To the Plan Administrator
Mcgee Holdings, LLC 401(k) Plan
Draper, UT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mcgee Holdings, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mcgee Holdings, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mcgee Holdings, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free

from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McGee Holdings, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the McGee Holdings, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McGee Holdings, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule, consisting of the Schedule H, Line 4i—Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MCGEE HOLDINGS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the McGee Holdings, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees. The Plan is subject to the provisions of ERISA. All employees of McGee Holdings, LLC and participating employers (the Company or Plan Sponsor), except nonresident aliens, are eligible to participate upon attaining age 18 and enter the Plan on the first day of the month coinciding with or next following satisfaction of the eligibility requirements.

Contributions

Each year, participants may contribute up to 90% of their compensation to the Plan, not to exceed the maximum allowable IRC 402(g) limit of \$23,500 for 2025. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. Roth elective deferrals are permitted under the Plan.

The Company has a safe harbor matching contribution equal to 100% of participant deferrals that do not exceed 4%. The plan also offers a flexible discretionary match and a discretionary employer nonelective contribution. The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is \$70,000 for 2025. Catch-up contributions can be made in excess of this limit.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that were paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting

Participants are immediately vested in their own contributions and safe harbor matching contributions. Vesting in employer nonelective contributions and discretionary employer matching contributions is based on a four-year graded schedule of 25% after one year, 50% after two years, 75% after three years, and 100% after four years.

MCGEE HOLDINGS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow a maximum generally equal to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to applicable statutory adjustments and Plan provisions. The loans are secured by the balance in the participant's account. The loan must bear a reasonable rate of interest. Interest rates during 2025 ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, substantially equal installments or partial withdrawals. In-service withdrawals are allowed for hardships and at age 59 ½.

The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions.

Forfeitures

At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$0 and \$155, respectively. These accounts will be used to reduce future employer contributions and administrative expenses. In 2025, administrative expenses were reduced by \$0 from forfeited non-vested accounts.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions are recorded in the year in which they are withheld from compensation. Employer contributions are recorded in the period in which the related obligation is incurred in accordance with the Plan's provisions.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2025 or 2024.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation (depreciation) of the fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 25, 2026, the date the financial statements were available to be issued.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

<i>Level 1</i>	<i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.</i>
<i>Level 2</i>	<i>Inputs to the valuation methodology include</i> <i>• quoted prices for similar assets or liabilities in active markets;</i> <i>• quoted prices for similar assets or liabilities in inactive markets;</i> <i>• inputs other than quoted prices that are observable for the asset or liability;</i> <i>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</i> <i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i>
<i>Level 3</i>	<i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i>

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and transact at those values. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025 and 2024:

	<u>Asset at Fair Value as of December 31, 2025</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 4,514,829	\$ -	\$ -	\$ 4,514,829
Total asset at fair value	<u>\$ 4,514,829</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,514,829</u>

	<u>Asset at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 3,662,423	\$ -	\$ -	\$ 3,662,423
Total asset at fair value	<u>\$ 3,662,423</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,662,423</u>

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2025 and 2024.

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are held by ADP Retirement Trust Services, LLC, the Plan's trustee for 2025. ADP also provides recordkeeping and other administrative services to the Plan. These transactions constitute party-in-interest transactions permitted under ERISA. The Plan also made direct payments of \$3,015 to third-party administrators. The Plan Sponsor pays directly any other fees related to the Plan's operations. Participant loans also constitute party-in-interest transactions under ERISA.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100 percent vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 and 2024

NOTE 8. TAX STATUS

The Company has adopted a pre-approved plan document for which the Internal Revenue Service (IRS) issued an opinion letter dated October 6, 2020, stating that the form of the pre-approved plan document complies with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since the adoption of the pre-approved plan document, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
