INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
UCP Matched Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of UCP Matched Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UCP Matched Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Board of Directors of the
UCP Matched Savings Plan

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UCP Matched Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UCP Matched Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors of the
UCP Matched Savings Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UCP Matched Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UCP Matched Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Board of Directors of the
UCP Matched Savings Plan

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 1 PLAN DESCRIPTION

The following description of the United Cerebral Palsy (“UCP”/“Organization”) 403(b) Matched Savings Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Organization established the Plan to provide employees with a systematic means of saving and investing for the future. All permissible employees of the Organization, as defined in accordance with the universal availability standards are eligible to enroll on their date of hire. Deferrals begin on the first day of the month subsequent to enrollment. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year participants may elect to contribute a portion of their gross compensation through a salary reduction agreement, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. The Organization matches 50% of employee contributions up to 6% of their gross compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Organization’s matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Organization’s contributions into various investment contracts and annuity options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization’s matching contributions is based on years of continuous service. A participant’s interest in the contributions of the Organization becomes 100% vested after six years of service.

NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 1 PLAN DESCRIPTION (*Continued*)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 1% to 3%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid directly by the participant.

Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified or 403(b) plans.

Payment of Benefits

Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participants' vested account in a lump-sum.

Forfeitures

Plan forfeitures shall be held in a suspense account under the annuity contract and shall be applied to reduce future employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$19,290 and \$15,045, respectively. In 2025 and 2024, employer contributions were reduced by approximately \$17,000 and \$8,000, respectively.

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America, except for distributions paid to participants which are prepared on the cash basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurement.

The net appreciation in the fair value of investments includes realized and unrealized gains and losses on fair value of investments held by the Plan. Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to net assets available for plan benefits.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Income Tax Status

The Plan uses a prototype adoption agreement provided by VALIC and/or its affiliates. The Plan administrator believes the Plan is a qualified trust under Section 401 of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan trustee/custodian is in the process of obtaining a favorable tax determination letter from the Internal Revenue Service regarding the prototype adoption agreement and therefore believes it to be exempt from Federal income taxes under Section 501(a). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of December 31, 2025, with a few exceptions, the Plan is no longer subject to income tax examinations by the United States federal taxing authority for any tax years prior to 2022.

Note 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). However, no such action may deprive any participant or beneficiary under the Plan of any vested rights.

Note 4 RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 5 INFORMATION CERTIFIED BY THE PLAN CUSTODIAN (UNAUDITED)

At December 31, 2025 and 2024 the Plan's investments were held and administered by The Variable Annuity Life Insurance Company (VALIC). All investment information presented in the accompanying financial statements and supplemental schedules, including notes receivable, investments held and net appreciation/depreciation in fair value of investments and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the custodian listed above in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following presents investments that represent 5% or more of the Plan's net assets as of December 31:

	<u>2025</u>	<u>2024</u>
Insurance Company Annuities:		
Fixed Account Plus, at contract value	\$ 4,706,712	\$ 4,612,011
Short Term Fixed Accounts	\$ 1,133,375	\$ 895,790
Registered Investment Companies:		
Stock Index Fund	\$ 2,585,498	\$ 2,230,484
Vanguard Lifestrategy Growth	\$ 1,506,697	\$ 1,333,274

Investment income for the year ended December 31, 2025, as reported by the custodian is summarized as follows:

Interest income	\$ 140,515
Net appreciation in fair value of investments	<u>1,859,878</u>
Total investment income	\$ 2,000,393

Note 6 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with VALIC. VALIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by VALIC, represents contributions made under the contract, plus earning, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 6 INVESTMENT CONTRACT WITH INSURANCE COMPANY *(Continued)*

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was \$5,840,087 and \$5,507,801, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than the minimum guaranteed interest rate on the date the participant established his/her account. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with VALIC. Such events include the following: (a) amendments to the Plan documents, (b) changes to the plan's prohibition on completing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, (d) the failure of the custodian to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 7 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. FASB ASC Paragraph 820-10 for financial assets and liabilities establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the period presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices.

UCP MATCHED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2025

Note 7 FAIR VALUE MEASUREMENTS (Continued)

The following fair value hierarchy table presents information about each major category of the Plan financial assets measured at fair value on a recurring basis as of December 31:

	<u>Fair Value</u>	<u>Level 1</u>
December 31, 2025		
Mutual funds	\$ 14,149,108	\$ 14,149,108
	<u>\$ 14,149,108</u>	<u>\$ 14,149,108</u>
December 31, 2024		
Mutual funds	\$ 12,972,159	\$ 12,972,159
	<u>\$ 12,972,159</u>	<u>\$ 12,972,159</u>

Note 8 TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by VALIC Financial Advisors. VALIC Financial Advisors is an affiliate of the Variable Annuity Life Insurance Company (VALIC) the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fees paid to VALIC for the year ending December 31, 2025 were \$29,803.

As described in Note 2, the Plan made direct payments to the third-party administrator during the year ending December 31, 2025 in the amount of \$40,246 which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Note 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31,

Less: Employer's contributions receivable at 12/31/25	<u>(21,725)</u>
Employer's contributions per Schedule H of Form 5500	<u>\$ 431,653</u>
Participants' contributions per the financial statements	\$ 1,114,967
Plus: Participants' contributions receivable at 12/31/24	49,585
Less: Participants' contributions receivable at 12/31/25	<u>(54,500)</u>
Participants' contributions per Schedule H of Form 5500	<u>\$ 1,110,052</u>

Note 10 SUBSEQUENT EVENTS

For the year ended December 31, 2025, the Organization has evaluated subsequent events for potential recognition and disclosure through August 18, 2026, the date of financial statement issuance.
