**Part I Service Provider Information (continued)**

**3.** If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

To the Board of Trustees  
Porterville Sheltered Workshop  
401(k) Salary Savings Plan  
Porterville, California

We have audited the financial statements of Porterville Sheltered Workshop (the Organization) 401(k) Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended December 31, 2025, and we will issue our report thereon dated August 19, 2026. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 30, 2026. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value of investments is based on various methods as detailed in the notes to the financial statements. We evaluated the key factors and assumptions used to develop the estimate of the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Financial Accounting Standards Board (FASB) – Accounting Standards Codification (ASC) Subtopic 820-10 in Note 4 to the financial statements which expands the disclosure about fair value.

The financial statement disclosures are neutral, consistent, and clear.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

*Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

*Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements noted as a result of our audit procedures.

*Disagreements with Management*

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated August 19, 2026.

*Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Matters*

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. The method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Porterville Sheltered Workshop  
401(k) Salary Savings Plan  
Porterville, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Porterville Sheltered Workshop (the Organization) 401(k) Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 Code of Federal Regulations (CFR) 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PORTERVILLE SHELTERED WORKSHOP 401(K) SALARY SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2025 AND 2024**

**NOTE 1 – SUMMARY OF PLAN DESCRIPTION**

The following description of the Porterville Sheltered Workshop (the Organization) 401(k) Salary Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Organization who have 90 days of service and are the age of eighteen or older. Employees are eligible for entry into the Plan on the beginning of each month immediately following satisfaction of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Year

The Plan year is the 12 consecutive month period beginning January 1 and ending December 31. Plan records are maintained on this basis.

Contributions

Each participant may elect to defer at least 1%, but no more than 100% of compensation with a maximum contribution for the calendar years 2025 and 2024 of \$23,500 and \$23,000, respectively. Participants who are age 50 or older by the end of the calendar year may make additional catch-up contributions of up to \$7,500 for each of the calendar years 2025 and 2024. Effective January 1, 2025, participants who attain age 60, 61, 62, or 63 during the calendar year may make catch-up contributions of up to \$11,250 in place of the age 50 catch-up contribution limit. The employer may make a discretionary matching contribution equal to a discretionary percentage of the amount of the salary deferral, which will be determined each year. In addition, the employer may make a discretionary profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Organization's discretionary matching contributions and (b) Plan earnings (losses) and forfeitures, and charged with an allocation of administrative expenses paid by participants. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's matching and profit-sharing contributions plus actual earnings thereon is based on years of consecutive service. For participants completing the first hour of service before December 31, 2001, the following vesting schedule applies:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 0 to 2                  | 0%                       |
| 3                       | 20%                      |
| 4                       | 40%                      |
| 5                       | 60%                      |
| 6                       | 80%                      |
| 7 or more               | 100%                     |

## **NOTE 1 – SUMMARY OF PLAN DESCRIPTION** (Continued)

### Vesting (Continued)

For participants completing the first hour of service after December 31, 2001, the following vesting schedule applies:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 0 to 1                  | 0%                       |
| 2                       | 20%                      |
| 3                       | 40%                      |
| 4                       | 60%                      |
| 5                       | 80%                      |
| 6 or more               | 100%                     |

### Payment of Benefits

Payment of benefits is determined based on the participant's account balance. Upon termination, if the vested account balance does not exceed \$7,000, the Plan will distribute the vested portion in a lump-sum payment as soon as practicable following the date of termination. If the vested account balance exceeds \$7,000, the Plan permits the distribution as of any date following termination of employment with the employer at the election of the participant.

Hardship withdrawals are allowed up to the amount of the participant's vested account resulting from elective deferral contributions and matching contributions. Withdrawals from the participant's account resulting from elective deferral contributions shall be limited to the amount of the participant's elective deferral contributions (but none of the income earned on such contributions).

### Investment Options

Upon enrollment into the Plan, a participant may direct contributions to any of the investment options that include the fixed income guaranteed option (group annuity contract), mutual funds, and pooled-separate funds. Participants may change their investment elections at any time.

#### *Mutual Funds*

Mutual funds are offered to provide investment options for participants in select name-brand mutual funds. The mutual funds are made available by Empower Funds, Inc (Empower Funds). Empower Trust Company, LLC (Empower Trust) acts as the prototype sponsor (custodian). Mutual funds are traded on an automated trading platform through omnibus accounts in the name of Empower Annuity Insurance Company of America (Empower Annuity) or Empower Trust.

#### *Pooled-Separate Funds*

Pooled-separate accounts are investment options established and maintained by an insurance organization. They are similar to mutual funds but can only be accessed through the purchase of an insurance contract such as a group annuity contract. The accounts are used for the collective investment of plan funds from multiple employee benefit plans. Because the accounts are pooled with the funds of all plan sponsors that want to invest in the pooled-separate account, they are considered accounting entities rather than separate legal entities. Assets allocated to the separate accounts can include stocks, bonds, mortgages, real estate, mutual funds, other separate accounts, or cash and cash equivalents. Empower Annuity reports the change in fair value from year to year.

#### *Group Annuity Contract – Fixed Income Guaranteed Option*

The principal fixed income guaranteed option contract is a single group annuity contract issued by Empower Annuity to Empower Trust as custodian. The contract guarantees principal and a rate of interest that will be credited to participant accounts. It is an obligation of Empower Annuity.

## **NOTE 1 – SUMMARY OF PLAN DESCRIPTION** (Continued)

### **Plan Termination**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The accompanying financial statements are prepared on the accrual method of accounting.

### **Use of Estimates**

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

### **Notes Receivable From Participants**

Participant loans are permitted by the Plan in accordance with its terms. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

### **Valuation of Investments and Income Recognition**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 8 for further discussion of the investments at contract value. The Plan administrator determines the Plan's investment valuation policies.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Gains and losses (realized and unrealized) included in the Statements of Changes in Net Assets Available for Plan Benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation (depreciation) in fair value of investments.

### **Forfeitures**

The Plan's forfeited amounts resulting from participant accounts may be used to pay for administrative expenses of the Plan. Those resulting from employer contributions may be used to reduce the employer contributions. At December 31, 2025 and 2024, there were \$2,905 and \$2,824, respectively, of forfeited non-vested accounts.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)****Management's Review**

Subsequent events were evaluated through August 19, 2026, which is the date the financial statements were available to be issued. There were no subsequent events to disclose.

**NOTE 3 – INFORMATION PREPARED AND CERTIFIED TO BY CUSTODIAN**

The following information included in the accompanying financial statements and supplemental schedule was obtained from the data that has been prepared and certified to be complete and accurate by the custodian of the Plan, Empower Trust, as of December 31:

|                                                  | <u>2025</u>         | <u>2024</u>         |

On December 31, 2020, Empower Annuity acquired the retirement business of MassMutual Life Insurance Company (MassMutual). Following an initial transition period, Empower Annuity became the sole administrator of this business in 2021. The Plan utilizes a guaranteed group annuity contract issued by MassMutual, and Empower Trust has provided certification on behalf of the issuing company.

The following presents investments quoted at market prices at December 31, 2025 and 2024, that represent 5% or more of the Plan's net assets:

## **NOTE 4 – FAIR VALUE MEASUREMENTS**

The Organization follows Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures*, which provides a framework for measuring fair value, and further defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Organization determines the fair values of its financial instruments based on the fair value hierarchy established in ASC Topic 820, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

This framework describes three levels of inputs that may be used to measure fair value:

- Level 1     Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2     Inputs other than quoted prices included within Level 1 that are observable for assets or liabilities, either directly or indirectly such as:
  - a) quoted prices for similar assets or liabilities in active markets.
  - b) quoted prices for identical or similar assets or liabilities in markets that are not active.
  - c) inputs other than quoted prices that are observable for the asset or liability (for example, interest rates and yield curves observable at commonly quoted intervals, volatilities, prepayment speeds, loss severities, credit risks, and default rates).
  - d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3     Inputs that are unobservable for the asset or liability. These unobservable inputs reflect the Plan's own estimates about the assumptions that market participants would use in pricing the asset or liability.

### *Level 1 Fair Value Measurements*

#### **Mutual Funds**

The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are traded on an automated trading platform through omnibus accounts in the name of Empower Annuity or Empower Trust for the benefit of the retirement plan sponsors. The mutual funds held by the Plan are deemed to be actively traded. The Plan held no mutual funds for the periods presented.

### *Level 2 Fair Value Measurements*

#### **Pooled-Separate Funds**

Empower Annuity offers separate accounts as investment options for retirement benefit plans through a group annuity contract. The pooled-separate accounts invest in a portfolio of multiple underlying financial instruments. Empower Annuity owns the underlying financial instruments held within the separate accounts. Empower Annuity values the separate accounts on a daily basis and uses a unit value system of recordkeeping to track a plan and/or participant's proportionate interest in the separate account. The value of the separate account is the fair value of the underlying assets of the separate account plus income accrued but not yet received less operating expenses accrued but not deducted, if any. The value of an interest in a separate account increases or decreases based on the value of the assets held in the separate account. If there is no readily available market for a particular asset, then fair value is determined by Empower Annuity using accounting principles generally accepted in the United States of America and applicable law.

**NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)***Level 2 Fair Value Measurements (Continued)***Pooled-Separate Funds (Continued)**

The pooled-separate accounts investments are valued using NAV. The investment performance is regularly published online and through statements publicly available. NAV also serves as the basis for current transactions. As such it has a readily determinable value. However, these investments are not actively traded and are categorized in Level 2.

*Level 3 Fair Value Measurements*

There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| <u>Investment Category</u> | <u>Assets at Fair Value as of December 31, 2025</u> |                     |                |                     |

#### **NOTE 7 – LOANS TO PARTICIPANTS**

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of \$1, up to a maximum of \$50,000 or 50% of a participant's vested interest in the Plan (except for California wildfire victims, who can borrow up to the lesser of \$100,000 or 100% of their account balance). Only two loans may be outstanding to a borrower at any time. Terms range from one to five years for a general-purpose loan and one to thirty years for a principal residence loan. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated.

The changes in the loans to participants during the years ended December 31 are as follows:

|                            | <b><u>2025</u></b> | <b><u>2024</u></b> |
|----------------------------|--------------------|--------------------|
| Balance, Beginning of Year | \$ 453,282         | \$ 445,668         |
| New Loans                  | 290,931            | 334,483            |
| Payments Received/Applied  | <u>(264,625)</u>   | <u>(326,869)</u>   |
| Balance, End of Year       | <u>\$ 479,588</u>  | <u>\$ 453,282</u>  |

#### **NOTE 8 – GROUP ANNUITY CONTRACT**

In 2014, the Plan entered into a fully-benefit responsive guaranteed group annuity contract with MassMutual. The Plan's Group Annuity Contract is a single group annuity contract issued by MassMutual and backed by the general account, the principal does not fluctuate, it is guaranteed, and interest is at a fixed rate. It is not a portfolio of contracts. MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses and credited to each of the participant account balances. Because the benefit payments are made at book value, there are no termination or surrender charge adjustments for plan benefit events and investment transfers initiated by plan participants. Due to the nature of these contracts, they are considered benefit responsive. Additionally, they do not have specific underlying assets assigned, and therefore, not traded on an open market and public prices are not available.

Because the group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the Statements of Net Assets Available for Plan Benefits attributable to the Plan's Group Annuity Contract. The Plan's Group Annuity Contract is presented separately on the face of the Statements of Net Assets Available for Plan Benefits at contract value. Contract value, as reported to the Plan by MassMutual represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

**NOTE 8 – GROUP ANNUITY CONTRACT** (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024, was \$662,987 and \$1,247,351, respectively.

Certain events limit the Plan's ability to transact at contract value with MassMutual. Such events include amendments to the Plan document, Plan termination or merger with another Plan, or bankruptcy of the Organization. By definition, the Plan's Group Annuity Contract is an insurance contract. As a result, the Plan may transact according to the terms defined in the contract at any time.

The Plan administrator does not believe there is a probability that any events would limit the Plan's ability to transact at contract value with Plan participants.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. The issuer, MassMutual, has the right to no longer receive deposits.

**NOTE 10 – TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Organization by a letter dated April 23, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the latest determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Management is unaware of any variations in the operation of the Plan from the terms of the Plan documents, as amended. Management believes the Plan is qualified under the applicable sections of the IRC and ERISA.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

#### **NOTE 11 – RELATED PARTY TRANSACTIONS**

All of the Plan investments are managed by Empower Trust. Empower Trust is the custodian and record keeper for the Plan, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from Plan participants, between Empower Trust and participants, and the related interest income are also considered party-in-interest transactions.

Fees for investment management services are included in the net appreciation in fair value of investments as they are paid through revenue sharing rather than direct payment. Fees paid by the Plan for December 31, 2025 and 2024, for contract administrator services, amounted to \$49,993 and \$45,376, respectively. These fees are party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Organization. No such officer or employee receives compensation from the Plan.

#### **NOTE 12 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.
