Independent Auditors' Report

To the Board of Directors of
Community Options, Inc. Savings and Retirement Plan
Waterbury, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Community Options, Inc. Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Community Options, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Options, Inc. Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Options, Inc. Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Options, Inc. Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Options, Inc. Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Prior Year Financial Statements

The 2021 financial statements of Community Options, Inc. Savings and Retirement Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated June 30, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Community Options, Inc. Savings and Retirement Plan

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of Community Options, Inc. Savings and Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- (a) General – The Plan is a 401(k) defined contribution plan covering all employees of the Company, except for certain ineligible classes of employees (as defined under the Plan), who have completed one year of eligible service, including 1,000 hours, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan
- (b) Employee Contributions – Participants may contribute any combination of pre-tax elective deferrals and Roth elective deferrals from 1% to 80% (in whole percentages) of their eligible earnings, subject to contribution limits under the Internal Revenue Code.

Participants may also contribute amounts representing distributions from certain other eligible retirement plans as defined in the Plan.

- (c) Employer Contributions – The Company makes contributions under safe-harbor provisions of the Internal Revenue Code to all eligible participants for the 2022 and 2021 plan years. These contributions match the participants' deferral contributions up to 4% of their compensation.

The Company may also elect to make non-elective contributions for any Plan year for the benefit of all plan participants. These contributions are discretionary and are determined by the Board on an annual basis. The Company made a \$415,000 and \$0 discretionary match for the years ended December 31, 2022 and 2021, respectively.

- (d) Participant Accounts – Participants direct the investment of all contributions into various investment options consisting of various mutual funds offered by the Plan. Each participant's account is credited with their own salary deferral contributions, their rollover contributions from other plans and the Company's matching and non-elective contributions as well as investment earnings (losses) within the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (e) Vesting – Participants are immediately vested in their salary deferral contributions, rollover contributions and any employer contributions to their accounts that were made to satisfy non-discrimination requirements of the IRC, which include the Plan's safe-harbor contributions, plus actual earnings on the foregoing balances. Vesting in the Company's discretionary contributions and net earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's discretionary contributions after six years of credited service.
- (f) Participant Loans – Participants may receive loans of up to 50% of their vested account balances. Amounts may be borrowed between \$500 and \$50,000, utilizing the participant's remaining account balance as security for the loan.

Loans must be repaid under time periods as specified by the Plan. Participants who do not repay their loans under certain circumstances, as defined in the Plan, will be deemed to have received a distribution for federal income taxes under the Plan.

Notes to the Financial Statements

December 31, 2022 and 2021

Description of Plan (continued)

Interest on loans is recognized over the term of each respective participant's loan based on the prime rate as published in the Wall Street Journal.

- (g) Hardship Withdrawals – In the event of financial hardship, as defined under the Plan and under current Internal Revenue Service regulations, participants are permitted to receive hardship withdrawals of their own elective deferrals (excluding earnings thereon).
- (h) Payment of Benefits – Participants may receive the vested portion of their accounts after termination of employment. A designated beneficiary will be paid the vested interest in a deceased participant's account. In-service withdrawals, other than hardship withdrawals, are permitted under the Plan for participants who attain age 59 ½.
- (i) Forfeited Accounts – No forfeited non-vested account balances were used to pay Plan expenses or reduce employer contributions during 2022 and 2021. There was no forfeited non-vested account balance as of December 31, 2022 and 2021.
- (j) Investment Options – Participants direct the investment of all contributions within their own accounts into various investment options consisting of various mutual funds offered by the Plan.

(2) Summary of Significant Accounting Policies

- (a) Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting.
- (b) Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (c) Risks and Uncertainties – The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
- (d) Concentrations of Credit Risk – The Plan's financial instruments that are exposed to concentrations of credit risk are investments and the Plan's notes receivable from participants. The Plan holds its investments with registered investment companies (mutual funds) through its investment custodian and trustee, Mid Atlantic Trust Company. The Plan has not experienced any losses, other than those losses through investment activity, and management believes its investments and its notes receivable from the participants are not subject to significant credit risk.

Community Options, Inc. Savings and Retirement Plan

Notes to the Financial Statements

December 31, 2022 and 2021

Summary of Significant Accounting Policies (continued)

- (e) Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.
- (f) Payment of Benefits – Benefit payments are recorded when paid.
- (g) Administrative Expenses – Generally, the Plan Sponsor pays the administrative expenses of the Plan, except expenses of the third-party administrator. Participants pay the distribution and loan processing fees, and certain investment fees.
- (h) Participant Loans – Participant loans from participants are measured at their unpaid balance plus any accrued but unpaid interest. In the event a participant terminates employment while any loan is outstanding, the unpaid balance and any interest due thereon shall become due and payable within thirty days of such termination of employment.
- (i) Subsequent Events – The Plan evaluated subsequent events through October 13, 2023, the date the Plan's financial statements were available to be used.

(3) Information Certified by the Plan's Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all amounts and types of investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, the schedule of assets held for investment purposes as of December 31, 2022, and the related investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended December 31, 2022 and 2021.

(4) Fair Value Measurements

Generally accepted accounting principles in the United States of America establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Community Options, Inc. Savings and Retirement Plan

Notes to the Financial Statements

December 31, 2022 and 2021

Fair Value Measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Target date funds, fixed income funds, foreign equity funds, equity funds and money market funds are contained in the mutual funds. These funds totaled \$5,505,552 and \$6,800,903 at December 31, 2022 and 2021, respectively.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(5) Income Tax Status

The Plan was formed based on a prototype plan that has received a determination letter dated October 1, 2014. The plan administrator believes that the Plan is currently designed and being operated in compliance with the section 401(a) of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Community Options, Inc. Savings and Retirement Plan

Notes to the Financial Statements

December 31, 2022 and 2021

Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Additionally, the Company may amend the Plan at any time without consent of any participant or any beneficiary, provided that no amendment deprives any participant of the participant's non-forfeitable accrued benefit.

(7) Withdrawing Participants

All participants who have withdrawn from the Plan and requested their benefits have been paid as of December 31, 2022.

(8) Related Party Transactions

The Plan has a number of service providers. Such parties are considered parties-in-interest under ERISA.
