant contributions from the year ended December 31, 2025 in 2026.

NOTE K – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain amounts included on the Schedule H Part I and II on the Annual Return/Report of Employee Benefit Plans (Form 5500) have been grouped differently for purposes of presentation in the financial statements.
