INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
SWD, Inc. Defined Contribution Plan
Addison, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SWD, Inc. Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income and Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SWD, Inc. Defined Contribution Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025 stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit

of the Financial Statements section of our report. We are required to be independent of SWD, Inc. Defined Contribution Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SWD, Inc. Defined Contribution Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SWD, Inc. Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SWD, Inc. Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SWD, Inc. Defined Contribution Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE A--DESCRIPTION OF PLAN

The following brief description of the SWD, Inc. Defined Contribution Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is sponsored by SWD, Inc. (the "Company") for employees that meet specific eligibility requirements. The Plan, designated as a defined contribution plan, was established on July 1, 1983. With the exception of the non-elective 3% safe harbor contribution amendment, the Plan was most recently amended and restated effective January 1, 2022. The Plan provides for contributions to be made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA"). The Plan Administrator and Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

Contributions

Eligible participants may elect to contribute pre-tax annual compensation to the Plan by means of a salary deferral agreement. Contributions are subject to limitations as provided in the Code and as described in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover) in accordance with the Plan provisions.

The Company may make discretionary matching contributions based on a participant's contributions to the Plan, in accordance with Plan provisions.

Effective November 20, 2025 and November 25, 2024, the Plan was amended to adopt a non-elective 3% safe-harbor contribution. The Plan has the option to make the amendment on an annual basis. The 3% safe-harbor contribution is based on a participant's eligible compensation for the Plan year, subject to statutory limits, to those who have met the eligibility requirements.

To be eligible for elective contributions and to receive a share of the Company's discretionary matching contribution and safe-harbor contribution, participants must be twenty-one years or older and have completed one year (at least 1,000 hours of service for employer contributions) of continuous employment. Employees must be employed on the last day of the Plan year to be eligible to share in the discretionary matching contributions. Employees are not required to be employed on the last day of the Plan year to be eligible to share in the safe-harbor contribution.

Salary deferral contributions are funded proximate to the withholding date. Discretionary and safe-harbor contributions, if any, are funded annually after the close of the Plan year and within statutory time frames. All contributions invested are directed by the participant in various investment options offered by the Plan.

SWD, Inc. Defined Contribution Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE A--DESCRIPTION OF PLAN--continued

Participant Accounts

Each participant's account is credited with the participant's contribution, if any, and Company matching and safe-harbor contributions, if any, as well as allocations of (a) Plan earnings or losses, (b) forfeitures of terminated participants' non-vested accounts, and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances or compensation, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants direct their contributions into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time in accordance with Plan provisions. During any period in which there is no participant direction on file with the Custodian as to the investment of a participant's account, 100% of that participant's account will be invested in the investment option designated from time to time by the Custodian as the default investment. The Plan currently offers various mutual funds, common trust funds, life insurance policies, and a stable value collective investment trust as investment options for participants.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's safe-harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary matching portion of their accounts plus actual earnings thereon is based on years of credited service as presented below. A participant is 100% vested after six years of credited service. Participants who attain the normal retirement age of 65, or who terminate employment due to death or disability become 100% vested in their account balances.

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of employment due to death, disability, retirement or Plan termination, a participant is entitled to 100% of their account balance in a lump-sum cash distribution, in substantially equal annual, quarterly, or monthly installments as selected by the participant so long as such period is for less than the participant's life expectancy, or as a direct rollover to an individual retirement account ("IRA"). For termination of employment for other reasons, a participant is entitled to a lump-sum cash distribution of 100% of the participant's contributions and the vested portion of the Company's contributions based upon the Plan's vesting provisions.

SWD, Inc. Defined Contribution Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE A--DESCRIPTION OF PLAN-continued

Payment of Benefits-continued

All distributions will be made as soon as administratively feasible after the participant's separation from service. However, those account balances in excess of \$5,000 (not including rollover account balances), will be made as soon as administratively feasible following the date the Plan Administrator receives a written request for distribution. In-service and hardship withdrawals, subject to certain restrictions, are also permitted.

Mandatory distributions greater than \$1,000 may be paid in a direct rollover to an IRA designated by the Plan Administrator. These distributions will be made if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or does not elect to receive the distribution directly.

Forfeited Accounts

Forfeited non-vested accounts may be used to reduce the employer's discretionary matching or safe-harbor contributions. There were \$4 and \$232 forfeited non-vested accounts at December 31, 2025 and 2024, respectively. During the year ending December 31, 2025, \$232 of forfeited non-vested accounts were used to reduce the employer's safe harbor contribution.

Forfeited non-vested accounts may also be used to reinstate any previously forfeited amounts of certain former participants who are rehired and used to reinstate any previously forfeited amounts of participants that were not located if the participant makes a claim thereafter.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

SWD, Inc. Defined Contribution Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Investment Valuation and Income Recognition

The Plan's investments in shares of registered investment companies, common trust funds and a stable value collective investment trust are reported at fair value. Fully benefit responsive investment contracts are reported at contract value. The Plan does not hold any fully benefit-responsive contracts at December 31, 2025 and 2024. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's insurance policies are reported at cash surrender value as reported by the insurance carrier. The Plan's stable value collective investment trust and common trust funds are valued at the net asset value used as a practical expedient to estimate fair value. The Plan's Administrator and Trustees determine the Plan's valuation policies utilizing information provided by investment advisers, the Custodian and insurance companies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends, as applicable, are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid through the Plan. Benefit payment origination fees are paid by the individual participant accounts. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan Administrator has evaluated subsequent events through August 31, 2026, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE C--FAIR VALUE MEASUREMENTS-continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The common trust funds are valued at the NAV of units of the respective First American Bank common fund. The NAV, as provided by First American Bank, the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities' liquidations will be carried out in an orderly business manner.

The stable value collective investment trust, that is composed primarily of fully benefit responsive investment contracts, is valued at the NAV of units of the Reliance Trust collective investment trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities' liquidations will be carried out in an orderly business manner.

SWD, Inc. Defined Contribution Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE C--FAIR VALUE MEASUREMENTS-continued

The fair value of the Plan's life insurance policies is stated at cash surrender value at the Plan's year-end. Cash surrender value is the amount of cash that may be realized by the owner of the policy upon discontinuance and surrender of the contract before its maturity. The cash surrender value, as reported by the insurance carrier and certified by the Custodian, is calculated as the accumulated value less applicable surrender charges.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total Fair Value

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by American Trust Company and First American Bank, the Custodian, as of December 31, 2025 and 2024, respectively. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information certified by the Custodian as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)-continued

Except for comparing such information as certified by the Custodian to information included in the Plan's financial statements and supplemental schedule, the Plan's independent auditors did not perform any auditing procedures on the certified information. The following represents investments certified by the Custodian as of December 31, 2025 and 2024:

	2025	2024
Registered investment companies	\$ 11,307,819	\$ 3,656,457
Common trust funds	334,635	6,408,011
Life insurance policies	192,320	181,480
Stable value collective investment trust	4,071,897	4,068,620
Net appreciation in fair value of registered investment companies	80,380	
Net appreciation in fair value of common trust funds	749,709	
Net appreciation in fair value of life insurance policies	10,840	
Net appreciation in fair value of		
stable value collective investment trust	105,335	
Dividend income	348,973	

NOTE E--LIFE INSURANCE POLICIES

During 2005, the Plan purchased life insurance policies on behalf of certain participants. During 2025, \$11,155 of premium payments were made to Pacific Life. These policies are valued at the cash surrender value of \$192,320 and \$181,480 on the statement of net assets available for benefits at December 31, 2025 and 2024, respectively. The increase in the cash surrender value consists of \$10,840 of net appreciation included in the net appreciation in fair value of investments for the year ended December 31, 2025 (see Note C).

NOTE F--RELATED PARTY TRANSACTIONS

The Custodian provides certain administrative services to the Plan pursuant to a service agreement between the Plan and the Custodian. The Custodian receives revenue from mutual funds and common trust fund service providers for services the Custodian provides to the funds. This revenue is used to offset certain amounts owed to the Custodian for its administrative services to the Plan. Fees paid by the Plan for these services were based on customary and reasonable rates for such services.

Certain employees of the Company provide administrative services for the Plan and are not reimbursed by the Plan for their services.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H--TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the Plan and related trust qualified under section 401(k) of the Internal Revenue Code (the "IRC"). The Plan has been amended and restated since receiving the determination letter. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2023.

NOTE I--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in various investment securities and insurance policies which are purchased or managed by the Custodian. These investments are exposed to various risks such as interest rate, market, and credit risks. The Plan's assets are subject to the changes in the value of its underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities and insurance policies will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE J--PLAN AMENDMENTS

Effective January 1, 2026, the Plan was amended to revise the definition of eligible compensation for purposes of employee elective deferrals and safe harbor contributions. Under the amendment, longevity bonuses are excluded from eligible compensation used to determine participant deferral and safe harbor contributions. The amendment had no effect on the Plan's net assets available for benefit as of December 31, 2025, or the changes in net assets available for benefits for the year then ended.
