Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan
Kennett Square, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying 2025 and 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Item 4(i) Schedule of Assets (Held at Year End) at December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

Supplemental Schedules Required by ERISA (Continued)

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KAOLIN MUSHROOM FARMS, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of Kaolin Mushroom Farms, Inc. (The Company), who have six-months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to one hundred percent of pre-tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other defined benefit or contribution plans. The Company matches 100 percent of the first one percent and fifty percent of the next six percent of an employee's gross compensation, based on the percentage contributed by the employee. Additional amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain legal limitations.

Participant Accounts. Each participant's account is credited with the a) participant's contribution, b) the company's contribution, c) plan earnings, and d) forfeitures, as described hereinafter. Each account is charged with an allocation of administrative expenses. Allocations are based on participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting. Participants are immediately vested in their contributions and the Company's special contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is one hundred percent vested after six years of credited service.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. In certain instances, a terminated participant may elect to remain in the plan.

Forfeited Accounts. Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are allocated among eligible participants, except for portions of forfeitures used to reduce the Company's contribution to the Plan. For the years ended December 31, 2025 and 2024, the Company had a forfeiture balance of \$10,967 and \$4,378, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Pension Benefit Guaranty Corporation. Benefits provided by the Plan are not insured by the Pension Benefit Guaranty Corporation (PBGC) since insurance provisions under ERISA are not applicable to the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may take in the future, they may ultimately differ from actual results. Accounting measurements most affected by management's estimates of future events include the determination of fair value of investments, the realization of contributions receivable, if any, and accrued interest and dividends. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the financial statements in the period determined.

Management does not believe that any of its estimates involve assumptions that are highly uncertain or that different reasonable estimates, or changes in accounting estimates that are reasonably likely to occur, would have a material impact on the financial statements. To the extent there are material differences between management's estimates and actual results, future results of operations will be affected.

Investment Valuation and Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments which consist of the realized gains and losses and the changes in unrealized appreciation on those investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE D - FAIR VALUE MEASUREMENTS

ASC 820, “*Fair Value Measurements and Disclosures*” establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The asset or liability’s fair value measurements level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs

KAOLIN MUSHROOM FARMS, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end and are classified within Level 1 of the fair value hierarchy.

Common/ Collective Trust Funds: Common/collective trust funds are valued at the net asset value of units held by the Plan. In accordance with ASC 820, investments measured at NAV as a practical expedient are not categorized within the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

The valuation methodologies used for assets measured at fair value may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

KAOLIN MUSHROOM FARMS, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS

The Internal Revenue Service has determined that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although there are certain amendments applicable to the Kaolin Mushroom Farms, Inc. 401(k) Retirement Plan, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has reviewed its current and past income tax positions and has determined, based on clear and unambiguous tax law and regulations, that any tax positions taken are certain and that it is unlikely that a material tax assessment would be made if the respective government agency examined tax returns subject to audit. Accordingly, no provision for the effects of uncertain tax positions has been recorded.

The plan administrator believes it is no longer subject to federal tax examinations for periods before December 31, 2022.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2025, and 2024, Empower Trust Company qualifies as a party in interest service provider.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

NOTE H - BENEFIT OBLIGATIONS

Included in net assets available for benefits are amounts allocated to individuals who are no longer participating in the plan but who have not been paid. Plan assets allocated to these participants at December 31, 2025 and 2024, amounted to \$4,547,738 and \$1,872,724 respectively.

KAOLIN MUSHROOM FARMS, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE I - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan Administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Trust Company, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental Schedule H, line 4(i) – Schedule of Assets (Held at End of Year):

	2025	2024
Value of interest in registered Investment Companies	\$ 21,423,303	\$ 17,159,746
Value of interest in registered Common/ Collective Trusts	1,066,524	983,247
Total investments	<u>\$ 22,489,827</u>	<u>\$ 18,142,993</u>

Empower Trust Company also certified to the completeness and accuracy of \$3,080,476 and \$2,361,089 of investment income for the years ended December 31, 2025 and 2024, respectively.

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities, will occur in the near term and that such change could materially affect participants' account balances.

Investment options accounting for more than 10% of the Plan's total net assets available for benefits for the years ended December 31, 2025 and 2024 are as follows:

	2025		2024	
Vanguard Institutional Target Retirement 2030	\$ 2,988,736	13.29%	\$ 2,422,827	13.35%

NOTE K - PROHIBITED TRANSACTIONS

During the years ended December 31, 2025 and 2024, there were no prohibited transactions.

NOTE L - SECURE ACT 2.0

SECURE Act 2.0. The SECURE Act 2.0, also known as the Setting Every Community Up for Retirement Enhancement Act 2.0, was enacted into law on December 29, 2022, and is aimed at improving retirement savings opportunities for individuals. The provisions of the law are expected to have a profound impact on nearly every aspect of retirement plan administration.

Section 101 of the SECURE Act 2.0 requires 401(k) plans to automatically enroll participants into the Plan upon reaching eligibility unless the employee opts-out, at a rate of at least 3 but no more than 10 percent, unless the employer has less than 10 employees, is a new business in operation for less than three years or is a church or governmental plan. However, all current 401(k) Plans are grandfathered in from this requirement.

Under the SECURE Act 2.0, starting in 2024, if the taxpayer has income of at least \$145,000 for the year, a catch-up contribution must be treated as a Roth contribution. That means these funds are contributed with after-tax dollars, so they will not reduce current taxable income, but can be withdrawn tax-free in the future. The \$145,000 income threshold will also be indexed for inflation in future years.

Starting in 2025, a new special catch-up contribution is permitted for taxpayers who are between ages 60 and 63. That contribution limit will be equal to the greater of (1) \$10,000 or (2) 150% of the standard catch-up contribution limit for 2024. The \$10,000 limit will also be indexed for inflation. Once the taxpayer reaches age 64, the regular (lower) catch-up contribution limit applies.

The SECURE Act 2.0 increases the age thresholds for required minimum distributions (RMD's) from age 72 to age 73 as of January 1, 2023. It additionally increases the age threshold to age 75 as of January 1, 2033.

Furthermore, the legislation includes provisions aimed at expanding access to retirement savings plans for part-time employees. It seeks to make it easier for these individuals to participate in employer-sponsored plans, thus promoting greater retirement preparedness among a broader range of workers.

Further provisions of the SECURE ACT 2.0 will begin coming online in future plan years and their impact to the operation of 401(k) plans may be affected by future legislation.
