Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Thrive Companies 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of November 30, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period ended November 30, 2025 and the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of November 30, 2025 and December 31, 2024, and for the periods then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Emphasis of Matter – Plan merger

As discussed in *Plan Termination* note to the financial statements, effective November 30, 2025, the Plan merged with Builder's Exchange of Central Ohio Multiple Employer Plan, and the Plan's net assets were transferred to that plan. Our opinion is not modified with respect to this matter.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

THRIVE COMPANIES 401(k) PLAN

Notes to Financial Statements

November 30, 2025 and December 31, 2024

Plan Description

The following description of the Thrive Companies 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers all eligible employees of Thrive Companies (the Company) unless the employee is a: union employee; non-resident alien of the United States; and/or a leased employee, as defined by the Plan.

The Plan is a qualified trust under Sections 401(a) and 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

As discussed in *Plan Termination* note below, effective November 30, 2025, the Plan merged with Builder's Exchange of Central Ohio Multiple Employer Plan, and the Plan's net assets were transferred to that plan.

Eligibility

The Plan permits eligible employees to make elective deferrals on the first day of the January or the first day of each quarter (April, July and October) following the date they attain age 21 and complete one month of service. The Plan includes an automatic enrollment provision of eligible participants at 6%.

Contributions

Each year, participants may elect to defer up to 100% of their W-2 wages, as defined by the Plan, not to exceed the limits imposed by the Internal Revenue Service (IRS) as either a pre-tax and/or Roth 401(k) deferral. These deferral contributions are fully vested and non-forfeitable. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company may make, at its discretion, a matching contribution to the Plan.

The Plan utilizes the safe-harbor method for employer matching contribution, contributing 100% of the first 4% of each eligible participant's eligible compensation during 2025 and 2024. The Company made matching contributions of \$325,560 and \$383,216 for the 11-month period ended November 30, 2025 and the year ended December 31, 2024, respectively. The Plan also provides for a discretionary match up to 4% of compensation. No discretionary match contributions were made in 2025 or 2024. Contributions are subject to certain limitations.

THRIVE COMPANIES 401(k) PLAN

Notes to Financial Statements

November 30, 2025 and December 31, 2024

Plan Description (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Organization's non-elective contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in both the Company's discretionary matching portion of their accounts and the safe harbor matching portion of their accounts, plus actual earnings, is based on continuous years of service according to the following vesting schedule; however, upon reaching normal retirement age, participants become 100% vested in the Company's matching portion of their accounts, plus actual earnings:

Years of Service	Vesting Percentage
Less than 1	0%
2 or more	100%

Notes Receivable Participant Loans

Participants may borrow from their fund. The loans are secured by the balance in the participant's account and bear interest at Wall Street Journal Prime rate plus 1%, which is commensurate with local prevailing rates. Principal and interest are paid ratably through weekly payroll deductions.

Investment Options

A participant may direct Company and participant contributions in any of the various investment options offered by the Plan. Participants may change their investment options at any time. The Plan currently offers several mutual funds as investment options.

Payment of Benefits

A participant may receive the value of his or her vested account upon termination, death, disability or normal retirement. Normal retirement age is 62. Distributions are made in a lump sum payment. In-service withdrawals are permitted for participants who have reached age 59½ or incurred a hardship.

November 30, 2025 and December 31, 2024

Plan Description (continued)

Forfeited Accounts

At November 30, 2025 and December 31, 2024, forfeited non-vested accounts totaled \$16,618 and \$26,951, respectively. Amounts forfeited by participants who terminate service prior to becoming fully vested are used to reduce employer contributions, reduce Plan expenses or reinstate previously forfeited balances of former participants, if any. During 2025, forfeitures of \$16,618 were transferred to the Builder's Exchange of Central Ohio Multiple Employer Plan. Forfeitures used to pay administrative expenses of the Plan were \$26,951 and \$-0- during 2025 and 2024, respectively.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure of investments, see the Fair Value Measurements footnote therein.

Purchases and sales of securities are recorded on the trade date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the periods.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Fair Value Measurements

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 30, 2025 and December 31, 2024.

Mutual funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at period-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

November 30, 2025 and December 31, 2024

Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of November 30, 2025 and December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of November 30, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total assets at fair value	\$ -	\$ -	\$ -	\$ -

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,354,449	\$ -	\$ -	\$ 4,354,449
Total assets at fair value	\$ 4,354,449	\$ -	\$ -	\$ 4,354,449

Plan Termination

The Company may discontinue its contributions at any time or terminate the Plan, subject to the provisions of ERISA. As discussed above, the Company exercised its right to terminate the Plan in accordance with the Plan document. The Plan termination was approved on May 28, 2025. In accordance with the Plan's termination provisions, all participant account balances became fully vested upon termination.

As of November 30, 2025, all participant account balances, including participant notes receivable and forfeitures, were merged into the Builders Exchange of Central Ohio Multiple Employer Plan. Net assets transferred to the Multiple Employer Plan totaled \$5,359,868, of which approximately \$5,300,000 was invested in mutual funds. As of November 30, 2025, the Plan had a receivable from sponsor/employer and a payable due to the Multiple Employer Plan for the amount of \$26,260 each.

Tax Status

The Plan has adopted a non-standardized pre-approved profit sharing plan with cash or deferred arrangements (CODA), which obtained its latest prototype opinion letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated the Plan document and related trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Company is relying on the Plan's IRS opinion letter. The Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of November 30, 2025 and December 31, 2024, therefore no provision for income taxes has been included in the Plan's financial statements.

THRIVE COMPANIES 401(k) PLAN

Notes to Financial Statements

November 30, 2025 and December 31, 2024

Tax Status (continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2025 and December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Everhart Financial Group and Meyers Wealth Management provides investment management services for the Plan. Latitude Service Company, Inc. provides recordkeeping services for the Plan. North American KTRADE Alliance, LLC provides recordkeeping services for the Plan. Therefore, these investments and all transactions with them qualify as party-in-interest transactions in which total fees paid to these parties by the Plan for services rendered amounted to \$27,364 for the 11-month period ended November 30, 2025, and \$36,240 for the year ending December 31, 2024.

Subsequent Events – Date of Management’s Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor’s Report, the date the financial statements were available to be issued.
