Independent Auditor's Report

To the Plan Administrator of
Peoples State Bank Profit Sharing 401(k) Plan
Wausau, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Peoples State Bank Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Peoples State Bank Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Peoples State Bank Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peoples State Bank Profit Sharing 401(k) Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peoples State Bank Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peoples State Bank Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Peoples State Bank Profit Sharing 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Peoples State Bank Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified automatic contribution arrangement 401(k) plan established effective October 1, 1989, as restated January 1, 2024, covering substantially all employees of Peoples State Bank (the Bank or Employer), except for union employees, leased employees, non-resident aliens, residents of Puerto Rico, and students, interns, and youth apprentice employees who work less than 500 hours per year. Covered employees may participate in the Plan on the first day of the month provided they have reached age 18, completed three months of service, and have worked more than 500 hours of service during each of the two consecutive 12-month periods beginning on January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Board of Directors is responsible for oversight of the Plan. The retirement plan committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Secure 2.0 Act

The SECURE 2.0 Act of 2022 (SECURE 2.0), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. All provisions of SECURE 2.0 have been and will continue to be evaluated and implemented by plan management in accordance with future regulations and guidance, and the Plan will be amended, as necessary.

1. Description of Plan (Continued)

Contributions

Participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 10 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Bank currently provides a safe harbor matching contribution equal to 100 percent of the first 6 percent of compensation a participant contributes to the Plan. Rollovers are not matched. In addition, the Bank may make a discretionary profit sharing contribution as determined by its Board of Directors. During the year ended December 31, 2025, the Bank made matching contributions of \$863,246 and a discretionary profit sharing contribution of \$48,168, net of forfeitures. To be eligible for profit sharing, employees must work more than 500 hours in the plan year and be employed on the last day of the plan year.

All investments in the participants' accounts are participant directed. The Plan currently offers various mutual funds, common collective trust funds, and PSB Unitized Stock Fund (PSB Holdings, Inc. is the parent company of Peoples State Bank) as investment options for participants.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

1. Description of Plan (Continued)

Participant accounts

Each participant's account is credited with the participant's contributions, the Bank's safe harbor matching contributions, and allocations of the Bank's discretionary profit sharing contribution, forfeitures of terminated participants' nonvested Bank discretionary profit sharing contributions, and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Discretionary profit sharing contributions and forfeitures are allocated based upon each participants' eligible pay in proportion to the pay of all eligible participants. Allocations of plan earnings (losses) and administrative expenses are based on investment options and account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100 percent vested in their salary deferral and rollover contributions plus actual earnings (losses) thereon. Vesting in Bank discretionary profit sharing contributions is determined based on a six-year graded vesting schedule (20 percent for each year of service after completion of one year of service). Vesting in Bank safe harbor matching contributions is based on a two-year cliff vesting schedule (0 percent vested after completion of one year of service and 100 percent vested after completion of two years of service). To earn a year of service, participants must be credited with at least 1,000 hours of service.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50 percent of the participant's total vested balance, not to exceed \$50,000. Note terms range from one to five years, and up to 15 years for home loans. The notes bear interest at the prime rate plus 1 percent and are secured by the balance in the participant's account. The outstanding notes bear interest rates ranging from 4.25 percent to 9.50 percent. Principal and interest are paid ratably through biweekly payroll deductions.

Notes to Financial Statements

1. Description of Plan (Continued)

Payment of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum or partial withdrawal amounts equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested balance does not exceed \$7,000, the Plan will distribute that portion, in a lump-sum, on the first distribution date after the participant terminates employment with the Bank, or as soon as administratively practical following that date. In addition, the Plan allows for hardship distributions if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeited accounts

Plan forfeitures arise as a result of participants who terminate service with the Bank before becoming 100 percent vested in the Bank's safe harbor matching and discretionary profit sharing contributions.

Forfeitures may be used to pay plan expenses, allocated as an additional discretionary profit sharing contribution, added as additional safe harbor matching contribution, or used to reduce any discretionary profit sharing or safe harbor matching contributions. The amount of forfeitures available at December 31, 2025 and 2024, were \$48,150 and \$70,537, respectively. Forfeitures in the amount of \$48,150 were used to reduce the discretionary profit sharing contributions for the year ended December 31, 2025.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Peoples State Bank Profit Sharing 401(k) Plan
Notes to Financial Statements

2. Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement plan committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses charged by the third-party administrator, as well as investment advisory and management fees, are allocated proportionately to plan participants based on their respective account balances and are included in net investment income and administrative expenses, respectively. Loan and distribution fees are charged directly to the participant's account and are included in administrative expenses. Plan audit fees are absorbed by the Bank and are excluded from these financial statements.

2. Summary of Accounting Policies (Continued)

Subsequent Events

Subsequent events were evaluated through August 28, 2026, the date the financial statements were available to be issued.

In May 2026, Bank First Corporation entered into an agreement to acquire PSB Holdings, the Bank's parent. The acquisition is expected to be completed in the fourth quarter of 2026. The Plan is expected to terminate on December 4, 2026, which is immediately prior to the transaction closing, and participants will become 100 percent vested in their account balances. Management evaluated this transaction as a subsequent event and determined that no adjustment to the Plan's financial statements was required as of the report date.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

Peoples State Bank Profit Sharing 401(k) Plan

Notes to Financial Statements

3. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the quoted NAV of the underlying investments held by the common collective trust funds, which publish their daily NAV on active markets and transact at that price.

PSB Unitized Stock Fund: The fund holds PSB Holdings, Inc. common stock, valued at closing price reported on the inactive market on which the individual security is traded, and interest-bearing cash held in a money market fund, valued at amortized cost, which approximates fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of					
December 31, 2025	Level 1	Level 2	Level 3	Total

4. Information Certified by Custodian

The plan administrator has elected to have an audit performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedule was agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the Plan's Custodian and a qualified institution. The certified information includes the Plan's investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, excluding notes receivable from participants, and the related investment activity (including net appreciation and interest and dividends) reported in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

5. Related Party and Party In Interest Transactions

PSB Holdings, Inc. is the parent company of Peoples State Bank, which serves as the sponsor of the Plan. The Plan engaged in the following exempt party in interest transactions with PSB Holdings, Inc. for the years ending December 31:

	2025	2024
Purchases of stock:		
Number of shares	12,762	19,998
Value of shares on transaction dates	\$148,963	\$209,512
Average share price purchased	11.67	10.48
Sales of stock:		
Number of shares	12,341	34,699
Value of shares on transaction dates	\$144,553	\$347,419
Average share price sold	11.71	10.01
Dividend income	31,551	32,128

At December 31, 2025 and 2024, the Plan held 109,641 units and 109,220 units of PSB Unitized Stock Fund, respectively.

On December 19, 2025, PSB Holdings, Inc. declared a cash dividend equivalent to \$0.1743 per unit, payable on January 30, 2026, to shareholders of record as of January 12, 2026. The Plan's allocation of this dividend was received in 2026, and was recorded as a receivable at December 31, 2025, in the amount of \$19,108.

On December 18, 2024, PSB Holdings, Inc. declared a cash dividend equivalent to \$0.1647 per unit, payable on January 31, 2025, to shareholders of record as of January 10, 2025. The Plan's allocation of this dividend was received in 2025, and was recorded as a receivable at December 31, 2024, in the amount of \$17,984.

As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These expenses include \$49,562 in 2025 paid to Raymond James, the Plan's investment advisor for investment advisory services. The Plan paid NWPS \$39,500 for third-party administration fees and Charles Schwab Trust Company \$11,800 for custodial fees in 2025. These transactions are party-in-interest transactions under ERISA.

Peoples State Bank Profit Sharing 401(k) Plan

Notes to Financial Statements

5. Related Party and Party In Interest Transactions (Continued)

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

The Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Bank has expressed an intent to do so as disclosed in Note 2 - Subsequent Events. Upon plan termination, participants would become 100 percent vested in their Employer contributions.

7. Tax Status

The Plan has adopted a pre-approved plan document offered by CCH Incorporated DBA Ftwilliam.com that has received an IRS Opinion Letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
