Report of Independent Auditors

The Plan Administrator
Alyeska Pipeline Service Company
Retiree Medicare Eligible Reimbursement Health Plan

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 – Description of Plan

The following description of Alyeska Pipeline Service Company Retiree Medicare Eligible Reimbursement Health Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has been established as a self-insured medical reimbursement plan, as well as a health reimbursement arrangement, as defined in the Internal Revenue Code (the Code). The medical care premiums reimbursed under the Plan are intended to be eligible for exclusion from participants' gross income.

The Plan's trustee and custodian is Bank of New York Mellon, N.A. (the Trustee). The Plan is administered by PayFlex Systems USA, Inc. (PayFlex). PayFlex is responsible for determining whether claimed benefits are provided for by the Plan, processing claim payments, ensuring the claim payments are correct and within the payment limits stipulated by the Plan, and maintaining all documentation in support of claim payments. Alyeska Pipeline Service Company (Alyeska) is the Plan's sponsor and serves as plan administrator.

Employer contributions – Alyeska makes an annual discretionary contribution of up to $3,000 to a health reimbursement account (HRA) established for each eligible participant and made available for use in reimbursing the participant's eligible medical, prescription drug, dental, or vision insurance, or any Medicare premiums.

Eligibility – Former employees are eligible to participate in the Plan upon reaching age 60 with 15 years of service with Alyeska and having either been enrolled in the Alyeska Pipeline Service Company Group Medical and Dental Plan for Operating Company Employees or the Alyeska Pipeline Service Company Retiree Group Medical and Dental Plan for Operating Company Employees and attained age 65 and became eligible for Medicare. Former employees who are age 55 with ten years of service prior to January 1, 2017, are eligible to participate in the Plan under the eligibility rules prior to January 1, 2017. Former common law employees of Alyeska ("separation plan participants") may be eligible to participate in the Plan, if they meet the age and service requirements above, based on the terms of their separation agreement. Enrollment in the Plan is voluntary.

Benefits – The Plan provides for reimbursement of eligible health care premiums and covers eligible former employees of Alyeska and their spouses from the participant's HRA. Each participant's benefits are limited to the amount contributed by the Sponsor annually. Unused credits in each participant's account not used during a year will be forfeited on June 30 of the following year.

Upon the death of a participant with no beneficiaries, or termination of coverage under the Plan, eligible expenses incurred prior to death or termination of coverage may be submitted up to 180 days from the date of the participant's death. Upon the death of a participant with an eligible dependent, the eligible dependent may retain his or her HRA account and submit claims for reimbursement of their eligible health care premiums in the normal course. Any unused HRA credits in the participant's or eligible dependent's account are forfeited after 180 days following the participant's or eligible dependent's respective deaths.

Transfer to related plan – Transfer to related plan represents balances transferred to the Alyeska Pipeline Service Company Retiree Group Medical and Dental Plan for Operating Company Employees.

Plan termination – In the event the Plan terminates, any and all assets remaining in the Plan (after the payment of all expenses) shall be used for the continuance of one or more benefits of the type provided by the Plan until all assets have been expended.

Note 2 – Summary of Significant Accounting Policies

Basis of presentation – The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual basis of accounting.

Use of estimates – The preparation of the financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Actual results could differ from these estimates.

Investment valuation – Investments are stated at fair value as certified by the Trustee. Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Income recognition – The Plan's interest in Master Trust investment income is recorded on the accrual basis.

Claims – Claims are recognized when paid.

Subsequent events – The Plan has evaluated subsequent events through August 31, 2026, which is the date the financial statements were available to be issued.

Note 3 – Tax Status

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(a) of the Internal Revenue Code of 1986 (the Code) as a Voluntary Employee Beneficiary Association (VEBA) as described in Section 501(c)(9) of the Code and, accordingly, the trust is exempt from federal income taxes. However, income generated on certain trust investments is subject to taxation. There was no income tax expense for the years ended December 31, 2025 and 2024.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 – Interest in Alyeska Pipeline Service Company Master Trust

The Alyeska Pipeline Service Company Master Trust (the Master Trust) holds the assets of the Plan, the Alyeska Pipeline Service Company Group Medical and Dental Plan for Operating Company Employees, and the Alyeska Pipeline Service Company Retiree Group Medical and Dental Plan for Operating Company Employees. Each participating retirement plan has an undivided interest in the Master Trust. The assets of the Master Trust are held by the Trustee.

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the trust plus actual contributions and allocated investment income less actual claim payments and allocated administrative expenses. As of December 31, 2025 and 2024, the Plan's interest in the net assets of the Master Trust was approximately 10% and 8%, respectively. Investment income and administrative expenses relating to the Master Trust are allocated to the individual plans based on average monthly balances invested by each plan.

The following tables present the fair values of investments for the Master Trust at December 31:

	2025	
	Master Trust Balances	Plan's Interest in Master Trust
Investments		
Cash equivalent	$ 2,235,674	$ 229,066

	2024	
	Master Trust Balances	Plan's Interest in Master Trust
Investments		
Cash equivalent	$ 2,072,652	$ 159,874

The following presents investment income for the Master Trust for the year ended December 31, 2024:

Interest	$ 64,890
Other	130
	$ 65,020

Note 5 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Master Trust has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodology used for the Master Trust's assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Cash equivalent – The Master Trust maintains funds in a cash reserve account with The Bank of New York Mellon, an affiliate of the Trustee. Amounts held in the account are classified as short-term investments and valued at the daily balance reported by the Trustee. Balances were held in a non-interest bearing account during the year ended December 31, 2025.

The following tables present the balances of assets for the Master Trust measured at fair value:

	Fair Value Measurement at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Cash equivalent	$ 2,235,674	$ -	$ -	$ 2,235,674

	Fair Value Measurement at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Cash equivalent	$ 2,072,652	$ -	$ -	$ 2,072,652

Note 6 – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

Note 7 – Party-in-Interest Transactions

The Plan paid expenses that consist primarily of administrative fees paid to various third-party service providers related to the Plan's operations. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses are paid by Alyeska on behalf of the Plan.
