Junction City, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we—

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DARI-MART STORES, INC. AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of Dari-Mart Stores, Inc. and Affiliated Companies Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2021.

General

Dari-Mart Stores, Inc. and Affiliated Companies own and operate convenience stores, a gas station, a dairy farm, and dairy production plants in the Willamette Valley, Oregon. The Plan is a multiple-employer defined contribution plan covering substantially all employees of Dari-Mart Stores, Inc.; Lochmead Farms, Inc.; Lochmead Dairy, Inc.; S&G Investments, Inc.; and Gibson & Gibson, LLC (collectively, the Employers) who are at least 18 years old and have completed one year of service with 1,000 hours. Once eligibility requirements have been met, employees enter the Plan on January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The original effective date of this Plan was March 27, 2000. The trustees of the Plan are responsible for oversight of the Plan and the appropriateness of the Plan's investment offerings and for monitoring investment performance.

Contributions

Each year, participants may contribute a portion of their total annual compensation, as defined in the Plan, not to exceed statutory limits. Participants may elect their deferrals to be treated as pre-tax or after-tax (Roth). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants who are enrolled in the Plan and have elected a deferral rate of less than 2 percent or have made an election not to contribute will also have their deferral rate set at 2 percent. The automatic deferral amount increases by 1 percent annually, up to 4 percent, not to exceed the maximum allowable deferral.

The Employers' matching contributions are discretionary and are determined annually. Matching contributions shall not exceed 2 percent of compensation as defined in the Plan. In 2025 and 2024, matching contributions were 50 percent of the first 4 percent of base compensation that a participant contributes to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employers' contributions, earnings and losses on the participant's account balance, and is charged with an allocation of administrative expenses and fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

DARI-MART STORES, INC. AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employers' matching contribution portion of their accounts is based on years of continuous service. If termination is due to death or total and permanent disability, the participant is considered to be 100 percent vested. The Employers' contributions vest as follows:

<u>Years of service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Upon retirement, disability, death, or termination of employment, a participant (or their designated beneficiary) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. In-service distributions are available at attainment of age 59½. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals are allowed from vested balances.

Participant Loans

Participants are not permitted to borrow from their accounts under the Plan.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and can be used to pay Plan administrative expenses or reduce future Employers' contributions at the discretion of the Employers. For the years ended December 31, 2025 and 2024, the Plan had \$10,298 and \$9,213, respectively, in new forfeited accounts. During the years ended December 31, 2025 and 2024, the Plan used \$-0- and \$7,500 of forfeitures to pay administrative expenses, respectively. During the years ended December 31, 2025 and 2024, the Plan used \$-0- and \$17,860 of forfeitures to reduce employer contributions, respectively. At December 31, 2025 and 2024, available unused forfeited accounts totaled \$20,265 and \$9,624, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

DARI-MART STORES, INC. AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Contributions

Participant and employer contributions are recorded in the year in which the participant contributions are withheld or the underlying compensation is paid.

Investment Valuation and Income Recognition

Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for additional information on fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases or sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Fees

General Plan administrative expenses, investment management fees, and other fees are paid from participant accounts. Administrative expenses paid by the Employers are excluded from these financial statements. Investment related expenses are included in net change in fair value of investments or as a reduction from investment income.

Revenue Sharing

The Plan contains a revenue sharing expense offset arrangement where the Plan is credited a fixed monthly amount which is used to pay investment advisory expenses. For the years ended December 31, 2025 and 2024, \$17,815 and \$17,524, respectively, was credited to the account and used to pay investment advisory expenses. At December 31, 2025 and 2024, \$24,602 and \$29,251 of revenue sharing credits were available for use.

Corrective Distributions Payable

At December 31, 2025 and 2024, a liability of \$21,946 and \$20,779, respectively, was recorded for amounts refundable by the Plan to participants for deferral contributions deposited in excess of elected or allowable amounts, including as a result of required compliance testing. This amount is included as corrective distributions payable and corrective distributions on the accompanying financial statements.

3. Information Certified by the Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, acting as the custodian for the Plan for the period January 1, 2024 to December 31, 2025, and Transamerica Trust Company, acting as the custodian for the Plan for the period January 1, 2025 to December 31, 2025, have certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of and for the years ended December 31:

	2025	2024
Investments, at fair value:		
Interest-bearing cash	\$ 24,602	\$ 29,521
Registered investment companies	9,011,100	8,798,723
Insurance general accounts	52,169	10,903
Net change in fair value of investments	1,090,543	717,129
Interest income	1,399	1,046
Dividend income	233,844	228,874

4. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

DARI-MART STORES, INC. AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interest-bearing cash: Cash equivalent funds held by the Plan are valued at cost, which approximates fair value. These assets are treated as Level 2 because there is not an active market for them.

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-ended mutual funds held within a group annuity contract that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded.

Unallocated cash, insurance general accounts: Recorded at contract value which approximates fair value of the underlying general account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Interest-bearing cash	\$ -	\$ 24,602	\$ -	\$ 24,602

NOTES TO FINANCIAL STATEMENTS

5. Plan Spin Off

Effective January 1, 2023, the participating employer Bliss Unlimited, LLC spun off into a separate defined contribution plan. The assets of the employee group of Bliss Unlimited, LLC have been transferred to that plan during the year ended December 31, 2024 in the amount of \$1,342. No additional transfers occurred during the year ended December 31, 2025.

6. Tax Status

The Plan is based on a non-standardized pre-approved profit sharing plan with CODA. Transamerica Retirement Solutions LLC, the sponsor of the pre-approved plan, has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, that the basic plan document satisfies Internal Revenue Code (IRC) Section 401. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Party-in-Interest Transactions

Certain Plan investments are managed by Transamerica Financial Life Insurance Company (TFLIC), the custodian of the Plan, and therefore these transactions qualify as party-in-interest transactions. Administrative fees paid to Transamerica Retirement Solutions, an affiliate of TFLIC, for 2025 and 2024 totaled \$28,689 and \$28,448, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Plan Termination

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Employers' contributions.

DARI-MART STORES, INC. AND AFFILIATED COMPANIES EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

10. Non-Exempt Transactions

For the years ended December 31, 2025 and 2024, participant contributions totaling \$35,271 and \$13,194, respectively, were not remitted to the Plan within the appropriate time period by the Employers. These transactions constitute prohibited transactions as defined by ERISA. The Employers are taking the appropriate steps to correct the situation by reimbursing employees for lost earnings and interest, and have further implemented a procedure to ensure that all future remittances are made within the prescribed time period. Of the total delinquent contributions, \$13,194 were fully corrected with lost earnings in 2025, and \$35,271 will be corrected with lost earnings in 2026.

11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
