INDEPENDENT AUDITORS' REPORT

**To the Trustees of
Blood Assurance, Inc.
401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Blood Assurance, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Blood Assurance, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Blood Assurance, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Blood Assurance, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Blood Assurance, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Blood Assurance, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLOOD ASSURANCE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

(1) DESCRIPTION OF PLAN

The following description of the Blood Assurance, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Blood Assurance, Inc. (the Company) who have one year of service, are age twenty-one or older and have 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees oversee governance of the Plan. The Plan was established on January 1, 2001.

Effective April 24, 2025, the Plan was transitioned from Nationwide Trust Company to Transamerica Life Insurance Company (TLIC).

Contributions

Each year, participants may contribute up to the maximum amount allowed by law, including catch-up contributions if eligible, of pretax annual compensation, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 100 percent of the first 3 percent, then 50 percent of the next 2 percent of compensation that a participant contributes to the Plan. Additional amounts may be contributed at the option of the Company's Board of Directors.

Participant accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are immediately vested in the Company's safe harbor matching contributions. Vesting in any nonelective profit sharing contribution portions of participant accounts is based on years of continuous service. Participants are vested 25 percent in account balances after two years of service and an additional 25 percent for each succeeding year. An employee is 100 percent vested after five years of service.

Payment of benefits

Upon disability, retirement, termination of service, or death, a participant or beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$3,883 and \$3,386, respectively. These accounts will be used to reduce future employer contributions and plan expenses. Forfeited accounts were used to reduce administrative expenses by \$532 and \$0 in 2025 and 2024, respectively.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value except for Transamerica Stable Value Ascend Option, which is presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of withdrawals and certain advisory services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of benefits

Benefits are recorded when paid.

(3) CERTIFIED INVESTMENTS AND INVESTMENT INCOME

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. For the year ended December 31, 2025, the Plan's financial statements and supplemental schedule that were prepared by, or derived from information provided by Nationwide Trust Company, as of December 31, 2024 and for the period from January 1, 2025 through April 23, 2025 and from Transamerica Life Insurance Company (TLIC) as of December 31, 2025. Accordingly, Nationwide Trust Company as of December 31, 2024 and for the period from January 1, 2025 through April 23, 2025 and Transamerica Life Insurance Company (TLIC) as of December 31, 2025 and for the period from April 24, 2025 through December 31, 2025, held the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the custodians that such information is complete and accurate.

<u>December 31,</u>	<u>2025</u>	<u>2024</u>

 <u>December 31, 2025</u>		
Net appreciation in fair value of investments	\$ 836,815	
Dividends and interest income from investments	\$ 26,753	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) FAIR VALUE MEASUREMENT

Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs used to measure fair value. Level 1 inputs are unadjusted quoted prices in active markets for identical assets. Level 2 inputs are observable inputs other than Level 1 quoted prices, including quoted prices for similar assets or other market-corroborated inputs. Level 3 inputs are unobservable inputs. The classification of a fair value measurement within the hierarchy is based on the lowest-level input that is significant to the measurement.

The following valuation methods were used for investments measured at fair value:

Mutual funds – Mutual funds were valued at the daily closing net asset value reported by the fund. The mutual funds were registered with the Securities and Exchange Commission, published daily net asset values, and transacted at those values. Accordingly, the mutual funds were classified as Level 1 investments.

Common collective trust funds – Common collective trust funds held at December 31, 2025, were valued at the net asset value of units held by the Plan, as determined by the trustee. The net asset value is based on the fair value of the underlying investments held by each trust, less its liabilities. The Plan uses net asset value as a practical expedient to estimate fair value. Accordingly, these investments have not been classified within the fair value hierarchy.

Stable value fund –Valued at fair value, which approximates the value as reported by the custodian, based on the beginning balance plus deposits and credited interest, less any withdrawals, charges, or expenses.

The Plan may redeem its investments in the common collective trust funds daily without advance notice. There are no other redemption restrictions or unfunded commitments related to these investments.

(4) FAIR VALUE MEASUREMENTS (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

<u>December 31, 2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 1,488,714	\$ -	\$ -	\$ 1,488,714
Stable value fund	-	27,485	-	27,485
	<u>\$ 1,488,714</u>	<u>\$ 27,485</u>	<u>\$ -</u>	
Common collective trust funds measured using net asset value (a)				<u>7,648,166</u>
Total investments at fair value				<u>\$ 9,164,365</u>
 <u>December 31, 2024</u>	 <u>Level 1</u>	 <u>Level 2</u>	 <u>Level 3</u>	 <u>Total</u>
Mutual funds	\$ 7,913,402	\$ -	\$ -	\$ 7,913,402

- (a) Investments measured using net asset value as a practical expedient have not been classified within the fair value hierarchy. The amount is presented to reconcile investments within the fair value hierarchy to investments reported at fair value in the statements of net assets available for benefits.

Net appreciation or depreciation in fair value includes realized gains and losses on investments sold during the year and unrealized appreciation or depreciation on investments held at year-end. Net appreciation or depreciation is reported in the statement of changes in net assets available for benefits.

Reclassification of Prior-Year Fair Value Classification

In the Plan's previously issued 2024 financial statements, mutual funds totaling \$7,913,402 were classified as Level 2 investments within the fair value hierarchy. Because the mutual funds were valued using unadjusted published net asset values in active markets, they should have been classified as Level 1 investments. The 2024 fair value hierarchy disclosure has been reclassified to conform to the current year presentation. The reclassification had no effect on total investments, net assets available for benefits, or the change in net assets available for benefits.

(5) PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are held in shares of mutual funds held by Nationwide Trust Company, FSB, the custodian as defined by the Plan for the year ended December 31, 2024 and for the period from January 1, 2025 through April 23, 2025 and certain plan investments are held in shares of common collective trusts and a stable value fund held by TLIC from the period April 24, 2025 through December 31, 2025. These transactions qualify as party-in-interest transactions. BLOOD ASSURANCE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

(6) INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 1, 2021, that the plan is qualified, under the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified as of the financial statement date. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(7) RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through August 7, 2026, the date which these financial statements were available to be issued.
