Board of Directors
403(b) Thrift Plan of Community Partners

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Community Partners (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of June 30, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Contributions as of June 30, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of June 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION

The following description of the 403(b) Thrift Plan of Community Partners (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution Plan established by Community Partners (the “Sponsor”) under the provisions of Section 403(b) of the Internal Revenue Code (IRC). Established July 1, 2003, the Plan is administered by Mutual of America Life Insurance Company (“Mutual of America”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan contains two contracts, Community Partners 403(b) Thrift Contract (“Thrift Contract”) and Community Partners 403(b) Tax Deferred Annuity Contract (“TDA Contract”). Community Partners elected to freeze the TDA Contract (017-325-C-10) of the 403(b) Plan, effective January 1, 2009. The last contribution applied to the TDA Contract was received April 8, 2008.

Eligibility

All employees are eligible to participate in the Plan, with the exception of nonresident aliens. Participation in the Plan may begin on the first day of each payroll period.

Employees are eligible for employer contributions after being employed for two years and accumulating a minimum of 1,000 hours of service per year for two years. Eligibility years are based on the employee’s commencement of employment and subsequent anniversaries of such date. The entry date for employer contributions is the first day of each month after an employee becomes eligible.

Contributions

Participants may elect to contribute, on a tax-deferred basis, up to 100% of their annual compensation, not to exceed limits imposed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Unless an eligible employee elects otherwise, the employee’s compensation will be reduced by 1% (automatic enrollment rate) for employee contributions to the Plan and their contributions will be invested in a designated fund until changed by the participant. The automatic enrollment feature also increases the contribution rate for the participant by 1% annually after automatic enrollment, up to a max of 3%. Participants may also roll over amounts representing distributions from other qualified defined-benefit or contribution plans.

The Sponsor contributes an amount equal to 50% of any such contributing participant’s elective deferral, up to 3% of the participant’s compensation during the Plan year. In addition, the Sponsor provides an employer base contribution equal to 5% of compensation to all eligible employees as defined in the Plan document. Certain compensation is excluded as defined in the Plan document. All employer contributions are invested in the same manner that the participant directs his or her participant withheld amounts.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's and Sponsor's contributions, rollovers from qualified plans of the participant's previous employers, if any, and allocations of the Plan's earnings and administrative expenses and charged with any withdrawals or distributions requested by the participant. Each participant's account is credited with the participant's contributions and Plan earnings. All contributions are included in the Plan's income in the year for which the contribution is made. Allocations of earnings are based on each participant's non-segregated account balance as of the previous anniversary date.

Investments

The investments of the Plan are self-directed by the participants into various investment options offered by the Plan. Investment elections may be changed online or through telephone access at any time. The Plan currently offers a choice of various registered investment companies and an interest-bearing cash account as investment options for the participants.

Notes from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000. Participants may only have two (2) notes outstanding at any time. The loans are secured by the balance in the participant's account and bear a reasonable interest rate that is determined by the Plan Administrator. The current note interest rates range from 3.25% to 5.85% with maturity dates through October 2027 as of June 30, 2023 and 2022. Notes terms are normally up to five years but may be longer for the purchase of a primary residence of the participant. Principal and interest are paid ratably through biweekly payroll deductions. Notes are due and payable upon termination of the participant.

Plan management amended the Plan's loan policy effective May 1, 2020, to be in line with the CARES Act. After the amendment became effective, impacted participants were allowed to borrow up to lessor of \$100,000 or 100% vested balance for 180 days beginning May 1, 2020. Furthermore, participant loan payments due from May 1, 2020 through December 31, 2020, including those due following a severance from employment could be delayed for one year.

Vesting

Participants are 100% vested in their own contributions. Employer contributions vest 100% upon meeting eligibility requirements.

Benefit Payments

Upon normal retirement, retirement due to permanent disability, death, termination, and hardship, the participant or the participants' beneficiaries are eligible to receive their vested interest in funds, either in the form of payments beginning at age 70 ½, or in a lump-sum payment. The Plan can distribute all participant balances under \$1,000 without the request of the participant.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION (Continued)

Benefit Payments (Continued)

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. The CARES Act permits eligible Plan participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons through December 31, 2020. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. Plan management amended the Plan effective March 27, 2020, to be in line with these CARES Act provisions.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Administrative Expenses

Certain expenses associated with the administration of the Plan, including custodian fees, audit fees, and the cost of communication with participants, are paid by the Sponsor.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Contributions by the participants are recognized in the period the participants' wages are earned; withdrawals from the Plan for participant distributions are recognized when the amounts are paid to the participant, except for cases where refunds are due to the participants in order for the Plan to conform to IRC provisions. In addition, investment income is recorded when received by the Plan custodian. Plan expenses are recorded when incurred.

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits, and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes are classified as distributions based upon the terms of the Plan document. As of June 30, 2023 and 2022, there were no delinquent participant notes. No allowance for credit losses has been recorded as of June 30, 2023 and 2022.

Administrative Expenses

Certain management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Benefit Payments

Benefits are recorded when paid. As of June 30, 2023 and 2022, there were no benefits payable to participants who elected to withdraw from the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes from participants reflected on the accompanying statements of net assets available for plan benefits as of June 30, 2023 and 2022, the supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023; and the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for plan benefits for the year ended June 30, 2023.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification Topic No. 820, “Fair Value Measurements and Disclosures” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data, by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

<i>Interest-bearing cash:</i>	Valued at the carrying value, which approximates fair value due to the short-term nature of such investment.
-------------------------------	--

<i>Registered investment companies:</i>	Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.
---	--

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value, or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and June 30, 2022. There has been no change to the methodologies used as of June 30, 2023 and 2022.

	Assets at Fair Value as of June 30, 2023

Total	<u>\$20,746,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$20,746,924</u>

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Mutual of America Investment Corp., an affiliate of Mutual of America. Mutual of America is the custodian, and therefore, these transactions qualify as "party-in-interest" transactions permitted by the United States Department of Labor's Rules and Regulations. The Sponsor and Plan Administrator are also parties in interest with respect to the Plan. Fees paid by the Plan to Mutual of America Investment Corp. amounted to \$1,959 for the year ended June 30, 2023. Administrative fees related to the Plan's existence that are paid by the Sponsor are considered related party transactions. Notes receivable from participants and the related interest income of \$6,937 are also considered related-party transactions.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

U.S. GAAP requires the financial statements to present the fair value of investments. The annuity fund, Mutual of America Interest Accumulation Account, has been presented at contract value, which approximates fair value, as reported to the Plan by Mutual of America. In subsequent periods, if market conditions change, such as, the insurance company credit rating or interest rate environment, the difference between contract value and fair value could become significant, causing the financial statements to become materially misstated.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor, by action of its board of directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease, and net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 8 – TAX STATUS

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC, as amended. A tax determination letter program is not yet available for the IRC Section 403(b) plans through the Internal Revenue Service. The Plan administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and, as such, is exempt from federal income taxes. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan's management will make any changes deemed necessary to ensure the Plan maintains its tax-exempt status.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not, based on the technical merits, would not be sustained upon examination by the applicable authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2023 and 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

403(B) THRIFT PLAN OF COMMUNITY PARTNERS

NOTES TO FINANCIAL STATEMENTS

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended June 30, 2023, the Sponsor failed to remit certain participant contributions of \$281,785 and loan repayments of \$8,591, totaling \$290,376, within the required timeframe as stated by the DOL. The DOL considers late deposits to be prohibited transactions. The Sponsor reimbursed the Plan for lost earnings in November 2025 outside of the DOL's Voluntary Fiduciary Correction Program.

NOTE 10 – SUBSEQUENT EVENTS

On May 8, 2023, the Sponsor approved an amendment to the Plan, which became effective July 1, 2023. The amendment amended the automatic enrollment provision for new and current participants, under which participants are automatically enrolled in the Plan unless they elect otherwise. The default contribution rate was increased to 3% of compensation for the initial year of participation, with scheduled annual increases to 4%, 5%, and 6% in subsequent plan years. The amendment also added the ability for participants to make Roth contributions.

The Plan has evaluated subsequent events through July 9, 2026 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements, or disclosure in the notes to the financial statements.
