BayCare Health Systems, LLC Employee Welfare Benefit Program

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of BayCare Health Systems, LLC Employee Welfare Benefit Program, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BayCare Health Systems, LLC Employee Welfare Benefit Program's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BayCare Health Systems, LLC Employee Welfare Benefit Program and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BayCare Health Systems, LLC Employee Welfare Benefit Program's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BayCare Health Systems, LLC Employee Welfare Benefit Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BayCare Health Systems, LLC Employee Welfare Benefit Program's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

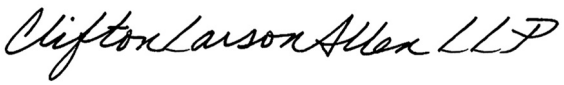

The supplemental schedule of assets (held at end of year) and schedule of reportable transactions as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

Organization

The following description of the BayCare Health Systems, LLC Employee Welfare Benefit Program (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1998 for the purpose of providing health, dental and prescription drug benefits covering substantially all employees of BayCare Clinic, LLC and BayCare Health Systems, LLC (collectively, the Company). Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Plan is supervised by United Medical Resources (UMR) which monitors the funding needs of the Plan with regards to medical and prescription drug benefits and Delta Dental of Wisconsin, Inc. (Delta Dental) which monitors the funding needs with regards to dental benefits. Claim payments, administrative expenses and insurance premiums are paid from the Plan. In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Employee contributions are withheld through payroll deductions.

UMR and Delta Dental coordinate collection and disbursements of funds as well as claim eligibility. Any expenditures in excess of employee contributions received are funded through employer contributions. The Company contributed $10,332,528 and $10,483,774 for the years ended December 31, 2025 and 2024, respectively.

Benefits

The Plan provides medical, dental and prescription drug benefits to full-time and part-time employees of the Company after completion of 30 days of continuous service. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage

The Plan has entered into stop-loss insurance arrangements in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or general assets of the Company. Despite the Plan's utilization of a third-party claim's processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Premiums paid by either the Company or the VEBA trust are recorded in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor.

Stop Loss

Premiums for stop loss insurance are included as stop loss insurance premiums in the accompanying statements of changes in net assets available for benefits. Stop loss refunds totaling $2,203,316 and $2,209,179 have been netted with benefits paid for claims in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively. The stop loss reimbursements receivable was $1,833,408 and $1,489,189 as of December 31, 2025 and 2024, respectively.

Pharmacy Rebates

The Plan entered into a rebate program with certain of its third-party administrators. Rebates due from the third-party administrators are recorded when earned. Rebates due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebate income of $1,063,764 and $678,008 has been netted with benefits paid for claims in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively. Pharmacy rebates receivable was $744,875 and $331,285 as of December 31, 2025 and 2024, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Obligations

Plan obligations for claims payable and claims incurred but not reported were estimated by management based on actual claims paid subsequent to year-end. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Administrative Expenses

Administrative expenses may be paid either by the Plan or by the Company. Expenses paid by the Company are excluded from these financial statements. Administrative expenses consist primarily of administrative fees paid to third-party claims administrators and professional fees. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 29, 2026, the date on which the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for the purpose other than for the exclusive benefit of the Plan's participants.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Mutual Fund: Valued at the daily closing price as reported by the fund. The money market mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Money Market Mutual Fund	$ 935,452	$ -	$ -	$ 935,452

	2024			
	Level 1	Level 2	Level 3	Total
Money Market Mutual Fund	$ 1,837,559	$ -	$ -	$ 1,837,559

NOTE 5 TAX STATUS

A trust was established under the Plan to hold the Plan's assets and was intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). Accordingly, the trust's net investment income is exempt from income taxes. The trust obtained a favorable tax determination letter from the Internal Revenue Service (IRS) dated July 14, 1999, and the Plan administrator believes the trust continues to qualify and to operate in accordance with applicable provisions of the IRC. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. Payments for income taxes of $28,603 and $113,182 have been netted under administrative expenses for the years ended December 31, 2025 and 2024, respectively, related to unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 CERTIFICATION OF INVESTMENT INFORMATION

Associated Trust Company, N.A., the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of investments as of December 31, 2025 and 2024, and investment income for the years ended December 31, 2025 and 2024, in the accompanying financial statements and ERISA-required supplemental schedules.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

As described in Note 1, the Plan has several arrangements with service providers. Fees paid by the Plan for service provider administrative services amounted to $269,498 and $261,093 and are included under administrative expenses on the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively. In addition, a portion of the stop loss insurance is provided by BayCare SP, an insurance provider wholly owned by BayCare Clinic, LLP. Stop loss insurance premiums paid to BayCare SP amounted to $1,003,202 and $839,492 and are included under stop loss insurance premiums on the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively. The stop loss reimbursement receivable due from BayCare SP amounted to $1,270,127 and $1,216,697 and is included on the statements of net assets available for benefits as of December 31, 2025 and 2024, respectively. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of certain investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The liability for claims payable and claims incurred but not reported (IBNR) was estimated by the Plan administrator based on actual claims paid subsequent to year-end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9 OTHER LIABILITIES

Other liabilities represent amounts due to providers and participants related to the operation of its Healthy Lifestyle Premium Discounts Program and stop loss insurance premiums. The total amount due related to the Healthy Lifestyle Premium Discounts Program at December 31, 2025 and 2024 was $136,225 and $146,913, respectively.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2025 and 2024 financial statements to the Form 5500:

	2025	2024
Net Assets Available for Benefits per Financial Statements	$ 3,660,600	$ 3,704,820
Benefit Obligations Payable (Health, Dental, and Prescription Drug Benefits)	1,444,441	1,209,298
Net Assets Available for Benefits per Form 5500	$ 2,216,159	$ 2,495,522

The following is a reconciliation of claims paid for participants per the financial statements to the Form 5500 for the years ended December 31:

	2025	2024
Claims Paid per Financial Statements	$ 11,806,949	$ 12,220,978
Add: Amounts Due - End of Year	1,444,441	1,209,298
Less: Amounts Due - Beginning of Year	(1,209,298)	(1,032,449)
Claims Paid per Form 5500	$ 12,042,092	$ 12,397,827

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under accounting principles generally accepted in the United States of America and, therefore are not presented as liabilities or claims and premiums paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.
