Report of Independent Registered Public Accounting Firm

To the Plan Participants and the Plan Administrator of Capital One Financial Corporation Associate Savings Plan

Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of Capital One Financial Corporation Associate Savings Plan (the Plan) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Basis for Opinion

These financial statements are the responsibility of the Plan’s management. Our responsibility is to express an opinion on the Plan’s financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Supplemental Schedule Required by ERISA

The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the “supplemental schedule”), has been subjected to audit procedures performed in conjunction with the audit of the Plan’s financial statements. The information in the supplemental schedule is the responsibility of the Plan’s management. Our audit procedures included determining whether the information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedule. In forming our opinion on the information, we evaluated whether such information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report of Independent Auditors

To the Plan Administrator of Capital One Financial Corporation Associate Savings Plan

Opinion

We have audited the financial statements of Capital One Financial Corporation Associate Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

**Shape the future
with confidence**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Shape the future with confidence

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

Note 1—Description of Plan

Effective January 1, 1995, Capital One Financial Corporation (the “Company”) established and adopted the Capital One Financial Corporation Associate Savings Plan (the “Plan”) for the benefit of its eligible employees.

The Benefits Committee of the Company is the Plan administrator and Fidelity Management Trust Company (the “Trustee”) was the Plan trustee for both the 2025 and 2024 plan years. Pursuant to the Plan Merger discussed below, assets held in the Discover Financial Services 401(k) Plan (the “Discover 401(k) Plan”) were held at Alight/The Bank of New York Mellon (“BNY”) as of December 31, 2025.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are age 18 or older (including any related companies that adopt the Plan). Eligible employees are automatically enrolled in the Plan immediately upon hire unless they elect to opt-out of Plan participation. The Plan is a qualified defined contribution retirement plan with a cash or deferred arrangement under Internal Revenue Code (the “Code”) Sections 401(a) and 401(k), respectively, and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Plan Merger

On May 18, 2025, the Company completed the acquisition of Discover Financial Services (“Discover”). Subsequently, effective as of the end of the day on December 31, 2025, Discover 401(k) Plan was merged into the Plan whereby the Plan became the surviving plan.

Contributions

Under the Plan, participants can elect to make annual pre-tax and Roth contributions of no more than 50% of their eligible compensation, subject to Internal Revenue Service (“IRS”) limitations. The IRS limitation was \$23,500 and \$23,000 for 2025 and 2024, respectively. Participants who are age 50 or older at the end of a particular calendar year are permitted to make additional elective deferral contributions of \$7,500 for both 2025 and 2024. New in 2025, participants who are age 60 to age 63 at the end of 2025 can defer an additional, higher catch-up contribution of \$3,750. Participants may also contribute amounts representing distributions from other qualified plans as roll-over contributions.

The Company makes non-elective contributions to each eligible associate’s account and matches a portion of associate contributions. The Company’s contributions, which provide for a maximum annual Company contribution of up to 7.5% of eligible compensation, consist of two major components: (1) a basic safe-harbor non-elective contribution and (2) Company matching contribution.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

The following table summarizes the Company's contribution structure under the Plan:

Contribution Type	Contribution Structure
1. Basic safe-harbor non-elective contribution	• 3% of eligible compensation
2. Company matching contribution	• Up to 3% of eligible compensation, calculated as 100% Company match on the first 3% of associate deferrals • Up to 4.5% of eligible compensation, calculated as 50% Company match on the next 3% of associate deferrals
Total annual contribution opportunity	• Maximum of 7.5% of eligible compensation

The basic safe-harbor non-elective contribution of 3% of eligible compensation, as defined in the Plan document, is made for all eligible employees regardless of employee contributions to the Plan. In addition, the Company makes matching contributions of up to 4.5% of a participant's eligible compensation. The Company makes "true-up" matching contributions for participants who did not receive the full match to which participants would have been entitled if participants had contributed to the Plan ratably throughout the year. Employees who have made pre-tax and/or Roth contributions to the Plan during the Plan year are eligible for the Company matching contributions. The Company makes contributions on a per-pay period basis and new employees become immediately eligible for the Company's matching contributions. All Company contributions are cash contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Allocations of Company contributions are determined based on participant contributions or eligible compensation, as defined in the Plan document. Allocations of Plan earnings are determined based upon the number of units of the Plan's investment options in each participant's account. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account as of the date of record.

Vesting

Participant contributions and the Company's basic safe-harbor non-elective contributions vest immediately, along with earnings on those contributions. The Company's matching contributions plus actual earnings thereon vest after two years of service.

Forfeited Accounts

Excess forfeited balances of terminated participants' non-vested accounts, after payment of administrative expenses, are used to reduce future Company contributions. Forfeited non-vested accounts totaled \$11,773,061 and \$13,017,806 as of December 31, 2025 and 2024, respectively. Forfeitures used to reduce the Company contributions totaled \$13,390,489 and \$13,326,193 in 2025 and 2024 respectively.

Investment Options

All investments in the Plan are participant-directed. Participants may change their investment options at any time. As of December 31, 2025, the Company offered 21 investment options, which are summarized below:

- **Stable Value Fund (Invesco)**—Monies are invested in a diversified portfolio of investment contracts issued by high quality insurance companies and banks, with each contract carrying a crediting rate of interest and backed by high quality securities.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

White Label Funds

- **U.S. Small/Mid Cap Equity Fund**—Monies are primarily invested in common stocks included in the Russell 2500 Index, which broadly represents the performance of small to mid-capitalization companies publicly traded in the U.S.
- **International Equity Fund**—Monies are primarily invested in securities included in the MSCI ACWI (All Country World Index) ex USA Index and in depository receipts representing securities included in the index, which broadly represents the performance of foreign developed and emerging stock markets.

Fidelity Brokerage Link

- **Fidelity BrokerageLink**—This self-directed option allows participants to invest in mutual funds and other investment options beyond the investment options offered directly through the Plan.

Collective Investment Funds

- **Spartan Global ex U.S. Index Fund**—The fund seeks to replicate the performance and overall characteristics, before fees and expenses, of the MSCI ACWI ex USA Index in a risk-managed and cost-effective way.
- **BlackRock LifePath Index Non-Lendable Fund (2030, 2035, 2040, 2045, 2050, 2055, 2060, 2065, 2070 and Retirement)**—Each fund is a broadly diversified portfolio, tailored to the investment horizon of the fund. The name of each fund (e.g., BlackRock LifePath 2045) represents the year during which participants will most likely begin to draw income and/or principal from their investment. The LifePath funds are the default investment choices unless participants choose otherwise. The investment is a “qualified default investment alternative” for purposes of ERISA.
- **BlackRock Russell 2500 Index Fund**—Monies are primarily invested in common stocks included in the Russell 2500 Index, which broadly represents the performance of small to mid-capitalization companies publicly traded in the U.S.
- **BlackRock Strategic Completion Non-Lendable Fund**—Monies are primarily invested in inflation-sensitive asset classes, such as U.S. treasury inflation protected securities, real estate investment trusts and commodities.
- **BlackRock U.S. Debt Index Non-Lendable Fund**— Monies are primarily invested in debt securities included in the Bloomberg U.S. Aggregate Bond Index, which broadly represents the performance of intermediate duration debt securities publicly traded in the U.S.
- **State Street S&P 500 Index Non-Lending Series Fund**—Monies are primarily invested in common stocks included in the S&P 500 Index, which broadly represents the performance of large capitalization companies publicly traded in the U.S.
- **Prudential Core Plus Bond Fund (Class 5)**—Monies are primarily invested in debt securities meant to outperform the Bloomberg U.S. Aggregate Bond Index, which broadly represents the performance of debt securities publicly traded in the U.S.

Capital One Stock Fund

- **Capital One Stock Fund**—Monies are invested in a unitized trust fund which primarily invests in shares of the Company’s common stock, as well as in short-term investments to provide for the Capital One Stock Fund's estimated liquidity needs.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

Notes Receivable from Participants

Participants may elect to borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer from (to) the investment fund to (from) the loan fund. Loan terms typically range from one to five years, but can extend up to ten years if used toward the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with prevailing rates as determined by the Benefits Committee (currently at a rate of Prime plus 2%). Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

A participant may elect to receive an amount up to the vested value of his or her account through a lump-sum cash distribution upon the participant's death, hardship, retirement, termination of service or for other reasons as governed by the Plan document. If the participant has invested in the Capital One Stock Fund, he or she may elect to receive distributions of whole shares of common stock with fractional shares paid in cash.

Administrative Expenses

Administrative expenses consist primarily of record keeping, investment management, and advisory fees paid to the Trustee. Record keeping and investment management fees are paid by the plan participants. Advisory fees to the Trustee are paid either out of Plan forfeitures or by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any unvested amounts in their accounts.

Note 2—Summary of Significant Accounting Policies

Basis of Presentation and Use of Estimates

The financial statements of the Plan have been prepared in accordance with generally accepted accounting principles in the U.S. ("U.S. GAAP"). The Financial Statements of the plan are prepared on an accrual basis of accounting. Benefits are recorded when paid. The preparation of financial statements in accordance with U.S. GAAP requires management to make a number of judgments, estimates and assumptions that affect the amounts reported in the financial statements and related disclosures. These estimates are based on information available as of the date of the financial statements. While management makes its best judgment, actual amounts or results could differ from these estimates.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value with the exception of fully benefit-responsive investment contracts, which are reported at contract value. Securities transactions are recorded as of the trade date.

The fair value of shares of registered investment companies is based on quoted market prices, which represent the net asset values of shares held by the Plan as of year end.

Capital One Stock Fund is not traded on an active market. The unit value of the Capital One Stock Fund is based on the closing price of the Company's stock and the value of the money market component on the last business day of the Plan year. The Company's stock is listed and traded on the New York Stock Exchange.

Collective investment trusts are classified as Level 2 in the fair value hierarchy as of December 31, 2025 and 2024. Each collective investment trust provides for daily redemptions by the Plan at reported net asset value per share, with no advance notice requirements for participants and 30 days advance notice requirement for the Plan. There were no unfunded commitments as of December 31, 2025 and 2024.

Self-managed funds are invested in underlying market securities that are traded on active markets and common collective trusts. The unit value for each fund is based on the closing price of the underlying sub-advisor stock and market holdings.

The Plan's investment in the Invesco Stable Value Fund has underlying investments in synthetic guaranteed investment contracts ("synthetic GICs") and cash equivalents, and is measured and accounted for based on contract value. The contract value is equal to the principal balance plus accrued interest, which represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Interest income on investments is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation of investments is reflected in statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary.

Unsettled Trades in Conjunction with the Plan Merger

Unsettled trades in conjunction with the Plan Merger represents the amount of funds that will be received upon settlement date for Discover 401(k) Plan investments that have been sold, but not yet settled as of year end.

Risks and Uncertainties

The Plan invests in many types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

Note 3—Investments

The Plan's investments are held in a trust administered by the Trustee. A complete listing of the Plan's investments as of December 31, 2025 is included in the Supplemental Schedule—Schedule H, Line 4i—Schedule of Assets (Held at End of Year).

Fully Benefit-Responsive Investment Contracts

Capital One's Stable Value Fund from Invesco (the "Fund") invests primarily in synthetic GICs. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value.

A synthetic GIC includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Fund in certain circumstances. With synthetic GICs, the underlying investments are owned by the Fund and held in trust for Plan participants. The wrapper contract amortizes the realized and unrealized gains and losses on the underlying fixed income investments, typically over the duration of the investment, through adjustments to the future interest crediting rate. The issuer of the wrapper contract provides assurance that the adjustments to the interest crediting rate do not result in a future interest crediting rate that is less than zero. An interest crediting rate of less than zero would result in a loss of principal or accrued interest. The key factors that influence future interest crediting rates for a wrapper contract include the level of market interest rates, the amount and timing of participant contributions, transfers and withdrawals into and out of the wrapper contract, the investment returns generated by the fixed income investments that back the wrapper contract and the duration of the underlying investments backing the wrapper contract.

Certain circumstances may limit the Plan's ability to execute transactions of the Fund at contract value with the contract issuer. These circumstances include termination of the Plan, a material adverse change to the provisions of the Plan, the Company making an election to withdraw from a wrapper contract in order to switch to a different investment provider, or the terms of a successor Plan (in the event of spin-off or sale of a division) do not meet the wrapper contract issuer's underwriting criteria for the issuance of a clone wrapper contract. Examples of events that would permit a wrapper contract issuer to terminate a wrapper contract upon short notice include the Plan's loss of its qualified status, uncured material breaches of responsibilities or material and adverse changes to the provisions of the Plan. If one of these events occurred, the wrapper contract issuer could terminate the wrapper contract at the market value of the underlying investments.

The Plan administrator believes that the events noted above that limit the Plan's ability to execute transactions at contract value are unlikely to occur.

Note 4—Fair Value Measurement

Fair value, also referred to as an exit price, is defined as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. The fair value accounting guidance provides a three-level fair value hierarchy for classifying financial instruments. This hierarchy is based on the markets in which the assets or liabilities trade and whether the inputs to the valuation techniques used to measure fair value are observable or unobservable. The fair value measurement of a financial asset or liability is assigned a level based on the lowest level of any input that is significant to the fair value measurement in its entirety.

Capital One Financial Corporation Associate Savings Plan

Notes to Financial Statements

The three levels of the fair value hierarchy are described below:

- Level 1: Valuation is based on quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Valuation is based on observable market-based inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Valuation is generated from techniques that use significant assumptions not observable in the market. Valuation techniques include pricing models, discounted cash flow methodologies or similar techniques.

The accounting guidance for fair value measurements requires that management maximize the use of observable inputs and minimize the use of unobservable inputs in determining the fair value. The calculation of fair value is based on market conditions as of each statement of net assets available for benefits date and may not be reflective of the ultimate realizable value.

Note 5—Income Tax Status

The Plan has received a determination letter from the IRS dated April 25, 2016, stating that the Plan is qualified under Section 401(a) of the Code, and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated

Notes to Financial Statements

in compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has assessed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6—Transactions with Parties-in-Interest

Included in the Plan assets are Capital One Financial Corporation common stock and certain investments managed by the Plan trustee, Fidelity Management Trust Company. The following table summarizes the fair value of certain Plan investment options that are related to parties-in-interest as of December 31, 2025 and 2024:
