INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Participants
Legendary SVS, LLC 401(k) Plan
Destin, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Legendary SVS, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Legendary SVS, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the 2025 Audit of the Financial Statements section—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Legendary SVS, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legendary SVS, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Legendary SVS, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about of Legendary SVS, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. **LEGENDARY SVS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Note 1 - Description of Plan

The following description of the Legendary SVS, LLC (Sponsor) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers qualifying employees of Legendary SVS, LLC (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Consolidated Appropriations Act of 2023 was signed into law on December 29, 2022, which includes the Setting Every Community Up for Retirement Enhancement Act 2.0 ("SECURE Act"). The SECURE Act contains over 90 new provisions related to retirement, with varying effective dates through 2027. As these provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions became effective in 2024 and thereafter. Implementation of the SECURE Act had no material impact on the Plan for these financial statements.

Eligibility

An employee is eligible to defer a portion of their salary and receive employer matching and nonelective contributions after one year of service and attainment of age 21. Entry dates are the first day of the month coinciding with or next following the date requirements are met.

Contributions

Eligible employees may elect to contribute a maximum of 90 percent of compensation to the plan, subject to annual deferral limits imposed by the tax code. Employees may make contributions in the form of pre-tax deferrals and Roth deferrals. An individual who has reached the age of 50, may defer an additional "catch-up" contribution; beginning in 2025, an individual who attains age 60 to 63 during the taxable year are eligible for a higher catch-up contribution limit under the SECURE Act. The Plan provides for an automatic participant deferral equal to three percent of compensation for new participants eligible after January 1, 2025, unless the participant makes an affirmative election. The automatic participant deferral was equal to one percent prior to the 2025 amendment. Beginning January 1, 2025, a participant's automatic deferral percentage is increased by one percent on the first day of each subsequent Plan Year, until it reaches ten percent. The employer matching contribution equals 100 percent of elective deferrals up to three percent of compensation, plus 50 percent of elective deferrals in excess of three percent of compensation up to five percent of compensation. Additionally, the Plan also allows for employer nonelective contributions at the discretion of the Plan Sponsor; however, none were approved for 2025 or 2024.

Note 1 – Description of Plan – Continued

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Participants have the ability to direct the investment of their account through a choice of investments offered by ADP Retirement Trust Services, LLC. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always fully vested in their deferral contributions. Vesting is based on years of service, as defined by the Plan. Employer contributions to a participant's account do not fully vest until the completion of six years of service as follows:

Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. Loans are secured by the balance in the participant's account and bear interest at a rate of 5.25 - 10.50 percent for the years ended December 31, 2025 and 2024. Principal and interest is paid ratably through payroll deductions. Participants are limited to two loans outstanding at any time.

Payment of Benefits

A participant's account becomes fully vested upon the participant's death, permanent and total disability, or attaining normal retirement age. Upon the participant's termination, death, total disability or retirement, the vested benefits allocated to the participant's account will be paid in partial or lump sum payment. Further, the Plan Administrator may permit a participant who experiences a qualified hardship, as defined, or a participant who has attained age 59 ½ to receive a distribution of a portion of the participant's vested account balance. Distributions are subject to the applicable provisions of the Plan document.

Note 1 – Description of Plan – Continued

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are used to offset the Plan's administrative expenses or the Employer's matching contribution. Forfeitures of \$13,853 were used to offset the Employer's matching contribution during 2025, and no forfeitures were used in 2024. As of December 31, 2025 and 2024, the balance of the forfeitures account was \$47,032 and \$54,668, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. Investments held by a defined contribution plan are required to be reported at fair value.

Financial Statement Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions are reported in the year services are rendered to the Employer by Plan participants.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The loans are secured by the balance in the participant's account and bear interest rates which are commensurate with prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value.

**LEGENDARY SVS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Note 2 - Summary of Significant Accounting Policies – Continued

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. All investments in the plan are participant directed. Net appreciation or depreciation consists of the realized gains or losses on investments sold during the year and the unrealized gains or losses on investments held at year end.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Employer, as provided by the plan document. Expenses paid directly by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the administration of the Plan, including fees related to the administration of benefit payments and notes receivable from participants, are charged directly to participants' accounts and are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, investment-related expenses are included in the net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Date of Management's Review and Subsequent Events

Management has evaluated subsequent events through July 30, 2026, which is the date the financial statements were available to be issued, and concluded that no events or transactions occurred during that period that would require recognition or disclosure in the financial statements.

Note 3 - Information Prepared and Certified by Custodians

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC has certified that the following data included in the accompanying financial statements and supplemental schedule are

**LEGENDARY SVS, LLC 401(K) PLAN

complete and accurate with respect to investments as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

- Investments at fair value
- Balances of notes receivable from participants and related activity
- Interest and dividends
- Net appreciation / depreciation in fair value of investments
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value Measurements

FASB ASC Section 820 - *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset, including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**LEGENDARY SVS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Note 4 - Fair Value Measurements – Continued

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV) per share reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts (CCT): Valued at the net asset value (NAV) per share, used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the investment less its liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value measurements of investments recognized in the accompanying statement of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

December 31, 2025	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3

		Level 1	Level 2	Level 3

Total investments at fair value	<u>\$ 4,054,121</u>			

**LEGENDARY SVS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Note 4 - Fair Value Measurements – Continued

- (a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. There are no unfunded commitments for these investments, they are valued daily, and there are no redemption restrictions.

Note 5 - Plan Termination

Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue at any time and terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, or the Employer permanently discontinues contributions, the amounts then credited to the accounts of participating employees become fully vested, although the time for distribution may be deferred.

Note 6 - Plan Tax Status

The Plan has adopted a defined contribution pre-approved plan document for which the Internal Revenue Service issued an opinion letter dated October 6, 2020, stating that the form of the Plan was designed in accordance with the applicable provisions of the Internal Revenue Code. Although the Plan has been amended since receipt of the opinion letter, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan follows accounting standards relating to uncertainty in income tax positions. The Plan Administrator evaluated whether any uncertain tax positions existed that could give rise to income tax liabilities and determined that no such matters required recognition in the accompanying financial statements.
