Independent Auditor's Report

Plan Administrator
403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Wantagh, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of 403(b) Thrift Plan of P.L.U.S. Group Homes, Inc. (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section it is inappropriate to and we do not express an opinion on this supplemental schedule.

Note 1. Description of the Plan

General

The following description of the 403(b) Thrift Plan of P.L.U.S. Group Homes, Inc. (the Plan) provides only general information. In December 2010, P.L.U.S. Group Homes, Inc. (the Company) adopted the 403(b) Thrift Plan. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that meets the requirements of Section 403(b) of the Internal Revenue Code (the Code) and covers substantially all employees of the Company. Employees are eligible to participate in the Plan on the first day of the month following their employment date with the Company.

Employees must attain the age of 20 and complete one year of service in order to be eligible for employer contributions. A year of service is a 12-month consecutive period in which the employee is credited with more than 1,000 hours of service. Mutual of America Life Insurance Company is the trustee of the Plan and serves as Plan custodian. The Plan Administrator and the Company management is responsible for oversight of the Plan.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended.

Contributions

Participants can elect to contribute a portion of their pre-tax annual compensation, subject to the Code limitations, as a salary-reduction contribution. The Plan allows participants age 50 years and older to make additional salary-reduction contribution deferrals subject to legal limits. The Plan also allows the special catch-up deferral for participants. Participants may also contribute amounts representing eligible rollover distributions from other legally qualified defined benefit or defined contribution plans (rollover).

The Company makes an employer contribution on behalf of each eligible participant in an amount equal to 3% of the participant's compensation up to \$30,000 and 6% of the participant's compensation in excess of \$30,000. The employer contributions are made on a monthly basis. No discretionary contributions were made during 2025 and 2024. Contributions are subject to certain limitations.

The Plan has an automatic deferral feature whereby an eligible participant is treated as electing to defer 1% of eligible compensation unless the participant made an affirmative election otherwise.

The Plan also stipulates that each participant is to be notified of their right not to contribute (or to contribute a different amount) before automatic contributions commence and at least once each calendar year thereafter.

Participant Investment Account Options

All of the Plan's investment options are participant directed. Participants may direct the investment of their account balances into any of the Plan's available investment options with Mutual of America Life Insurance Company (MOA).

Participant Accounts

Each participant's account is credited with the participant's salary-reduction contributions and rollovers, the Company's contribution, plus actual earnings, or losses thereon, and charged with investment fees, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

Vesting

Participants are immediately vested in their salary-reduction contributions plus earnings thereon. Vesting in the Company contributed portion of their accounts plus any earnings is based on years of vesting service. A participant vests at a rate of 25% per year, beginning in year two. A participant is 100% vested after five years of continuous service. The Plan uses a graded vesting schedule as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years or more	100%

Payment of Benefits

The payment of benefits can be made upon severance from employment, disability, or death, as defined by the Plan. The Plan does allow in-service and financial hardship withdrawals, as defined.

A participant may not withdraw any employer contribution amounts before the termination of employment.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is based on local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions. All loans are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence).

Forfeited Accounts

At December 31, 2025 and 2024, there were no forfeited nonvested accounts. Forfeitures of nonvested participant accounts are first used to pay any charges under the contract and any remaining amount may be used to reduce employer contributions. There were \$16,232 and \$21,518 of forfeitures used during the years ended December 31, 2025 and 2024, respectively, to reduce employer contributions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

Investment Valuation and Income Recognition

Investments in pooled separate accounts of the custodian are valued at estimated fair value, which have been determined based on unit values of the accounts as provided by MOA. Quoted market prices, if available, are used to value investments.

The Plan's general investment account with MOA is valued at fair value. The fair value of the general investment account is calculated by the custodian utilizing current interest rates. There are no front-end or back-end charges and the value reflected on the statement is immediately redeemable. The account is similar to a cash equivalent and is issued with variable rates that are periodically adjusted based on changes in economic conditions. This account is not fully benefit-responsive.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Note 3. Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, MOA, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2025

403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments are shares of pooled separate accounts and general investment account managed by MOA. MOA is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid \$4,711 and \$4,294 of administrative fees to MOA during the years ended December 31, 2025 and 2024, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5. Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

2025				
	Total	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 8,337,454	\$ -	\$ 8,337,454	\$ -
Interest accumulation account	1,551,698	-	1,551,698	-
	<u>\$ 9,889,152</u>	<u>\$ -</u>	<u>\$ 9,889,152</u>	<u>\$ -</u>

2024				
	Total	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 7,721,509	\$ -	\$ 7,721,509	\$ -
Interest accumulation account	1,436,586	-	1,436,586	-
	<u>\$ 9,158,095</u>	<u>\$ -</u>	<u>\$ 9,158,095</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

403(b) Thrift Plan of P.L.U.S. Group Homes, Inc.
Notes to Financial Statements
December 31, 2025 and 2024

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 7. Plan Tax Status

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan and custodial document sponsored by MOA. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 to Form 5500:

	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 9,283,327
Certain deemed distributions of participant loans	<u>(6,460)</u>
Net assets available for benefits per Form 5500	<u><u>\$ 9,276,867</u></u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements at December 31, 2025, to Form 5500:

	<u>2025</u>
Net increase in net assets available for benefits per the financial statements	\$ 733,975
Benefit payments	<u>6,460</u>
Net increase in net assets available for benefits per Form 5500	<u><u>\$ 740,435</u></u>

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

Subsequent events have been evaluated through September 8, 2026, which is the date the financial statements were available to be issued.
