INDEPENDENT AUDITOR'S REPORT

To the Trustees, Administrators, and Participants of
Scintilla 401(k) Plan
Marion, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Scintilla 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Scintilla 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Scintilla 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scintilla 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scintilla 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scintilla 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2025 and assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCINTILLA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. Description of the plan

The following brief description of Scintilla 401(k) Plan (“the Plan”), is provided for general information purposes only. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions. Effective April 1, 2025, the Plan was formally amended to change the plan name from The ESCO Group 401(k) Plan to Scintilla 401(k) Plan.

The Plan is a defined contribution 401(k) plan covering any employee of Scintilla EG Holdings, Inc. and subsidiaries (the “Company” or “Plan Sponsor”) who is at least twenty-one years of age, is not covered by a collective bargaining agreement, and is not an intern, part-time or seasonal employee as defined by the Plan Agreement or a non-resident alien. Employees become participants on the first day of the month immediately following meeting the age requirement. The Plan allows participants to designate all or a portion of their elective deferrals as ROTH elective deferrals. ROTH elective deferrals are accounted for separately in the respective participant’s account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The Plan is funded by pretax and ROTH contributions from participants in amounts up to 100% of eligible compensation, limited to the maximum amount deductible by salary reduction under the Internal Revenue Code (“IRC”). The Plan is a safe-harbor plan with a 3% nonelective employer match contribution. In addition, the Plan also allows for a discretionary employer match up to 4% of employee deferrals in addition to the safe-harbor contribution. Elective deferrals, nonelective safe harbor Company contributions and Company discretionary matching contributions begin on the first day of the month following the completion of eligibility requirements. There was no discretionary match made in 2025 or 2024. Participants may also roll over or transfer amounts representing distributions from other qualified retirement plans.

Participant accounts

Each participant’s account is credited with the participant’s contributions, Company contributions, an allocation of Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant’s compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of the plan, continued

Vesting

Participants are immediately vested in their salary deferrals, rollover contributions, and actual earnings thereon. Participants are also immediately 100% vested in employer safe harbor nonelective contributions. Vesting in the Company's discretionary matching contribution portion of their account plus actual earnings thereon is based on years of continuous service. Participants vest on a graduated basis with 100% vesting after five years of credited service, or upon the participant's death, disability, or attainment of early or normal retirement age, as defined in the Plan Agreement.

Investment options

Upon enrollment in the Plan, participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Participants may change their investment options at their discretion and changes become effective on the next business day. Investment options offered by the Plan are reviewed by an advisory committee comprised of Company employees and a professional investment advisor. During 2025, the Plan made changes to the investment lineup in order to achieve better returns and lower fees. There were no investment changes made during 2024.

Forfeited accounts

During 2025 and 2024, forfeited nonvested accounts totaled \$11,942 and \$29,203, respectively. Forfeitures are used to offset Company contributions or pay plan expenses. Forfeitures in the amount of \$33,390 and \$18,087 were used to offset Company contributions during 2025 and 2024, respectively. As of December 31, 2025 and 2024, there were unallocated forfeitures of \$0- and \$26,527, respectively, available for use.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, or ten years if used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to 2% over the Wall Street Journal prime rate as defined in the Plan Agreement. Interest rates range from 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon retirement, death, disability or termination of service, participants receive an amount equal to the value of their vested benefit. The Plan provides for lump-sum and installment distributions. If no benefit election form is completed, participants receive automatic lump-sum distributions for accounts with a value of \$1,000 or less. In addition, participants automatically have balances rolled into an individual retirement account in their name for accounts with balances between \$1,000 and \$5,000, if no election form is completed. Distributions of balances of less than \$5,000 are made as soon as administratively feasible. Distributions of balances of greater than \$5,000 are made at the election of the participants.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of investment risk

As of December 31, 2025 and 2024, approximately 29% and 31% of the Plan's investments were held by two individual mutual funds. As of December 31, 2025 and 2024, approximately 63% of the Plan's investments were held by one mutual fund family. This mutual fund family, and the individual mutual funds, held in excess of 10% of the Plan's total investments at December 31, 2025 and 2024.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of benefits

Benefits are recorded when paid.

2. Summary of significant accounting policies, continued

Income tax status

The Plan is a nonstandardized prototype plan. The Internal Revenue Service (“IRS”) has determined and informed the custodian by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended and restated since the date of this opinion letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent events

Plan management has evaluated subsequent events through August 11, 2026, the date the financial statements were available to be issued.

3. Information prepared and certified by Newport Trust Company, LLC and Ascensus Trust Company, LLC (“Newport Trust” and “Ascensus Trust”), parties-in-interest

All assets of the Plan were held by Ascensus Trust and Newport Trust, parties-in-interest, as of December 31, 2025 and 2024, respectively. All investment transactions during the years ended December 31, 2025 and 2024 were executed under formal custody agreements between the Plan and Newport Trust and Ascensus Trust. All securities bought, sold, or exchanged were executed under these agreements. Such financial information has not been audited by independent auditors.

3. Information prepared and certified by Newport Trust Company, LLC and Ascensus Trust Company, LLC (“Newport Trust” and “Ascensus Trust”), parties-in-interest, continued

In accordance with the provisions of Section 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, Newport Trust and Ascensus Trust, have certified the following unaudited financial information to be complete and accurate with respect to the Plan’s assets held by them as of December 31, 2025 and 2024, and activity for the years then ended:

	2025	2024
Investments, at fair value:		
Mutual funds	\$ 36,414,221	\$ 30,454,763
Common collective trust	531,367	311,310
Interest-bearing cash	3,707	7,038
Total investments, at fair value	<u>36,949,295</u>	<u>30,773,111</u>
Notes receivable from participants	<u>189,284</u>	<u>191,038</u>
Investment income:		
Net appreciation in fair value of investments	4,969,500	3,741,891
Interest and dividends	661,289	564,871
Total investment income	<u>5,630,789</u>	<u>4,306,762</u>
Interest on notes receivable from participants	<u>\$ 16,925</u>	<u>\$ 19,513</u>

4. Risks and uncertainties

The Plan provides for investments in various securities, which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

5. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the net asset value ("NAV") of units of a common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities. The practical expedient is not used when it is determined to be probable that the trust will sell the investments for an amount different than the reported NAV. Investments in the trust can be redeemed immediately at the current net asset value per share. There are no unfunded commitments or significant restrictions on redemptions.

5. Fair value measurements, continued

Interest-bearing cash: Valued at historical cost which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's investments at fair value as of December 31, 2025 and 2024 respectively:

	<u>2025</u>	<u>2024</u>
Investments in the fair value hierarchy:		
Level 1 - mutual funds	\$ 36,414,221	\$ 30,454,763
Level 1 - Interest-bearing cash	<u>3,707</u>	<u>7,038</u>
Total investments in fair value hierarchy - Level 1	36,417,928	30,461,801
Investments valued at the net asset value:		
Common collective trust	<u>531,367</u>	<u>311,310</u>
Total investments	<u>\$ 36,949,295</u>	<u>\$ 30,773,111</u>

The Plan held no investment in Level 2 or 3 of the fair value hierarchy as of December 31, 2025 and 2024.

The Plan's policy is to recognize transfers between Levels as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels.

6. Administrative expenses

Administrative fees for the maintenance of investments, contribution and distribution records and the processing of related transactions are paid by the Plan to Ascensus Trust, party-in-interest. Total fees paid by the Plan were reduced by 12b-1 payments and similar compensation ("revenue-sharing credit") received by Ascensus Trust. During 2025 and 2024, the Plan Sponsor applied \$27,545 and \$33,376, respectively, of revenue sharing credits to pay administrative fees. Net administrative expenses, of \$115,446 and \$103,435, were paid by the Plan for the years ended December 31, 2025 and 2024, respectively.

Loan set-up and distribution fees are deducted from the respective loan or distribution. Audit fees to BGHN Associates, P.C., a party-in-interest, were paid by the Plan Sponsor in the amount of \$14,500 and 13,000 for the years ended December 31, 2025 and 2024, respectively.

7. Related party and party-in-interest transactions

The Company has an agreement with Ascensus Trust to provide record-keeping, administrative, custodial, and transaction processing services for the Plan's investments. Other party-in-interest transactions are described in Notes 3 and 6.

During the plan years ended December 31, 2025 and 2024, the Company failed to remit employee contributions and loan payments totaling \$-0- and \$32,689, respectively, to the trust within the timeframe required by the Department of Labor under the plan assets rules.
