## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
System Resources Telecom 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements**

We have performed an audit of the accompanying financial statements of System Resources Telecom 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2025 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2024 Financial Statements**

The financial statements of System Resources Telecom 401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 7, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS****System Resources Telecom 401(k) Plan**

December 31, 2025 and 2024

**Note 1 - DESCRIPTION OF PLAN**

The following description of the System Resources Telecom 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

**a. General**

The Plan is a defined contribution plan covering employees of System Resources Telecom, Inc. and its affiliated companies (collectively the “Employer”), who have completed 180 days of service. Union employees, leased employees, and non-resident aliens are not eligible to participate in the Plan. The Plan was formed December 1, 2018 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian of the plan is Transamerica Financial Life Insurance Company.

**b. Contributions**

Each year participants may contribute pre-tax and after-tax (Roth), by salary reduction pursuant to the provisions of the Plan, up to 96% of annual compensation, as defined in the plan document, subject to statutory limits. Participants who have attained age fifty before the end of the Plan year are eligible to make “catch up” contributions subject to statutory limits. Participants may also contribute amounts representing eligible rollover distributions.

The Employer may make discretionary matching contributions at its sole discretion. For the year ended December 31, 2025, the Employer matched 50% of the participant’s contribution not to exceed 6% of eligible compensation. For the year ended December 31, 2025, the Employer made matching contributions of \$193,021.

The Employer may also contribute additional non-elective contributions at its sole discretion. For the year ended December 31, 2025, the Employer did not elect to make additional non-elective contributions.

**Note 1 - DESCRIPTION OF PLAN (Continued)**

**c. Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Employer's contributions and plan earnings and charged with plan losses and an allocation of administrative expenses. Allocations of the Employer's contributions are based on participant compensation, account balances, or specific participant transactions, as defined. Allocations of plan earnings or losses and expenses are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**d. Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's matching and non-elective contribution portion of their accounts is based on years of continuous service as follows:

| <u>Participant's<br/>Years of<br/>Service</u> | <u>Vesting<br/>Percentage</u> |
|-----------------------------------------------|-------------------------------|
| Less than 2                                   | 0%                            |

**e. Investment Options**

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Employer's contributions into various investment vehicles offered by the Plan. Participants may change their investment elections as frequently as permitted under the Plan.

**f. Payment of Benefits**

Upon termination of service due to retirement, death, or disability, a participant or beneficiary may elect to receive benefits in the form of a lump sum distribution. Partial or installment distributions are permitted only to satisfy required minimum distribution rules. In service distributions may be requested from a participant's elective deferral account balance for hardships or upon attainment of age 59 ½ from all participant accounts.

**Note 1 - DESCRIPTION OF PLAN (Continued)**

**g. Forfeitures**

As of December 31, 2025 and 2024, the balance in the forfeited nonvested accounts totaled \$15,977 and \$6,637, respectively. The Plan can use forfeitures to reduce Plan expenses. During 2025, forfeitures were used to pay expenses of the Plan totaling \$36,350.

**Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a. Basis of Accounting**

The accompanying financial statements are prepared using the accrual method of accounting.

**b. Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**c. Investment Valuation and Income Recognition**

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Employer determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**d. Payment of Benefits**

Benefits are recorded when paid.

**Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**e. Expenses**

The Employer pays certain plan administrative expenses and are excluded from these financial statements. The remaining fees are paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

**f. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) or the Plan are recorded as a liability and included with benefits paid to participants. The Plan distributed the 2025 and 2024 excess contributions to the applicable participants prior to March 15 of the following plan year.

**g. Subsequent Events**

The Employer has evaluated subsequent events through August 11, 2026, the date the financial statements were available to be issued.

**Note 3 - CERTIFIED INVESTMENTS**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments at fair value and contract value as of December 31, 2025 and 2024 and net appreciation in fair value of investments for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Financial Life Insurance Company ("Transamerica"), the custodian of the Plan.

**Note 4 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Employer has the ability to access.

#### Note 4 - FAIR VALUE MEASUREMENTS

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2025 and 2024.

- *Pooled Separate Accounts*: Each pooled separate account invests its assets solely in the shares or units of an underlying mutual fund, and the investment objective of each subaccount corresponds to the investment objective of the underlying mutual fund. The value of each pooled separate account is determined using various inputs, such as the net asset value (NAV) of the shares of the underlying investment funds held at year end adjusted for administrative expenses and other charges. These investments have therefore not been classified in the fair value hierarchy table. As of December 31, 2025 and 2024, there are no unfunded commitments related to these investments and the Plan may redeem these assets daily.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4 - FAIR VALUE MEASUREMENTS (Continued)**

The following tables set forth by level within the fair value hierarchy they Plan's assets at fair value as of December 31, 2025 and 2024:

| Description                                   | December 31, 2025 |             |             | Fair Value         |

<sup>(a)</sup> Pooled separate accounts are measured using NAV as a practical expedient. These investments have not been classified in the fair value hierarchy table. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

As of December 31, 2025 and 2024, there were no assets measured at fair value on a non-recurring basis.

**Note 5 - CONTRACT WITH INSURANCE COMPANIES**

The Plan holds an investment in a fully benefit-responsive investment contract held in the Transamerica Stable Value Core Option totaling \$27,838 and \$15,051 as of December 31, 2025 and 2024, respectively. The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

**Note 6 - RISK AND UNCERTAINTIES**

The Plan's investments are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

**Note 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, upon such action all participants or beneficiaries will be 100% vested in all accounts.

**Note 8 - TAX STATUS**

Effective January 1, 2022, the Employer adopted a non-standardized pre-approved plan which has received an opinion letter from the IRS dated June 30, 2020, stating that the plan document was in compliance with applicable requirements of the Internal Revenue Code. The Plan itself has not separately applied for tax-exempt status; however, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 9 - RELATED PARTY TRANSACTIONS**

Certain plan investments are units of pooled separate accounts and managed by Transamerica. Transamerica provides custodial and recordkeeping services to the Plan and, therefore, these transactions qualify as party-in-interest transactions under ERISA. The Plan pays administrative fees to Transamerica which totaled \$31,030 for the year ended December 31, 2025.
