To the Plan Administrator of
HFI, LLC Savings Plan
Canal Winchester, Ohio

We have audited the financial statements of HFI, LLC Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2025 and have issued our report thereon dated September 4, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated June 3, 2026. Professional standards also require that we communicate the matters summarized in the memorandum that accompanies this letter.

This communication is intended solely for the information and use of management of HFI, LLC and the plan administrator of HFI, LLC Savings Plan and it is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

A handwritten signature in black ink that reads 'Maloney + Novotny LLC'.

REQUIRED COMMUNICATIONS

A. Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

B. Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates and disclosures are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because future events affecting them may differ significantly from those expected. The financial statement disclosures are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to the financial statement users. The most sensitive estimate and disclosure affecting the financial statements was:

Management's assessment of the fair value of the Plan's investments. Their assessment is based on information provided by Fidelity Management and Trust Company and management's understanding of the Plan's investment contract with Fidelity Management and Trust Company. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the unaudited information summarized in Note C, ("Unaudited Information").

C. Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit

D. Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

E. Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were identified.

F. Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

G. Management Representations

We have requested certain representations from management that are included in the attached management representation letter dated September 4, 2026.

H. Management Consultations With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

I. Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

J. Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our responsibility for other information in the Plan's Form 5500 containing the entity's financial statements and report does not extend beyond the financial information identified in the report. Other than comparing the other information in the Form 5500 to determine its consistency with the Plan's financial statements, we do not have any responsibility for determining whether such other information contained in the Form 5500 is properly stated. We have read the information contained in the Form 5500 and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or its manner of presentation, appearing in the financial statements.

Maloney + Novotny LLC

Clearwater, FL 33756

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of HFI, LLC Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the disclosures (collectively, the "financial statements")

The purpose of the audit is to express an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institutions or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with DOL Regulation 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

21. We acknowledge that we are to maintain our original data and records and, in accordance with professional standards, you cannot be the sole host and/or sole storage for such information. We have requested any missing documents and do have all data and records to make our books and records complete.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management
HFI, LLC Savings Plan
Canal Winchester, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HFI, LLC Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the HFI, LLC Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan is a defined contribution 401(k) and profit sharing plan that was adopted by HFI, LLC (the "Company") effective January 1, 1995, and was amended and restated on February 28, 2022. Employees are eligible to participate in the Plan and make contributions and participate in the safe harbor matching contribution after completing one month of service and attaining age 18. Upon meeting eligibility requirements, employees are automatically enrolled into the Plan at a deferral rate of 3% of eligible compensation on the first day of the month following the date the requirements are met. Employees are eligible to participate in non-elective profit-sharing contributions upon completing 1 year of service (1,000 hours).

2. *Contributions*

Participants may elect to defer up to 90% of their compensation, as defined by the Plan, on a pre-tax or Roth basis. Participants age 50 or over may be eligible to make an additional catch-up contribution. Maximum contributions are subject to certain limitations which are established by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover).

The Company is required to make a safe harbor matching contribution to the Plan equal to 100% of the first 3% of the participant's contributions and 50% of the next 3% of the participant's contributions.

The Company can also make a non-elective profit-sharing contribution. There was no profit-sharing contribution for the year ended December 31, 2025.

3. *Participant accounts*

Each participant's account is increased by the participant's contributions, the Company's contributions, and investment earnings. Each participant's account is reduced by investment losses, participant withdrawals, and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which each participant is entitled is the benefit that can be provided from that participant's vested account.

Plan participants are permitted to determine the investments within their account based on a combination of permitted investment options. The Company has the sole discretion to determine or change the number and nature of investment options in the Plan.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

4. *Vesting*

Participants are immediately vested in their contributions, employer safe harbor matching contributions, profit-sharing contributions, rollover contributions, plus actual earnings thereon.

5. *Notes receivable from participants*

Participants meeting certain criteria may borrow from their account a minimum of \$1,000 up to one-half of their vested account not to exceed \$50,000. Loan terms are generally limited to a five-year term but may be longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Participants repay principal and interest ratably over the term of the loan through payroll deductions.

6. *Benefits paid to participants*

On termination of service, a participant with a balance less than \$5,000 must elect to take a lump-sum distribution or the administrator will roll the balance into an individual retirement account.

On termination of service, a participant with a balance in excess of \$5,000 may elect to receive a single lump-sum distribution or roll the account balance over into a qualifying account.

The Plan also provides for the following in-service withdrawals: early withdrawals by participants after they reach age 59½, and hardship withdrawals, if they meet certain restrictions.

If a participant dies before distribution of his or her interest, the entire undistributed amount will be paid to the designated beneficiary in a cash lump sum as soon as administratively practical following the date of death. If the participant terminates because of total and permanent disability, the participant shall be entitled to receive a distribution of the entire value of his or her account as of the disability date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies consistently applied in preparation of the accompanying financial statements follows:

1. *Basis of accounting*

The financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. *Use of estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

3. *Investment valuation and income recognition*

The Plan provides for investments in mutual funds and common collective trusts. Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee and investment advisers. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

5. *Benefits paid to participants*

Benefits paid to participants are recorded when paid.

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. *Administrative expenses*

Administrative expenses are paid by the Plan to the extent they are not paid by the Company. Participant loan fees and fees for plan distributions are charged directly to the specific participants. Certain plan investments generate revenue sharing that is used to pay eligible plan expenses.

NOTE C - UNAUDITED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Administrator received a certification from Fidelity Management Trust Company, (the "Trustee"), acknowledging the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2025 and 2024, the supplemental schedule of assets (held at end of year) at December 31, 2025, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1	Quoted market prices in active markets for identical assets and liabilities.
Level 2	Observable market-based inputs or unobservable inputs that are corroborated by market data.
Level 3	Unobservable inputs in which little or no market data exists.

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily price and to transact at that price. These funds are deemed to be actively traded and are classified as Level 1.

Common collective trusts are held and managed by various trust companies. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2024 to 2025. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,049,071	\$ -	\$ -	\$ 22,049,071
Common collective trusts	-	1,691,649	-	1,691,649
Total investments at fair value	<u>\$ 22,049,071</u>	<u>\$ 1,691,649</u>	<u>\$ -</u>	<u>\$ 23,740,720</u>

2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,835,079	\$ -	\$ -	\$ 17,835,079
Common collective trusts	-	2,527,681	-	2,527,681
Total investments at fair value	<u>\$ 17,835,079</u>	<u>\$ 2,527,681</u>	<u>\$ -</u>	<u>\$ 20,362,760</u>

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

The Plan maintains certain investments with Fidelity Investments. Fidelity Investments Institutional Operations Company LLC is the recordkeeper to the Plan and is paid administrative expenses by the Plan. These entities are related to Fidelity Management Trust Company, the trustee of the Plan. Activity relating to these investments, including purchases and sales, qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE F - INCOME TAX STATUS

The volume submitter document has obtained an opinion letter from the Internal Revenue Service (the "IRS") dated June 30, 2020 stating that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since adopting the volume submitter document. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Company believes the Plan is qualified and the related trust is tax-exempt.

Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE G - RISKS AND UNCERTAINTIES

The Plan holds various investment securities. The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would receive a full distribution of their accounts in accordance with the terms of the Plan.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.
