INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Mileone Autogroup, Inc. 401(k) Plan
Towson, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mileone Autogroup, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MILEONE AUTOGROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Years ended December 31, 2025 and 2024

NOTE 1 - PLAN DESCRIPTION

General: The MileOne Autogroup, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established effective September 1, 1988. To be eligible for participation in the Plan, employees must have at least one year of service with MileOne Autogroup, Inc. or a participating employer (the Company) and be age 21 or older. Employees may enter the Plan as soon as administratively feasible following satisfaction of the eligibility requirements. The eligibility requirements are the same for participant and company matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute a percentage of eligible compensation, as defined in the Plan. Participants who elect to contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant's election and may be redirected online at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, participants who attain age 60, 61, 62, or 63 during the calendar year are eligible to make higher catch-up contributions, subject to applicable Internal Revenue Code limitations. Participants may also contribute amounts representing distributions from other qualified plans.

The Company, upon approval of the Board of Directors, may make a discretionary matching contribution on an annual basis to all eligible employees. During 2025, the Company matched 25% of each eligible employee's contributions up to 4% of annual compensation, not to exceed \$3,500. Company discretionary matching contributions for the year ended December 31, 2025 totaled \$1,809,291 which included \$84,271 of reallocated forfeitures. The Company may, at its discretion, make additional profit sharing contributions to the Plan on an annual basis. There were no profit sharing contributions for the current Plan year. Contributions are subject to certain limitations.

Employees are automatically enrolled at a 3% deferral rate upon becoming eligible to participate in the Plan and they may elect to change or discontinue deferrals at any time. For those employees automatically enrolled, the 3% deferral rate is automatically increased by 1% annually on their entry date anniversary, up to a maximum deferral rate of 8%.

Vesting: Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service. A participant or their beneficiary is 100% vested after three years of credited service or upon death or disability. Participants become 100% vested under the Plan (assuming the participant is not already fully vested) if employed on or after the age of 55.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) Company contributions and (b) Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$500 up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's vested balance and no more than two outstanding notes are permitted at any time. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with market rates for similar loans. All notes are covered by demand notes and are repayable through payroll deductions.

MILEONE AUTOGROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Years ended December 31, 2025 and 2024

NOTE 1 - PLAN DESCRIPTION (Continued)

Payment of Benefits: Upon retirement, termination of employment, death, disability, or the attainment of age 59 $\frac{1}{2}$, the participant or beneficiary is entitled to receive the vested balance in the participant's account in the form of a lump-sum distribution unless the participant elects another option as provided by the Plan. In addition, participants may also request a distribution from their participant deferral contributions account in the event of a financial hardship as defined by the Plan. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 $\frac{1}{2}$.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Forfeited Accounts: Terminating employees of the Plan are paid the current value of the vested balance in their Plan accounts as soon as administratively feasible. Unvested amounts are forfeited and may be used to pay Plan expenses or reduce Company contributions. Unallocated forfeitures totaled \$63,872 and \$67,910 at December 31, 2025 and 2024, respectively. During 2025, \$84,271 of forfeitures were used to reduce Company matching contributions and \$4,197 were used to pay Plan expenses.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping, trustee, and investment advisory fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 4. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan provides for investment options in various mutual funds. The underlying investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, the trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following description of the valuation method and assumption used by the Plan to estimate the fair value of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value as of December 31, 2025 on a recurring basis are summarized below:

	<u>Total</u>	Quoted Prices in Active Markets For Identical Assets (Level 1)
Mutual funds	<u>\$ 206,652,997</u>	<u>\$ 206,652,997</u>

Investments measured at fair value as of December 31, 2024 on a recurring basis are summarized below:

	<u>Total</u>	Quoted Prices in Active Markets For Identical Assets (Level 1)
Mutual funds	<u>\$ 186,924,531</u>	<u>\$ 186,924,531</u>

NOTE 5 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 211,438,121	\$ 191,403,598
Deemed distributions of loans	<u>(910,184)</u>	<u>(861,229)</u>
Net assets per the Form 5500	<u>\$ 210,527,937</u>	<u>\$ 190,542,369</u>

The following is a reconciliation of the change in assets available for benefits for the year ended December 31, 2025 per the financial statements to the net income (loss) per the Form 5500:

Net increase in assets available for benefits per the financial statements	\$ 20,034,523
Change in deemed distributions of loans	<u>(48,955)</u>
Net income (loss) per the Form 5500	<u>\$ 19,985,568</u>

NOTE 6 - TAX STATUS

The Internal Revenue Service has issued an opinion letter dated November 14, 2022 indicating that the non-standardized pre-approved plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The plan has been amended since receiving the latest opinion letter. The plan administrator believes that the Plan is currently designed and being operated in accordance with the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Empower Trust Company, LLC is the Plan's trustee, Merrill Lynch Pierce Fenner and Smith (Merrill Lynch) is the investment advisor, and Empower Retirement, LLC is the recordkeeper; therefore, the Plan's payment of trustee fees, investment advisory and management, and administrative fees to Empower Trust Company, LLC, Merrill Lynch, and Empower Retirement, LLC qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through August 28, 2026, which is the date the financial statements were available to be issued.
