INDEPENDENT AUDITOR'S REPORT

To the Participants, Plan Administrator, and Trustees
Kaiser-Francis Oil Company Employee Benefits Plan

Opinion

We have audited the financial statements of Kaiser-Francis Oil Company Employee Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KAISER-FRANCIS OIL COMPANY
EMPLOYEE BENEFITS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

Note 1 – Description of the Plan

Kaiser-Francis Oil Company (the Company) sponsors the Kaiser-Francis Oil Company Employee Benefits Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan provides health and other benefits to eligible employees of the Company. The Plan is administered by the Company.

The Kaiser-Francis Oil Company Voluntary Beneficiary Health Trust (the Trust) is the funding vehicle of the Plan. The Plan and Trust are intended to be a voluntary employees' beneficiary association (VEBA) as described in Section 501(c)(9) of the Internal Revenue Code (the Code). The Plan and related trust were established June 1, 1984. BOKF, NA holds the Plan assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Full-time employees of the Company are eligible to participate in the Plan. A full-time employee is an employee who is regularly scheduled to work at least 30 hours per week. Participants may enroll in the Plan on the first day of the month coincident with or immediately after commencing employment with the Company.

Benefits

The Plan provides health benefits (medical and prescription drugs), dental, life insurance, long-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan administers a qualified health and dependent care spending account for covered employees electing to participate in the salary reduction plan.

Insured benefits

The Plan fully insures the life insurance benefits (basic, supplemental, and dependent) and accidental death and dismemberment benefits (basic, supplemental, and dependent). The Company purchases annual insurance contracts for these insured benefits. Premiums for insured benefits are paid from the assets of the Trust.

Self-insured benefits

All other Plan benefits are self-insured. The claims for self-insured medical, dental and pharmacy benefits are processed by the Plan's third-party claims processor under administrative services only arrangements.

The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan. Long-term disability claims are processed by Plan management and paid by the Plan.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium cost. The Company pays the full cost of basic life and basic accidental death and dismemberment insurance.

The Company makes contributions to the Plan as needed to fund claims in excess of participant contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

The Plan maintains its cash in a bank deposit account which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such account. Plan management believes it is not exposed to any significant credit risk on cash.

Deposit

Deposit represents security deposits held by the claims administrator for payment of claims.

Administrative expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to a third-party claims administrator. These expenses are reported in the statement of changes in benefit obligations and net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting and use of estimates

The financial statements of the Plan have been prepared using the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of benefits

Premiums paid by either the Company or the Trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processors. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to the third-party claims administrator in the accompanying statements of net assets available for benefits.

Flexible spending account

Under the terms of the Plan, participants may set funds aside for health care and dependent care costs not covered by a medical or dental plan. Participants have until March 31 after the Plan year-end to file claims and be reimbursed for eligible dependent and health care expenses. Health care expenses must be incurred by March 15 of the following year. Included in the accompanying statements of benefit obligations and net assets available for benefits are amounts available to reimburse participants for qualifying medical expenses as of December 31, 2025 and 2024, totaling $14,523 and $48,161, respectively. Claims incurred before Plan year-end that were submitted after year-end (but before March 31) totaled $19,808 and $55,464 relating to 2025 and 2024, respectively. Forfeited amounts are used by the Company to offset Company contributions in the year forfeited.

Subsequent events

Management has evaluated subsequent events for the Plan through September 4, 2026, the date the financial statements were available to be issued.

Note 3 – Claims Incurred but Not Reported

Plan obligations as of December 31, 2025 and 2024, for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator or by Plan management. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Postemployment obligations consist of coverage provided by the Plan under COBRA. The obligation for COBRA benefits is estimated by Plan management based on the actual number of employees utilizing COBRA benefits as of the measurement date and claim payment history and includes an estimate for claims incurred by COBRA participants that have not been reported.

Note 4 – Related Party and Party-in-Interest Transactions

Claims for the Plan are processed by a third-party claims administrator. The Company serves as the sponsor of the Plan. Transactions with these parties qualify as exempt party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services. Certain administrative expenses, totaling approximately $26,000, were paid by the Company on behalf of the Plan for the year ended December 31, 2025. The Company does not expect reimbursement from the Plan for these expenses.

Note 5 – Tax Status

The Trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated May 4, 1988, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the Code. In addition, the Plan and the Trust are required to operate in conformity with the Code to maintain the tax-exempt status of the Trust. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Trust is tax-exempt.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7 – Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2025	2024

Welfare benefits due as of December 31, 2024	(48,161)

Claims incurred but not reported and welfare benefits due are not considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities or welfare benefits paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
