***Independent Auditor's Report***

Plan Administrator  
Choice Financial, Inc. 401k Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Choice Financial, Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

b. Administration

The Plan is overseen by a committee (the “Plan Administrator”) appointed by the Company. The Company’s contract administrator and third-party trustee and custodian is Fidelity Management Trust Company (“Fidelity”). The Company has the discretion to appoint or remove any trustee or agent of the Plan.

c. Eligibility

All employees of the Company who are not considered residents of Puerto Rico or leased employees are eligible to participate in the Plan. Employees become eligible to participate in the Plan after one year of service. Plan entry dates are the first day of each month during the year.

Effective March 1, 2024, all employees of the Company who are not considered residents of Puerto Rico or leased employees are eligible to participate in the Plan. Employees become eligible to participate in the Plan upon reaching 18 years of age and after completing 12 months of service. Plan entry dates are the first day of each month during the year.

Upon reaching the age of 50, participants may make additional catch-up contributions limited to \$7,500 for the years ended December 31, 2025 and 2024. Unless another

election is made, eligible participants are automatically enrolled in the Plan with a 4% deferral election. Participants may change their deferral percentage at the beginning of each payroll period and may stop deferring at any time.

Effective January 1, 2025, the SECURE 2.0 Act introduced an enhanced catch-up contribution for certain participants who attain ages 60 through 63 during the Plan year, as permitted under the IRC and subject to Plan elections. For the year ended December 31, 2025, eligible participants may make catch-up contributions of up to \$11,250 in lieu of the standard age 50 catch-up limit, resulting in a maximum total elective deferral of \$34,750. No such enhanced catch-up contribution was available for the year ended December 31, 2024.

Participants may also make rollover contributions from other qualified defined contribution plans. Effective March 1, 2024, the Plan began accepting rollovers of designated Roth contributions; such rollovers were not permitted prior to that date.

e. Employer Contributions

The Company may make discretionary matching contributions each payroll period equal to a uniform percentage of a participant's elective salary deferrals, as determined by the Company. For the years ended December 31, 2025 and 2024, the Company matched 50% up to the first 4% of the participants' elective salary deferrals.

The Company may also make discretionary non-elective contributions to the Plan each year. To be eligible for these contributions, participants must be employed on the last day of the Plan year. If made, such contributions are allocated to eligible participants' accounts based on each participant's compensation in proportion to total compensation for all eligible participants. The Company did not make any discretionary non-elective contributions for the years ended December 31, 2025 and 2024.

All contributions are invested in the participants' accounts according to their specified investment allocations as of the date of the contribution.

f. Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's elective salary deferrals, employer matching and discretionary contributions, and allocations of Plan earnings and administrative expenses. Allocations are done daily using a weighted-average of participant account balances. Participants can direct their accounts into a variety of investments offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

g. Vesting

Participants are immediately vested in their elective salary deferrals, catch-up contributions, rollover contributions and the earnings thereon. Participants vest in employer matching and discretionary non-elective contributions and earnings thereon as follows:

| <u>Years of Vesting Service</u> | <u>Vested Percentage</u> |
|---------------------------------|--------------------------|
| 2 Years of Service              | 20%                      |
| 3 Years of Service              | 40%                      |
| 4 Years of Service              | 60%                      |
| 5 Years of Service              | 80%                      |
| 6 or More Years of Service      | 100%                     |

Participants become 100% vested in their accounts if they are employed with the Company upon death, total or permanent disability as defined in the Plan document, upon reaching retirement age, or upon Plan termination.

h. Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive an amount equal to the participant's vested account balance in a lump-sum payment, installment payments over the participant's or beneficiary's assumed life expectancy, roll the amount to an individual retirement account or other eligible transferee plan, or delay payment until the required beginning date of minimum distributions, depending on the value of the account. In addition, the Plan permits in-service distributions for participants who are age 59 ½ or older. Distributions paid prior to the participant attaining age 59 ½ and not rolled into another retirement account are subject to federal income tax of 20% and a federal excise tax of 10%.

Vested account balances less than \$5,000, but more than \$1,000 may be distributed as a lump-sum cash payment or in the form of a direct rollover to an individual retirement account or eligible retirement plan at the consent of the participant or beneficiary. Vested account balances less than \$1,000 are distributed in a single lump-sum cash payment to the participant or beneficiary.

i. Hardship Withdrawals

Upon certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single lump sum greater than \$500, a portion of their vested account balances as a result of an immediate and heavy financial need. These conditions include the payment of tax-deductible medical expenses, postsecondary education tuition for immediate family members, funeral or burial costs of immediate family members, natural disaster clean-up on the participant's primary residence, the purchase of the participant's primary residence or to prevent eviction or foreclosure from the participant's primary residence.

j. Forfeitures

Unvested employer matching and discretionary contributions forfeited by a participant terminating from the Plan are retained in the Plan. Forfeitures may be used to pay Plan administrative expenses or reduce matching contributions. For the years ended December 31, 2025 and 2024, no forfeitures were used to reduce employer matching contributions. For the years ended December 31, 2025 and 2024, \$13,416 and \$22,305 were used to reduce administrative expenses, respectively. As of December 31, 2025 and 2024, unused forfeitures totaled \$6,947 and \$13,654, respectively.

k. Notes Receivable from Participants

Participants may borrow from their accounts the lesser of a) \$50,000, reduced by the highest outstanding note balance during the prior year, or b) 50% of their vested account balance. Notes are subject to a \$1,000 minimum and are secured by the vested balance in the participant's account.

Note payments are paid directly from the participant's bank account over periods up to five years, unless the note is used to acquire a principal residence, in which case the term may be extended at the discretion of the Plan Administrator. New notes bear interest at a reasonable rate determined by the Plan Administrator and are fixed at inception of the note. As of December 31, 2025, notes mature through 2030 and bear interest from 4.75% to 9.50% per annum, which is commensurate with local prevailing rates as determined by the Plan Administrator at the time of the note.

l. Administrative Expenses

All reasonable expenses for administration may be paid out of the Plan assets unless paid by the Company. Expenses, to the extent not paid by the Company, are paid by the Plan and allocated to participants based on their account balances. For the year ended December 31, 2025 and 2024, the Plan paid expenses of \$14,191 and \$22,961, respectively. Expenses that relate solely to a specific participant, such as fees for notes receivable or benefit payments, are assessed to the participant. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified

## **2. Summary of Significant Accounting Policies**

a. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as set forth by the Financial Accounting Standards Board (the "FASB").

b. Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts of net assets available for benefits, changes therein, accompanying notes, and supplemental schedule. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If an active participant fails to make payments for more than 90 days after they are due, the note will be in default. Under certain circumstances, as indicated in the Plan documents, a note that is in default may be treated as a taxable distribution from the Plan and will be included in the statements of changes in net assets available for benefits as a benefit payment.

e. Payment of Benefits

Benefits are recorded when paid.

f. Subsequent Events

Management has evaluated subsequent events through August 17, 2026, the date the financial statements were available for issuance.

**3. Information Certified by the Custodian (Unaudited)**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA section 103(a)(3)(c) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

Accordingly, certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity.

The classification of the investments into the appropriate fair value hierarchy levels (1, 2 or 3) as disclosed in Note 5 is not certified by Fidelity and is the responsibility of the Plan's management.

#### **4. Investments**

All Plan investments are participant-directed and held by Fidelity as of December 31, 2025 and 2024. Participants can direct their accounts among various mutual funds and a money market fund.

#### **5. Investments at Fair Value**

##### **a. Fair Value Hierarchy**

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets,
  - Quoted prices for identical or similar assets or liabilities in inactive markets,
  - Inputs other than quoted prices that are observable for the asset or liability, and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investments at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual funds and money market fund*

The mutual funds and money market fund are valued at quoted market prices which are available on active markets and, therefore, are classified as Level 1 within the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| Investments at Fair Value at December 31, 2025 |                     |             |             |                     |
|------------------------------------------------|---------------------|-------------|-------------|---------------------|
|                                                | Level 1             | Level 2     | Level 3     | Total               |

| Investments at Fair Value at December 31, 2024 |                     |             |             |                     |
|------------------------------------------------|---------------------|-------------|-------------|---------------------|
|                                                | Level 1             | Level 2     | Level 3     | Total               |
| Mutual funds                                   | \$ 5,028,184        | \$ -        | \$ -        | \$ 5,028,184        |

| Total investments at fair value                | <u>\$ 5,330,811</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 5,330,811</u> |

For the years ended December 31, 2025 and 2024, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

## **6. Excess Contributions Payable**

The Plan is required to return contributions received during the Plan year in excess of the IRC limits associated with certain non-discrimination tests for highly-compensated individuals and corrections for employer match overages. Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to participant's contributions. As of December 31, 2025 and 2024, excess contributions payable were \$6,556 and \$13,827, respectively.

## **7. Party-in-Interest Transactions**

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

For the years ended December 31, 2025 and 2024, the Plan's investment options are sponsored by Fidelity, the asset trustee and custodian and contract administrator of the Plan. Therefore, any transaction executed with Fidelity qualifies as a party-in-interest transaction.

Additionally, the Company is a party-in-interest to the Plan. However, there were no transactions with the Company other than the funding of contributions to the Plan and the payment of certain administrative expenses.

## **8. Tax Status**

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with Fidelity. Fidelity received an opinion letter from the Internal Revenue Services ("IRS") dated June 30, 2020 stating that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes.

However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-than-likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to the amounts reported on Form 5500:

|                                                               | 2025                | 2024                |
|---------------------------------------------------------------|---------------------|---------------------|
| Net assets available for benefits on the financial statements | \$ 6,531,660        | \$ 5,435,249        |
| Excess contributions refunded to participants                 | 6,556               | 13,827              |
| Net assets available for benefits on Form 5500                | <u>\$ 6,538,216</u> | <u>\$ 5,499,076</u> |

The following is a reconciliation of the net increase in net assets available for benefits as reported on the Plan's financial statements to amounts reported on Form 5500 for the years ended December 31, 2025 and 2024:

|                                                                                        | 2025                | 2024              |
|----------------------------------------------------------------------------------------|---------------------|-------------------|
| Net increase in net assets available for benefits reported on the financial statements | \$ 1,096,411        | \$ 686,081        |
| Net change in:                                                                         |                     |                   |
| Net excess contributions                                                               | <u>(7,271)</u>      | <u>8,189</u>      |
| Net increase in net assets available for benefits reported on Form 5500                | <u>\$ 1,089,140</u> | <u>\$ 694,270</u> |

## 10. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their accounts.

## **11. Risks and Uncertainties**

The Plan invests in various investment securities, including mutual funds and a money market fund. Investment securities, in general, are exposed to various risks such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
