# INDEPENDENT AUDITORS' REPORT

Trustee and Plan Administrator
Ruvilla Solutions, LLC Health & Welfare Plan
San Jose, California

## Report on the Financial Statements

### *Opinion*

We have audited the financial statements of Ruvilla Solutions, LLC Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of the Plan's benefit obligations of Ruvilla Solutions, LLC Health & Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and of changes in the Plan's benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Ruvilla Solutions, LLC Health & Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ruvilla Solutions, LLC Health & Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ruvilla Solutions, LLC Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ruvilla Solutions, LLC Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of asset (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1 DESCRIPTION OF PLAN

The following description of Ruvilla Solutions, LLC Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan and Trust were established on August 1, 2015 to provide health and other benefits to eligible employees of Ruvilla Solutions, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

### Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

### Contributions

The Company makes monthly contributions for participating employees covered under the Plan. For employees covered under contracts issued by Federal, State, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan’s net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents. The provision of benefits that are funded from contributions by the employee, other than for separated participants, is not readily available information supplied to the third party administrator and therefore, such employee contributions are included in Employer Contributions in the Statement of Changes in Net Assets Available for Benefits.

### Benefits

The Plan provides medical, dental, vision, life, accidental death and dismemberment benefits and prescription drug and employee assistance program coverage for eligible participants and their beneficiaries. The Plan provides vision, life, and accidental death and dismemberment benefits through various contracts with insurance companies. The Plan purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan. The Plan provides short-term disability through a self-insured arrangement. The Plan provides medical, dental, and prescription drug coverage benefits on both a level-funded basis and through contracts with insurance companies, depending upon participant classification. The Plan carries a stop-loss insurance policy which covers aggregate claims in excess of the funding factor as specified in the contract.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### Concentration of Credit Risk

The Plan's cash balances are held at four financial institutions located in California. Accounts at these institutions are insured by a government agency up to $250,000. At times the balance in these accounts may exceed the insured limit.

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

### Contributions Receivable

Employer contributions due but not paid at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2025 and 2024.

### Prepaid Contributions

Employer contributions paid but not yet obligated at year end are recorded as Prepaid Contributions. The Plan sponsor may use the pre-funding upon Plan termination or may choose to use the balance to offset required funding.

### Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying Statement of Changes in Net Assets Available for Benefits. Benefits are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as Benefit Claims Payable and Incurred, But Not Reported to claims administrators in the accompanying Statements of Plan's Benefit Obligations.

### Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2025 and 2024, but paid by the Plan after year end.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2025 and 2024, but reported to and paid by the Plan after year end. The estimates were calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data.

### Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2025, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, accounting fees, and other miscellaneous expenses.

### Health Reimbursement Arrangement

The Plan has a health reimbursement arrangement (HRA) that was funded solely through Company contributions. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer. Included in the accompanying statements of net assets are amounts available to reimburse participants for qualifying medical expenses as of December 31, 2025 and 2024, totaling approximately $93,600 and $47,250, respectively.

### Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan had no investment income during the Plan year ended December 31, 2025.

### Subsequent Events

The Plan has evaluated subsequent events through August 24, 2026, the date the financial statements were available to be issued.

## NOTE 3 FAIR VALUE MEASUREMENT OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

*Money Market Funds*: Valued at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Money Market Fund | $ 541,562 | $ - | $ - | $ 541,562 |

| | 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Money Market Fund | $ 524,529 | $ - | $ - | $ 524,529 |

## NOTE 4 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 5 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Management or Plan Administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan’s participants.

## NOTE 6 RE-INSURANCE LOSS COVERAGE

The Plan has entered into an excess loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The Plan maintained an insurance policy with Fidelity Security Life Insurance Companay during the years ended December 31, 2025 and 2024. The policy provides reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is no limit on the maximum eligible claim expense per covered person under the policy. The insurance company is responsible for paying claims incurred in excess of the funding factor account balance, which was $299,084 and $218,834 as of December 31, 2025 and 2024, respectively.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants from Plan assets and the Plan is subsequently reimbursed by the insurance company if the funding factor is exceeded. During the year ended December 31, 2025, there were $0 of stop loss recoveries netted against medical and other benefit claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits. There are no reimbursements due from the insurance company as of December 31, 2025 and 2024.

## NOTE 7 RISKS AND UNCERTAINTIES

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. The liability recorded is the Plan's maximum exposure to the claims incurred but not reported. Should the Plan's claims be lower than the amount deposited into the funding factor account, the Plan may be entitled to the residual balance in the funding factor account. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
