INDEPENDENT AUDITOR'S REPORT

Plan Administrator
OCLC Retirement Plan
Dublin, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of OCLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2025 Financial Statements

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2025 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2025 financial statements.

Basis for Disclaimer of Opinion on the 2025 Financial Statements

Because the Plan does not have sufficient accounting records and supporting documents prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2025, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year then ended. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying 2025 financial statements may have been affected by these conditions.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our responsibility is to conduct an audit of the Plan's 2025 financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2025 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2025 financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2024 Financial Statements

The financial statements of the Plan as of December 31, 2024 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated August 29, 2025 disclaimed an opinion on those statements because of the departure from generally accepted accounting principles described in the Basis for Disclaimer of Opinion of the 2025 Financial Statements section of our report.

OCLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION

The following description of the OCLC Retirement Plan (the Plan) is provided for general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - OCLC, Inc. (the Company) established the Plan, which is an Internal Revenue Code (IRC) Section 403(b) defined contribution plan, effective May 1, 1973. The Plan was last restated as of December 15, 2025. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger - Effective December 15, 2025, the Plan was amended to merge the assets and account balances of the OCLC Supplemental Plan, a separate qualified defined contribution plan, into the Plan. The merger was accounted for as a transfer of net assets in accordance with applicable accounting guidance for employee benefit plans and was based on the fair value of the assets transferred as of the merger date. As a result of the merger, approximately \$26.5 million of net assets were transferred into the Plan during the year ended December 31, 2025, which is reflected as a transfer of assets into the Plan in the accompanying statement of changes in net assets available for benefits. Participant account balances of the merging plan were mapped into the Plan with no interruption to participant-directed investment elections.

Contributions - Eligible employees of the Company become eligible to participate after completing two years of service and satisfying the other eligibility requirements in the Plan agreement. The Company contributes 7.15% of Plan Compensation within the current-year Social Security Earnings Base and 12.85% of Plan Compensation above that base, subject to applicable limits. No employee deferrals are permitted, but participants may contribute amounts representing distributions from other qualified plans (rollovers). A participant may direct Company contributions in any of the various investment options offered by the Plan. Participants may change their investment options at any time. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - The Plan maintains a separate account for each participant. Each participant's account is credited with the Company's contribution and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately 100% vested in the Company's contributions plus actual earnings thereon. Participant contributions transferred into the Plan are 100% vested.

Notes Receivable from Participants - Pursuant to a plan restatement effective December 15, 2025, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Prior to the restatement date of December 15, 2025, loans were not permitted.

Payment of Benefits - A participant may receive the value of their vested account upon retirement, disability or termination. Upon death of a participant, the beneficiary shall be entitled to the full value of the account. Distributions are made in either a lump-sum, installments over a specified period not exceeding the life or life expectancy of the participant, or annuities.

OCLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases making loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions - Contributions from the employer are recorded in the year in which the employee earns compensation.

Payments of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events - Pursuant to a plan restatement effective January 1, 2026, participants may elect to make pre-tax and/or after-tax contributions to the Plan of up to 100% of eligible compensation and participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions subject to certain IRS limitations.

The Plan has evaluated subsequent events through August 21, 2026, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board (FASB) accounting standard for Fair Value Measurement establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the standard are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: Cost approximates fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 149,197,994	-	-	\$ 149,197,994
Total Assets At Fair Value	\$ 149,197,994	-	-	\$ 149,197,994

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

		2024			
		Level 1	Level 2	Level 3	Total
Money market fund	\$	1,683,678	-	-	\$ 1,683,678
Mutual funds		111,723,921	-	-	111,723,921
Total Assets At Fair Value	\$	113,407,599	-	-	\$ 113,407,599

NOTE 4 - GUARANTEED INVESTMENT CONTRACTS

The Stable Value Fund and Guaranteed Income Fund are fully benefit-responsive guaranteed fixed annuity contracts available as investment options to Plan participants. The fixed annuity contracts are issued by Lincoln National Life Insurance Company (Lincoln) and Empower Annuity Insurance Company of America (EAICA), which maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals. Lincoln and EAICA are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Lincoln and EAICA, represents contributions made under the contract, plus earnings less participant withdrawals. Participants may ordinarily direct withdrawals or transfers of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with Lincoln and EAICA, including (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No known events are probable of occurring that might limit the ability of the Plan to transact at contract value with Lincoln and EAICA and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow Lincoln and EAICA to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation or (4) a material amendment to the agreement without the consent of Lincoln and EAICA.

OCLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2025 AND 2024

NOTE 5 - CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by EAICA and Empower Trust Company, LLC (collectively, Empower), the trustee of the Plan from December 15, 2025 to December 31, 2025, and Lincoln Financial Group Trust Company, Inc., the trustee of the Plan from January 1, 2024 to December 14, 2025.

NOTE 6 - TAX STATUS

The Plan was an individually designed plan through December 14, 2025 that has, since its original adoption, been designed to be a tax-qualified IRC Section 403(b) plan. Since its adoption, the Plan has been amended as necessary, so the Plan could maintain its tax-qualified status under IRC Section 403(b). Effective December 15, 2025, the Plan adopted a new pre-approved plan document. The new document is covered by a favorable IRS opinion letter issued to the document sponsor dated November 29, 2024. Although the Plan has been amended since receiving the determination and opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. Lincoln Financial Group Trust Company, Inc. was the trustee of the Plan from January 1, 2024 to December 14, 2025. Beginning on December 15, 2025, Empower is the trustee as defined by the Plan and manages the Plan's investments; therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees to Lincoln Financial Group Trust Company, Inc. and Empower for services rendered which amounted to \$90,050 and \$150, respectively, during 2025.

Certain administrative functions are performed by officers or employees of the Company at no cost to the Plan. These transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - CONTRACTS AND ACCOUNTS EXCLUDED FROM PLAN ASSETS

The Plan administrator has determined that certain annuity contracts and/or custodial accounts satisfy the terms and conditions of the DOL's Field Assistance Bulletin No. 2009-02 (listed below), and as a result, these contracts and/or accounts have been excluded from the Plan's financial statements and the scope of audit as of December 31, 2025 and 2024. These annuity contracts are individually titled to the owner of the annuity and not held in trust by the Plan.

- a. The contracts and/or accounts were issued to a current or former employee before January 1, 2009.
- b. The Company ceased to have any obligation to make contributions (including employee salary reduction contributions) and, in fact, ceased making contributions to the contracts and/or accounts before January 1, 2009.
- c. All rights and benefits under the contracts and/or accounts are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the Company.
- d. The individual owners of the contracts are fully vested in the contracts and/or accounts.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that a change in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
