Independent Auditors' Report

To the Administrative Committee of
Brown Health 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed audit of the financial statements of Brown Health 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Brown Health 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Brown Health 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brown Health 401(k) Retirement Savings Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brown Health 401(k) Retirement Savings Plan’s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brown Health 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. BROWN HEALTH 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Brown Health 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan, which covers substantially all employees of Brown Health, Rhode Island Hospital, The Miriam Hospital, Emma Pendleton Bradley Hospital, Newport Hospital, Lifespan Physician Group, Inc., Gateway Healthcare, Inc., and other Brown Health affiliates (Participating Employers), was adopted January 1, 2018. The Plan and its related Trust are intended to qualify as a profit-sharing plan and trust under Code Sections 401(a) and 501(a), and the cash or deferred arrangement forming part of the Plan is intended to qualify under Code Section 401(k). The Plan is also intended to constitute a plan described in Section 404(c) of the Employee Retirement Income Security Act of 1974 (ERISA). The provisions of the Plan and Trust are construed and applied accordingly. The purpose of the Plan is to provide benefits to participants in a manner consistent and in compliance with such Code Sections and Title I of ERISA.

Effective October 1, 2024, Schedule A of the Plan is amended to include Morton Hospital and Saint Anne's Hospital as participating employers.

Effective October 15, 2024, the plan name has been amended from "Lifespan Corporation 401(k) Retirement Plan" to the "Brown Health 401(k) Retirement Plan".

Effective October 25, 2024, certain employees of Morton Hospital are Eligible Employees for purposes of elective contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(B) EMPLOYEE CONTRIBUTIONS

Participants may contribute up to 70% of their wages, not to exceed the maximum annual contribution allowed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan has established an annual automatic enrollment percentage of 2% of eligible compensation on behalf of the participant, unless the participant elects a different percentage, including an opt-out, on an annual basis. The elective contribution percentage of each participant whose elective contribution percentage is at least 2% shall be automatically increased each January 1 by 1% to a maximum percentage of 10%.

(C) EMPLOYER CONTRIBUTIONS

Matching Contributions

For each pay period within the Plan year, Participating Employers shall contribute as an annual matching contribution, on behalf of each matching eligible participant who has completed a year of matching eligibility service, an amount equal to 100% of such participant's elective contributions for each pay period not to exceed 6% of such participant's compensation. Contributions had been previously made on a quarterly basis, and were switched to per pay period effective July 1, 2024.

Matching contributions are subject to, among other limits, the maximum annual contribution allowed by the Internal Revenue Code (IRC). Matching contributions, if any, will be funded through actual cash contributions by Participating Employers.

(D) PARTICIPANT ACCOUNTS

Each participant's account is credited with both the participant's contributions and Participating Employers' matching contributions as well as allocations of Plan earnings, which are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(E) VESTING

Participants shall always have a vested interest in 100% of their elective contribution account, QNCs, and rollover account, if any. Participants will be fully vested in their matching contributions upon any of the following:

(F) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are secured by the balance in the participant's account, bear interest at the prime rate plus 2%, and have terms ranging from one to five years.

On December 31, 2024, and 2023, notes receivable from participants totaled \$8,891,703 and \$6,075,897, respectively.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(G) EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

(H) PAYMENT OF BENEFITS

Upon termination of employment, participants may elect to receive their distributions equal to the value of their account in either a lump sum amount or in periodic installments. In addition, participants may elect to roll their account into another qualified plan.

(I) PLAN TERMINATION

Although it has not expressed any intent to do so, Brown Health has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

(J) NEW YORK LIFE GUARANTEED INTEREST ACCOUNT

The New York Life Guaranteed Interest Account (GIA) is a guaranteed fixed annuity contract available to Plan participants as an investment option. The GIA contract is fully and unconditionally guaranteed by New York Life Insurance Company. The crediting interest rate was 3.5% as of December 31, 2024, and 3.2% as of December 31, 2023.

The GIA contract provides for full participant-directed liquidity. When a participant's accumulation in the New York Life GIA is converted to a lifetime payout annuity, the entire amount is recorded as a benefit paid directly to participants in the statements of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

(J) NEW YORK LIFE GUARANTEED INTEREST ACCOUNT (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value, including Plan termination or changes in the Plan investment options. No events are probable of occurring that might limit the ability of the Plan to transact at contract value.

The contract may be terminated by the issuer subject to notice provisions outlined in the contract. Upon termination, the issuer may settle the contract at an amount different from contract value.

(K) FORFEITED ACCOUNTS

Any Employer contribution with respect to a participant which is not vested upon termination of the participant is forfeited and may be used to reduce Employer matching contributions.

The forfeited non-vested account totals as of December 31, 2024, and 2023 were \$587,802 and \$132,036, respectively.

(L) CONTRIBUTIONS

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which participant compensation is earned.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

(B) USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingencies. Actual results could differ from those estimates.

BROWN HEALTH 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(C) INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for those deemed to be fully benefit-responsive, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(D) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their outstanding balance plus unpaid accrued interest. As indicated in Note 1(f), such loans bear interest at the prime rate plus 2% and have terms ranging from one to five years. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

(E) PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

(F) ADMINISTRATIVE EXPENSES

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by Brown Health. Expenses that are paid by Brown Health are excluded from these financial statements.

(G) OTHER INCOME

The Plan participates in the Fidelity Revenue Credit Program. Through the Program, the Plan has received credits which represent a return of Fidelity fees. All revenue credits are given directly back to the participants through the program.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), the trustee of the Plan and custodian of certain Plan investment assets, has certified the completeness and accuracy of the investments reflected in the accompanying statements of net assets available for benefits and the related investment activity reflected in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2024 and 2023, and the investment information included in the supplemental schedule to the financial statements as of December 31, 2024. Fidelity held certain plan investment assets and executed certain investment transactions for the years ended December 31, 2024, and 2023. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's trustee and custodian.

NOTE 4 - INVESTMENTS

FAIR VALUE

Accounting Standards Codification 820, Fair Value Measurements (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

BROWN HEALTH 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 - INVESTMENTS (CONTINUED)

FAIR VALUE (CONTINUED)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Investment options available to participants include select mutual funds and Fidelity self-directed brokerage accounts.

Fidelity self-directed brokerage accounts allow participants to invest in a broad range of Fidelity and non-Fidelity mutual funds plus a range of individual securities whose fair values are based on quoted prices.

Mutual funds invest principally in equity securities, fixed income instruments, and short-term instruments in accordance with each fund's investment objectives. Fidelity mutual funds are registered mutual funds whose fair values are based on quoted prices and which are therefore classified in Level 1 of the fair value hierarchy at December 31, 2024 and 2023.

The following tables summarize the Plan's investments by major category within the FASB ASC 820 fair value hierarchy as of December 31, 2024 and 2023, as well as related strategy and liquidity/notice requirements:

NOTE 5 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Management Trust Company (which is affiliated with Fidelity Investments), is the trustee as defined by the Plan, and therefore, these investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - INCOME TAX STATUS

The Plan has received a determination letter from the IRS dated January 29 2021, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code), and therefore, the related trust is exempt from federal taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan's current design and operations comply in all material respects with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

BROWN HEALTH 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 6 - INCOME TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator believes that there are no uncertain tax positions that would have a material impact on the financial statements of the Plan. Therefore, no provision for income taxes has been recorded in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

The Plan Sponsor considers events and transactions that occur after the date of the statement of net assets available for benefits, but before the financial statements of the Plan are issued, to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. These financial statements were issued on March 24, 2026 and subsequent events have been evaluated through that date.
