INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the
IDIQ 401(k) Plan
Temecula, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of IDIQ 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of IDIQ 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IDIQ 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IDIQ 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

IDIQ 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IDIQ 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IDIQ 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A – DESCRIPTION OF PLAN

The following brief description of the IDIQ 401(k) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2019. The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) covering all employees of Identity Intelligence Group, LLC dba IDIQ and its affiliates Royal Renewals LLC, Credit Swag Ventures, Inc. a Montana Corporation, and Countrywide Legal Services, LLC (collectively referred to as “the Company”) excluding employees covered by a collective bargaining agreement, nonresident aliens, interns, residents of Puerto Rico, and part-time, temporary, and seasonal employees whose regularly scheduled service is less than 1,000 hours during the Plan year. To become a participant in the Plan, there is a service requirement of one month of service and an age requirement of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are automatically enrolled in the Plan subject to a qualified automatic contribution arrangement (QACA) on the first day of the month following or coinciding with the date the eligibility requirements are met. Unless a participant makes an affirmative election, participants are automatically enrolled to contribute 3% of eligible compensation each pay period on a pre-tax basis, and their deferral rate increases by 1% of compensation on January 1st of each year until a deferral rate of 6% of eligible compensation is met. Participants may elect to contribute on a pre-tax or post-tax (Roth) basis to the Plan up to 92% of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Beginning January 1, 2025, participants who are between the ages of 60 and 63 are eligible to make super catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a QACA safe harbor basic matching contribution equal to 100% of participant contributions up to 1% of eligible compensation plus 50% of participant contributions from 1% of eligible compensation up to 6% of eligible compensation each payroll period. The Company may also make nonelective (profit sharing) contributions to the Plan. To receive an allocation of any profit sharing contributions, participants must be employed on the last day of the Plan year. The Company did not make any profit sharing contributions to the Plan for the year ended December 31, 2025. Participants direct the investment of their QACA safe harbor basic matching contributions and profit sharing contributions, if any, into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, QACA safe harbor basic matching contributions, an allocation of any profit sharing contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and actual earnings thereon.

Vesting in the Company's QACA safe harbor basic matching contributions portion of their account balance and actual earnings thereon is based on years of service as follows:

<u>Years of Service</u>	
Less than 2	0%
2+	100%

Vesting in the Company's profit sharing contributions portion of their account balance, if any, and actual earnings thereon is based on years of service as follows:

<u>Years of Service</u>	
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6+	100%

If a participant dies or is disabled prior to attaining normal retirement age, the participant becomes 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate equal to 1% over the prime rate. Principal and interest are paid ratably through payroll deductions.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon retirement, death, termination of employment, or a qualifying withdrawal. In-service distributions may be made to a participant who has not separated from service provided the participant has attained age 59 $\frac{1}{2}$. Effective October 31, 2025, the Plan was amended to allow hardship withdrawals. Benefit payments may be made in the form of lump sum distributions, partial payments, or installment payments. Participants who terminate employment with a vested balance of less than \$7,000, but more than \$1,000, may receive an automatic rollover of their vested balance into an individual retirement account. Participants who terminate employment with a vested balance of less than \$1,000 may receive an automatic lump sum distribution of their balance.

Forfeited Accounts

Forfeitures result from non-vested benefit payments remaining in the Plan for all terminated employees or adjustments, if any. Forfeitures may be used to pay Plan expenses or reduce employer contributions. There was no forfeiture balance as of December 31, 2025. The forfeiture balance was \$153,776 as of December 31, 2024. During the year ended December 31, 2025, forfeitures of \$144,536 were used to fund employer contributions and \$76,906 were used to fund earnings associated with corrective contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the Company QACA safe harbor basic matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The Company profit sharing contributions, if any, are recorded in the year in which the participant compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant does not make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for recordkeeping, third-party administration, and investment advisory services are included in administrative expenses and are allocated to participant accounts based on a pro rata formula. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses.

NOTE C – CERTIFIED INFORMATION

NOTE D – FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Collective investment trust funds: Valued at the NAV of units of the collective investment trust fund as reported by the fund on a daily basis. The values are published and readily determinable. Units of beneficial interest in the fund are not registered with the Securities and Exchange Commissions. There are no unfunded commitments. The redemption frequency is daily.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2025 and 2024:

<u>December 31, 2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 9,934,079	\$ -	\$ 9,934,079
Total investments, at fair value	<u>\$ 9,934,079</u>	<u>\$ -</u>	<u>\$ 9,934,079</u>
<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 1,641,493	\$ -	\$ 1,641,493
Collective investment trust funds	<u>-</u>	<u>5,576,766</u>	<u>5,576,766</u>
Total investments, at fair value	<u>\$ 1,641,493</u>	<u>\$ 5,576,766</u>	<u>\$ 7,218,259</u>

NOTE E – GROUP ANNUITY CONTRACT

The Plan has a fully benefit-responsive group annuity contract with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account (EI Fixed Account – Series I). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that the issuer guarantees to the Plan.

The contract meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the account plus earnings less charges under the account for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value as of December 31, 2025 and 2024 was \$42,882 and \$187,698, respectively. There are no reserves against contract value for credit risk of the issuer or otherwise. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The average yield earned can be derived from averaging the quarterly gross interest rates for the fund over the year. The average yield earned by the Plan was 1.45% for the year ended December 31, 2025. The actual average yield earned can be derived by averaging the Plan's quarterly interest rates. The actual average yield earned by the Plan was 1.45% for the year ended December 31, 2025.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE E – GROUP ANNUITY CONTRACT (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include premature termination of the contracts by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement investments. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) breach of material obligation under the contract, (3) material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE G – TAX STATUS

The Company has adopted a non-standardized defined contribution pre-approved plan document. The IRS has opined and informed by a letter dated November 14, 2022, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2025 and 2024, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

IDIQ 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE I – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

Empower Annuity Insurance Company of America (Empower) is the recordkeeper and third-party administrator for the Plan and therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid to Empower are included in administrative expenses.

Global Retirement Partners, LLC dba HUB Retirement and Wealth Management is the investment advisor to the Plan and therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. Fees paid to Global Retirement Partners, LLC are included in administrative expenses.

Notes receivable from participants are also considered party-in-interest transactions that are exempt from the prohibited transaction rules.
