INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
AMS Group 401(k) Plan
Alexandria, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AMS Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AMS Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AMS Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AMS Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AMS Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AMS Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMS GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the AMS Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2023. The Plan covers all employees of AMS Group, Inc and its subsidiaries as follows: AMS System Technology Company LLC and Hensoldt, Inc., Aero International, LLC, Allied Defense Industries, LLC, H Scientific, LLC, Northern Defense Industries, LLC (together with AMS Group, Inc. referred to as "the Company"). The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The Vanguard Group, Inc. (Vanguard) provides the investment platform of the Plan - "Vanguard Retirement Plan Access." Vanguard has an agreement with Ascensus, LLC to provide the recordkeeping and administrative services to the Plan utilizing the Ascensus system platform. Ascensus Trust Company ("Ascensus") serves as trustee of the Plan. Ascensus is not affiliated with Vanguard or any of its affiliates.

The *Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022* (SECURE Act 2.0), signed into law December 29, 2022, among other things, includes several required and optional provisions that will impact employee benefit plans and go into effect at various times through 2027. The provision that was required to be implemented during the year ended December 31, 2025 was that long-term part-time employees with 2-consecutive 12-month periods of at least 500 hours of service must be eligible to participate in the Plan. The optional provisions that could be implemented during the year ended December 31, 2025, are: 1) an increase of catch-up contributions ("super catch-up"), which allows Plan participants aged 60 to 63 to make larger catch-up contributions to the Plan equal to the greater of \$10,000 or 150% of the standard catch-up limit (\$11,250 for 2025) and 2) allow employers to treat student loan payments as elective deferrals for purpose of receiving matching contributions. The Plan has elected to adopt the "super catch-up" provision of the SECURE Act 2.0 during the 2025 plan year. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance.

Plan Mergers

In November 2024, Hensoldt, Inc. terminated its participation in the Insperity 401(k) Plan and merged into the AMS Group 401(k) Plan on November 1, 2024. The merger initiated a blackout period beginning on October 27, 2024, and continuing through November 17, 2024. The assets transferred to the Plan as a result of the merger totaled \$547,040 and were received by the Plan on November 5, 2024.

Eligibility

All employees who are age 21 and have completed three months of service are eligible to participate in the Plan. Employees must be employed as of the last day of the Plan year to be eligible to receive employer profit-sharing contributions. Employees may enter the Plan on the first day of each month of the plan year.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants may contribute on a pre-tax or after-tax basis up to 100% of their annual eligible compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax "Roth" contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans referred to as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trusts as investment options for participants.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are auto-enrolled in the Plan with a default deferral rate set at 3% of eligible compensation, unless they affirmatively elect not to participate within the 30-day opt-out period. Participants who were automatically enrolled will have their deferral contribution rate increased by 1% each year until it reaches a maximum of 6% of compensation, unless the participants elect otherwise.

The Plan allows for safe harbor matching contributions for all eligible employees, equal to 100% of the first 1% of the compensation contributed to the plan, and 50% of the next 5% of compensation contributed to the plan. During the years ended December 31, 2025 and 2024, the Company made safe harbor contributions to the Plan totaling \$321,209 and \$330,042, respectively. The Company may also make discretionary matching, profit-sharing, and nonelective contributions, determined on an annual basis. The Company made no discretionary matching, profit-sharing, and nonelective contributions during 2025 and 2024.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of the Company's contributions, investment earnings and losses and any administrative expenses paid by the Plan. Allocations are based on participant investments held, account balances, or specific participant transactions, as defined. Plan participants have daily access to their account via phone or internet and may change the allocation of their investments to any of the investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, qualified nonelective contributions, and all earnings thereon. Vesting in the employer safe harbor contributions, discretionary matching and profit-sharing contributions, is based on years of continuous service. After one year of service, a participant becomes 50% vested in the safe harbor contributions and fully vested after two years. After three years of service, a participant becomes 100% vested in the discretionary matching and profit-sharing contributions. A participant will also become fully vested upon attainment of normal retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants in the Plan may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their eligible account balance, reduced by any outstanding note balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Plan participants may have up to two loans outstanding at any one time. Principal and interest are paid ratably through payroll deductions.

Interest rates on the outstanding loans as of December 31, 2025 and 2024 ranged from 4.25% to 9.50%.

Payment of Benefits

Upon termination of service due to retirement, death, full and permanent disability or attaining age 65, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of the vested interest in their account. The Plan allows in-service withdrawals at age 59½ and hardship withdrawals under certain circumstances, as defined in the Plan document. Withdrawals from rollover contributions are permitted at any time.

Forfeited Accounts

Forfeitures may be used to pay plan administrative expenses or reduce employer contributions to the plan. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$-0- and \$4,015, respectively. During the years ended December 31, 2025 and 2024 the Plan used \$16,721 and \$1,940, respectively, of forfeiture funds to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid either by the Plan or directly by the Company. The Plan is not required to reimburse the Company for expenses paid on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified by Ascensus, LLC, as an agent for Ascensus Trust Company, the trustee of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds

The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts

The plan invests in Common Collective Trusts (CCT) operated and maintained by Great Gray Trust Company. The CCT are valued at the net asset value (NAV) of the units held by the Plan. The NAV is not a publicly quoted but is available to current investors via the plan custodian website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, those investments are considered to have a readily determinable fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by The Vanguard Group, Inc. Vanguard has a partnership agreement with Ascensus LLC to provide plan recordkeeping and administrative services on its behalf and Ascensus Trust Company serves as trustee of the plan. Therefore, transactions in these funds qualify as party-in-interest transactions.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. Participant loans also qualify as party-in-interest transactions. There were no financial transactions recorded between the Company and the Plan other than contributions made.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype 401(k) profit-sharing plan sponsored by Ascensus, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype profit-sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.
