Independent Auditor's Report

To the Participants and Plan Administrator of
East & Westbrook Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of East & Westbrook Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2025 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended September 30, 2025, and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters, continued

Auditor's Report on the 2024 Financial Statements

The financial statements of the Plan as of December 31, 2024 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 14, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EAST & WESTBROOK RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the East & Westbrook Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as well as applicable sections of the Internal Revenue Code (IRC). The Plan became effective October 1, 2017 and was amended effective March 31, 2023. The Plan covers all eligible employees of East & Westbrook Construction Company, Inc. (the Employer, Plan Sponsor, and Plan Administrator) who have met the eligibility requirements.

Eligibility

Employees are eligible to participate in the Plan once they have attained the age of eighteen. The entry date into the Plan is the immediate day the employee becomes eligible. At that time, participants can begin deferring compensation into the Plan and are eligible for employer safe harbor non-elective contributions. Participants become eligible for discretionary profit-sharing contributions after attaining 1,000 service hours during the Plan year, and are required to be employed on the final day of the Plan year.

Contributions

Participants may elect to contribute a percentage of their annual compensation to their individual accounts on a pre-tax basis or on a Roth after-tax basis, not to exceed the annual maximum limit established by the Internal Revenue Service (IRS). The Plan is subject to a safe harbor non-elective provision which requires the Plan Sponsor to contribute 100% of each participant's contribution up to 4% of the participant's eligible compensation as defined by the Plan's adoption agreement. The Plan Sponsor may also make an annual discretionary profit-sharing contribution at a rate determined by Plan management. There were no discretionary profit-sharing contributions for the year ended September 30, 2025. The Plan also permits rollover contributions from other qualified plans.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's pre-tax contribution, Roth contributions, rollover contributions, the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. Allocations of participant earnings and certain administrative expenses are based on the value of each participant's account balance compared to the total value of all participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EAST & WESTBROOK RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Participants may have one loan outstanding at any time. Loan terms may not exceed 60 months unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account. Each loan shall bear interest at 1% over the prime interest rate available at the loan issuance date. Principal and interest are paid ratably through payroll deductions and payments are due at least quarterly.

Vesting

Participants are vested immediately in their contributions and employer safe harbor non-elective contributions plus actual earnings thereon. Vesting in the Sponsor's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of credited service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, participants become 100% vested upon termination of service due to death, disability, the attainment of normal retirement age or the plan's termination as defined in the Plan adoption agreement.

Payment of Benefits

On termination of service due to death, disability, retirement, plan termination, or other reasons, a participant or their beneficiaries may elect to receive either a lump sum distribution, installments over a period of time, or a direct rollover to another qualified plan equal to the value of the participant's vested account. If a participant has more than \$5,000 in their account upon termination, they must consent to a distribution. If a participant has less than \$5,000 in their account upon termination, they will receive a lump sum distribution. Participants can elect to take a distribution in the event of certain hardships as defined by the Plan adoption agreement.

EAST & WESTBROOK RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Forfeited Accounts

Forfeitures can be used to offset the Plan Sponsor's contributions or pay Plan expenses. As of September 30, 2025 and 2024, there were no forfeited nonvested accounts. During 2025, no forfeited balances were used to offset the Plan Sponsor's contributions nor pay Plan expenses.

Revenue Credit Program

The Plan provides for a revenue credit program in connection with revenue sharing with certain investment managers. The amounts may be used to pay Plan expenses or allocated to eligible participant accounts.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Administrative expenses are charged to each participant's account when a benefit distribution is processed. Investment expenses are deducted from the net appreciation in the value of investments. Certain expenses for maintaining the Plan are paid by the Plan as provided by the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as deemed distributions based upon the terms of the Plan adoption agreement.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for recognition or disclosure in the financial statements through August 20, 2026, the date the financial statements were available to be issued.

Except as disclosed in Note 10, there were no events during the evaluation period that require recognition or disclosure in the financial statements.

Reclassifications

Certain 2024 amounts have been reclassified to conform with 2025 presentation with no effect on net assets available for benefits or changes in net assets available for benefits.

3. Information Certified and Provided by the Custodian

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedules were prepared by or derived from information certified or provided by John Hancock Life Insurance Company (John Hancock), the custodian to the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the asset information provided to the Plan Administrator by the custodian is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the asset information in this note and which appears throughout the financial statements and supplemental schedules.

Total investments	<u>\$ 12,135,763</u>	<u>\$ 9,388,905</u>
Notes receivable from participants	\$ 258,926	\$ 222,078

The custodian also certified the completeness and accuracy of \$1,496,497 of net realized and unrealized appreciation in the fair value of investments, and \$18,639 of interest on notes receivable from participants for the year ended September 30, 2025.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value on a recurring basis:

EAST & WESTBROOK RETIREMENT SAVINGS PLAN

4. Fair Value Measurements, continued

Pooled separate accounts: The Plan's pooled separate accounts have the characteristics of a structure similar to a mutual fund and are valued at a readily determinable quoted market price that each account publishes at the end of each day. While the pooled separate accounts have publicly quoted Level 1 pricing inputs, the pooled separate accounts are not publicly traded, and therefore are classified as Level 2 investments in the fair value hierarchy. Amounts allocated within a pooled separate account are credited to a participant's account in the form of accumulation units. The fair value of an accumulation unit of each pooled separate account is determined and published at the close of each business day and is directly related to the fair value per share of the underlying investments adjusted for any contributions, dividends and/or distributions received, withdrawals made on that day, and the daily equivalent of any fee charged pursuant to the contract. Each investment account is invested exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant. The pooled separate accounts may be redeemed on a daily basis. Unfunded commitments are not applicable to pooled separate accounts.

Collective trust: Valued based on the net asset value (NAV) of units of the collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the methodologies used at September 30, 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of September 30:

<u>2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in fair value hierarchy:				
Pooled separate accounts	\$ -	\$ 12,074,322	\$ -	\$ 12,074,322
Investments measured at NAV:				
Collective trust				<u>61,441</u>
Total investments at fair value				<u>\$ 12,135,763</u>

<u>2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments measured at fair value:				
Pooled separate accounts	\$ -	\$ 9,359,774	\$ -	\$ 9,359,774
Investments measured at NAV:				
Collective trust				<u>29,131</u>
Total investments at fair value				<u>\$ 9,388,905</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended September 30, 2025, there were no significant transfers in or out of Level 3.

5. Exempt Party-In-Interest Transactions

Certain Plan investments are pooled separate accounts managed by John Hancock. John Hancock is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of \$72,413 for the year ended September 30, 2025 are comprised of fees paid by the Plan to John Hancock for recordkeeping fees.

Also, fees totaling \$2,179 and \$38,129 were paid by the Plan directly to Edward Jones and Wilshire Associates Incorporated, respectively, whom are the Plan's investment advisors, during the year ended September 30, 2025.

Fees paid to ANEW 401k TPA, LLC (ANEW), the Plan's third-party administrator, through the Revenue Credit Program with John Hancock rather than direct payments from the Plan, qualify as party-in-interest transactions and are deducted from income earned on investments. During 2025, the Plan received \$5,449 from John Hancock from the Revenue Credit Program, which was placed in an ERISA account and used to pay fees to ANEW. Qualified Plan expenses may be paid from the ERISA account. As of September 30, 2025, there is no unused balance in the ERISA account. Additional fees of \$6,809 were paid to ANEW for third-party administrator services during the year ended September 30, 2025.

Additionally, indirect fees are paid to the custodian based on investment account values. These fees range from 0.05% to 0.75% of the investment account value. The fees offset net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by ANEW. ANEW received an opinion letter from the IRS dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Prohibited Transactions

During the year ended September 30, 2024, participant withholdings were not remitted within the appropriate time period by the Sponsor due to a change in payroll provider. These transactions constitute a prohibited transaction as defined by ERISA. The Plan Sponsor is aware of the occurrence and has taken the appropriate steps to correct the situation. Lost earnings of \$209 on the late deposits were calculated and deposited to the Plan by the Plan Sponsor during the year ended September 30, 2025.

9. Subsequent Events

Plan Amendment - Change in Eligibility

Effective February 1, 2026, participants can begin deferring compensation into the Plan and are eligible for employer safe harbor non-elective contributions following 90 days of service. The entry date into the Plan is the first day of the month following the date the employee becomes eligible.

Change in Service Providers

Effective January 2026, J.P. Morgan entered into an agreement to assume the role of the Plan's custodian. Plan assets of approximately \$13,100,000 were transferred from John Hancock to J.P. Morgan on February 2, 2026.

Effective June 2026, Empower Retirement, LLC entered into an agreement to assume the role of the Plan's third-party administrator.
