To Those Charged with Governance and Management of
Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan
305 Commerce Street
PO Box 369 61401
New Oxford, PA 17350

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan as of and for the year ended December 31, 2025 and have issued our report thereon dated August 26, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our audit engagement letter for the audit of the financial statements mentioned above, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team has complied with all relevant ethical requirements regarding independence.

In the normal course of our professional association with Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan's auditor.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about: (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive accounting estimate affecting the financial statements is:

Management's estimate of the fair value of investments is described in Note 4 to the financial statements. We evaluated the key factors and assumptions used to develop the fair value of investments and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most significant disclosures affecting the financial statements are:

Fair Value Measurements disclosure note, which describes the valuation methodologies used to estimate the fair value of investments.

Significant Unusual Transactions

We encountered no significant unusual transactions during the performance of the audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management letter dated August 26, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Internal Control Matters

Except as discussed in the Our Responsibility in Relation to the Financial Statement Audit paragraph, in planning and performing our audit of the financial statements of the Plan in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal controls and considered their nature as follows:

- A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.
- A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
- A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

We identified the following deficiency in the Plan's internal control, which is also considered to be reportable findings:

Control Deficiency - *Participant Deferral Changes*

Matters Identified: During our audit, we noted there are insufficient controls in place to ensure that changes to employee deferral elections are timely and accurately updated in the payroll system. We noted one employee's deferrals deducted and remitted to the Plan did not match the employee deferral elections.

Correction Required: Plan management needs to calculate and distribute employee excess elective deferrals for the affected participants. We will request proof of correction when performing next year's audit.

Recommendation: We recommend Plan management improve its internal controls and processes over the review of employee deferrals and make sure the deferral amounts are calculated using the proper percentages in the next payroll processed.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards (GAAS).

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. We obtained and read a substantially complete draft of the Form 5500 prior to the dating of our auditor's report. Material inconsistencies with the information, or manner of its presentation, appearing in the financial statements are included in the financial statement footnote Reconciliation to Form 5500, if any. Our procedures are not sufficient, nor are they intended, to determine that the Form 5500 is completely and accurately prepared.

This communication is intended solely for the information and use of those charged with governance and management of Yazoo Mills, Inc. Cash or Deferred Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
