August 20, 2026

To the Benefits Committee of the
Pierson Ferdinand LLP 401k Plan:

Thank you for using Bonadio & Co., LLP as your independent auditor.

We have completed an Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) audit, pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA of the financial statements of Pierson Ferdinand LLP 401(k) Plan (the Plan) as of and for the year ended December 31, 2025, and have issued our report thereon dated August 20, 2026. This letter presents communications required by our professional standards.

Our Responsibility under Auditing Standards Generally Accepted in the United States of America

As communicated in our engagement letter dated April 27, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Other than for the certified investment information, the financial statements and supplemental schedule were audited by us in accordance with GAAS and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Significant Findings

Qualitative Aspect of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year ended December 31, 2025.

We noted no transactions entered into by the Plan during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. In addition, we did not identify any significant findings or issues during the audit in connection with the Plan's related parties.

Significant Audit Findings (Continued)

Qualitative Aspects of Accounting Practices (Continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Management's estimate of the fair value of the Plan's investments in Money Market Funds and Mutual Funds, is based on quoted market values. We evaluated the key factors and assumptions management used to develop the fair value estimates pertaining to those investments and determined that such estimates and assumptions are reasonable.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions Identified During the Audit

We identified no significant unusual transactions during the audit.

Difficult, Contentious or Other Matters Encountered During the Audit

We encountered no difficult, contentious, or other matters for which we consulted outside the engagement team that were, in our professional judgment, significant and relevant to those charged with governance regarding the responsibility to oversee the financial reporting process.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No such misstatements have been identified.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

We consider the following deficiencies in the Plan's internal control to be a significant deficiency and a reportable finding:

- Failure to review SOC reports: Reviewing SOC (System and Organization Controls) reports is a critical part of the audit process, as these reports provide assurance over the internal controls of third-party service providers. Since many organizations rely on outsourced systems for key financial and operational functions, understanding the design and effectiveness of these controls is essential to evaluating risks that could impact financial reporting. A thorough review of SOC reports helps identify potential gaps, user-entity responsibilities, and complementary controls that management must implement, ensuring that reliance on service providers does not compromise the organization's overall control environment.

We noted during the walkthrough process, there was a failure to review SOC reports of the service organizations used by the Plan.

We recommend establishing a process to obtain and review SOC reports for all service providers in relation to the Plan.

- **Timeliness of contribution remittances:** The Department of Labor has stressed the importance of timely remittance of participant contributions to 401(k) plans. Employee contributions withheld by an employer must be submitted to the plan "as of the earliest date on which such contributions can reasonably be segregated from the employer's general assets." The Department of Labor has issued an advisory opinion that applies the same remittance guidelines to participant loan repayments withheld or collected by the employer. When auditing this issue, the Department of Labor has tried to establish a pattern of the earliest date when the employer can segregate employee contributions. At times the DOL has compared remitting employee contributions to remitting federal income tax and FICA withholdings. If an employer normally remits FIT or FICA withholdings within three to four days of paying payroll, a similar amount of time should be necessary to segregate employee contributions and loan repayments and remit them. The DOL will fine Companies they audit for these inconsistencies, by requiring them to pay lost earnings on those contributions and by paying an excise tax to the IRS.

We noted as part of our testing, for multiple pay periods throughout 2025, remittances of withheld deferral amounts were not submitted in line with the Plan Sponsors established time frame of 4 to 7 business days. These remittances were reported in a schedule of delinquent participant contributions attached to the financial statement.

We recommend revisiting your payroll policies and processes to determine if you should make any changes to prevent late remittances from occurring.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors' report. We are pleased to report no such disagreements arose over the course of the audit.

Circumstance Affecting the Form and Content of the Auditor's Report

We encountered no circumstances that affect the form and content of the auditor's report.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the Plan's financial statements, or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Management Representations

We have requested certain representations from management that are included in the management representation letter. This letter has been provided to you.

Form 5500

In performing our audit, in accordance with GAAS, we are responsible for obtaining and reading the draft Form 5500 in order to identify material inconsistencies, if any, with the audited ERISA plan financial statements. During our audit we obtained and read the draft Form 5500 from management and did not identify any material inconsistencies.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Benefits Committee and management of the Pierson Ferdinand LLP 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
