INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
The Delaney Hardware Co. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Delaney Hardware Co. 401(k) Savings Plan (formerly Sargent & Greenleaf Retirement Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate on the financial statements.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

1. DESCRIPTION OF PLAN

The following brief description of the Delaney Hardware Co. 401(k) Savings Plan (formerly Sargent & Greenleaf Retirement Plan) (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's information.

Due to Sargent and Greenleaf, Inc.'s decision to divest Delaney Hardware, effective October 31, 2025, the Plan was amended to change the name to Delaney Hardware Co. 401(k) Savings Plan and change the plan sponsor from Sargent and Greenleaf Inc. to The Delaney Hardware Co. (the Sponsor or the Company).

General

The Plan is a defined contribution, profit-sharing plan covering eligible employees of the Sponsor who have reached 18 years of age and chose to participate in the Plan. Employees may register with the Plan as an active participant on the first day of the month on or after they become an eligible employee by filing an elective deferral agreement. Employees are eligible under the Plan unless they meet any of the following exclusions:

- A nonresident alien with no U.S. income, or all such income is exempt from U.S. income tax;
- A leased employee; or
- Considered an independent contractor who is later determined by the Internal Revenue Service (IRS) to be an employee of the Company.

Participants direct the investment of their accounts into various investment options offered by the Plan. Participants may modify or terminate an elective deferral agreement by filing a new elective deferral agreement which shall remain in effect until modified or terminated by the participant.

Plan Administration

Delaware Charter Guarantee and Trust Company, d/b/a Principal Trust Company (the Trustee) serves as the Trustee, and Principal Life Insurance Company Retirement Plan Processing Center (the recordkeeper) is the recordkeeper for the Plan.

Contributions

Each year, participants may make elective salary deferral contributions subject to IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions subject to IRS limitations. The Plan will accept eligible rollover contributions on behalf of the participant from qualified plans. Participants may designate a portion or all of their contributions as Roth after-tax contributions. The Plan provides an automatic enrollment contribution arrangement, all employees who have satisfied the eligibility requirements of the Plan will be automatically enrolled at a 6% salary deferral rate. The automatic contribution percentages will increase each year at 1% per year with a maximum of 10%. The Plan also allows for Roth after-tax participant contributions and Sponsor true-up employer contributions.

The Plan has adopted a safe harbor matching provision formula whereby the Sponsor will contribute 100% of the first 3% of a participant's deferrals and 50% of the next 2% of a participant's

deferrals. At its discretion, the Sponsor may also make a qualified nonelective contribution to the Plan. The Sponsor did not elect to make a qualified nonelective contribution for the 2025 Plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Sponsor contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Loans to a participant are permitted under the Plan. The number of loans approved for a participant in any 12-month period shall be limited to one, and the number of outstanding loans for a participant shall be limited to one. The minimum amount of any loan is \$1,000, and the maximum is determined by the lesser of: 1) 50% of the participant's vested account, reduced by any outstanding loan balance; or 2) \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. The term of the loan shall be limited to five years. The participant's account will provide the security for the loan. The interest rate will be based on the rates available for similar loans from commercial lending institutions and will be described, along with the amount of the loan and any processing fees or late charges, in the promissory note signed by the participant upon being granted a loan.

Vesting

Participants are fully (100%) and immediately vested in their 401(k) salary deferral, safe harbor matching contributions, rollovers and any investment earnings on these amounts.

Payment of Benefits

Withdrawal payments are made in the form of partial, periodic or lump-sum payments upon termination, disability, minimum required, death or retirement. In addition, the Plan allows for hardship distributions if certain criteria are met. Active participants may also take distributions from the Plan upon attainment of age 59½.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(FORMERLY SARGENT & GREENLEAF RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the stable value fund which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Expenses relating to specific participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment returns and included in net appreciation in fair value of investments.

Subsequent Events

Effective April 24, 2026, the Sponsor elected to terminate the Plan. Management has evaluated events through August 24, 2026, which is the date that the financial statements were available to be issued, and has determined there are no additional subsequent events that require disclosure under Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 855, *Subsequent Events*.

3. INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee of the Plan.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB, ASC 820, *Fair Value Measurement*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

Mutual funds: Valued daily at the closing price reported on the active market on which the funds are traded.

Common collective trust (CCT) funds: Valued at the net asset value (NAV) of units of the collective fund as provided by the trustee of the fund. The NAV is based on fair value of the underlying investments held by the fund, less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

(FORMERLY SARGENT & GREENLEAF RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2025 and 2024:

Fair Value Measurements as of December 31, 2025		
	Level 1	Total
Investments, at fair value		
Mutual funds	\$ 1,849,217	\$ 1,849,217
Total investments within fair value hierarchy	<u>\$ 1,849,217</u>	
Investments valued at NAV ^{(a)(b)}		
CCTs		5,558,246
Investments, at fair value		<u>\$ 7,407,463</u>
Fair Value Measurements as of December 31, 2024		
	Level 1	Total
Investments, at fair value		
Mutual funds	\$ 1,262,782	\$ 1,262,782
Total investments within fair value hierarchy	<u>\$ 1,262,782</u>	1,262,782
Investments valued at NAV ^{(a)(b)}		
CCTs		4,821,133
Investments, at fair value		<u>\$ 6,083,915</u>

^(a) In accordance with FASB ASC Topic 820, certain investments that were measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

^(b) Measured using the NAV per unit (or its equivalent) as a practical expedient and held in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity.

The following table summarizes investments for which fair value is measured using the NAV per unit practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2025	Fair Value at December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
CCT funds	\$ 5,558,246	\$ 4,821,133	None	Daily	None

The Plan recognizes transfers between the levels as of the actual date of the event or change in circumstances that caused the transfer. There were no transfers between the levels for the years ended December 31, 2025 and 2024.

(FORMERLY SARGENT & GREENLEAF RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan holds units of collective trust funds managed by the Trustee or an affiliate of the Trustee. These transactions qualify as party-in-interest transactions. The Plan paid the recordkeeper administrative expenses of \$31,073 for the year ended December 31, 2025.

The Plan also held notes receivable from participants which constitute party-in-interest transactions.

6. PLAN TERMINATION

In connection with Sargent and Greenleaf, Inc.'s decision to divest Delaney Hardware, effective October 31, 2025, a significant number of participants were severed from employment during the Plan year. As a result, the Plan experienced a partial termination within the meaning of Internal Revenue Code Section 411(d)(3) during the year ended December 31, 2025. In accordance with the requirements of the Code, all participants affected by the partial termination became 100% vested in their account balances as of the date of the partial termination, regardless of their years of credited service. There was no financial statement effect from the partial termination because all affected participants were already fully vested under the Plan's vesting provisions. Subsequent to year end, the Sponsor elected to terminate the Plan in full, effective April 24, 2026 (see Note Y – Plan Termination and Subsequent Events).

7. TAX STATUS

The Sponsor adopted a prototype plan document sponsored by the recordkeeper which received an opinion letter from the IRS dated June 30, 2020, indicating that the prototype document is designed in accordance with applicable sections of the Internal Revenue Code (IRC); and therefore is tax-exempt. The Plan itself has not received a determination letter from the IRS. However, the Sponsor believes that the Plan is designed and currently operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2025 and 2024, and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could

materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to the form 5500.

	<u>2025</u>	<u>2024</u>

The following is a reconciliation of the net increase per the financial statements for the year ended December 31, 2025, to net income per the Form 5500:

Net increase in net assets available for benefits per financial statements	\$ 1,347,440
Add: prior year adjustment to contract value for the stable value fund	2,156
Less: current year adjustment to contract value for the stable value fund	<u>(1,550)</u>
