Independent Auditors' Report

To the Plan Administrator and Participants of
Paramont Mfg., LLC Retirement Plan
Abingdon, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Paramont Mfg., LLC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Paramount Mfg., LLC Retirement Plan (the “Plan”) is provided for general informational purposes. Participants should refer to the Plan document and related amendments for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan sponsored by Paramount Mfg., LLC (the “Company” or “Plan Sponsor”) for eligible employees. Employees are eligible to participate after attaining age 21 and completing three months of service, in accordance with the Plan document.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions - Participants may contribute up to 100% of eligible compensation, subject to applicable limitations under the Internal Revenue Code (“IRC”). Participants may also make catch-up contributions when eligible under applicable provisions of the IRC and may make eligible rollover contributions from other qualified plans.

The Company makes a safe harbor nonelective contribution equal to 3% of eligible compensation. The Company may also make discretionary profit-sharing contributions.

Participant Accounts - Each participant’s account is credited with participant contributions, Company contributions, and allocations of Plan investment earnings. Participant accounts are charged with applicable investment-related expenses and participant-specific administrative fees in accordance with the Plan document.

Participants direct the investment of their accounts among the investment options offered by the Plan and may change their investment elections in accordance with Plan provisions.

A participant’s benefit is based on the vested balance in the participant’s individual account.

Vesting - Participants are immediately vested in participant and Company contributions and the related investment earnings.

Notes Receivable from Participants - Participants may borrow from their vested account balances in accordance with the terms of the Plan. Participant loans are secured by the participant’s vested account balance and are generally repaid through payroll deductions. Interest rates on participant loans outstanding at December 31, 2025 ranged from 5.25% to 10.50%.

Payment of Benefits - Upon termination of employment due to retirement, death, disability, or other qualifying events, participants are entitled to receive their vested account balance in accordance with Plan provisions.

The Plan also permits certain hardship and in-service withdrawals as provided by the Plan document.

Administrative Expenses - Administrative costs of the Plan are generally paid by the Plan Sponsor. Participant accounts may be charged investment expenses and certain participant-specific transaction costs, including loan, withdrawal, and distribution processing fees.

Investment management fees are reflected as a reduction of investment return.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan’s investments are reported at fair value. The investment contracts held by the Plan are not fully benefit-responsive and, accordingly, are measured at fair value rather than contract value.

PARAMONT MFG., LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued) - Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Net appreciation or depreciation in fair value includes realized gains and losses on investments sold during the year and unrealized changes in the fair value of investments held at year-end.

Notes Receivable from Participants - Notes receivable from participants are measured at unpaid principal balance plus accrued interest, if any. The notes are collateralized by the participants' vested account balances. Because participant loans are secured by participant accounts, management determined that no allowance for credit losses was required at December 31, 2025 or 2024.

If a participant loan is deemed to be in default under the Plan provisions, the outstanding balance is treated as a deemed distribution or benefit payment, as applicable.

Contributions Receivable - Contributions receivable represent amounts due from the Plan Sponsor under the provisions of the Plan. Employer contributions receivable totaled \$73,073 at December 31, 2025.

Payment of Benefits - Benefits are recorded when paid.

Date of Management's Review - Plan management evaluated subsequent events through August 24, 2026, the date the financial statements were available to be issued.

NOTE 3 - ERISA SECTION 103(a)(3)(C) CERTIFIED INVESTMENT INFORMATION

Plan management elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C). The Plan administrator obtained certified investment information from Principal Life Insurance Company, a qualified institution, stating that the investment information provided to the Plan was complete and accurate. The certified information included investments held by the Plan, investment income, notes receivable from participants, and related interest income.

The following certified investment information is included in the accompanying financial statements:

	2025	2024
Investments	\$ 11,416,039	\$ 10,809,921
Net appreciation (depreciation) of investments	924,180	
Interest on guaranteed investment accounts	43,547	
Notes receivable from participants	649,297	
Interest on notes receivable from participants	53,050	

The Plan's independent auditors did not perform audit procedures on the certified investment information other than those procedures required in an ERISA Section 103(a)(3)(C) audit.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan measures investments at fair value in accordance with ASC Topic 820, *Fair Value Measurement*. ASC Topic 820 establishes a three-level hierarchy for valuation inputs. Level 1 measurements use unadjusted quoted prices in active markets for identical assets. Level 2 measurements use observable inputs other than Level 1 quoted prices, and Level 3 measurements use significant unobservable inputs.

Pooled Separate Accounts - The Plan invests in pooled separate accounts maintained by Principal Life Insurance Company. Each separate account invests in underlying securities or other investments and is accounted for using a unit-value system.

PARAMONT MFG., LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The value of each separate account is based on the market value of the assets held in the account, less applicable operating expenses. The Plan's interest in a separate account does not itself have an unadjusted quoted price in an active market. Accordingly, the pooled separate accounts are classified as Level 2 within the fair value hierarchy.

Guaranteed Interest Accounts - The Plan also holds Guaranteed Interest Accounts issued by Principal Life Insurance Company. Amounts invested in these accounts earn interest at guaranteed rates for specified guarantee periods.

The Guaranteed Interest Accounts are not actively traded. Certain withdrawals or transfers before the end of a guarantee period may be subject to surrender adjustments based on current interest rates, the guaranteed rate applicable to the account, the remaining guarantee period, and the amount surrendered.

Accordingly, the fair value of the Guaranteed Interest Accounts is determined using valuation techniques that incorporate significant unobservable inputs and is classified as Level 3 within the fair value hierarchy.

The following tables summarize the Plan's investments measured at fair value:

	2025			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 10,256,312	\$ -	\$ 10,256,312
Guaranteed interest contracts	-	-	1,159,727	1,159,727
Total Investments at fair value	\$ -	\$ 10,256,312	\$ 1,159,727	\$ 11,416,039

	2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 9,379,390	\$ -	\$ 9,379,390
Guaranteed interest contracts	-	-	1,430,531	1,430,531
Total Investments at fair value	\$ -	\$ 9,379,390	\$ 1,430,531	\$ 10,809,921

There were no transfers between levels of the fair value hierarchy during the year ended December 31, 2025.

NOTE 5 - INVESTMENT CONTRACT

The Plan holds investments through an investment contract issued by Principal Life Insurance Company. The contract provides investment alternatives consisting primarily of Pooled Separate Accounts and Guaranteed Interest Accounts.

Pooled Separate Accounts

Contributions directed to pooled separate accounts are not guaranteed as to a fixed dollar amount and increase or decrease based on the investment performance of the applicable separate account. Separate-account assets are segregated from Principal Life Insurance Company's general account assets, and investment gains, losses, and expenses associated with each separate account are credited or charged to that account. Separate-account values are determined using the market value of the assets held in each account, less applicable operating expenses, and participant balances are maintained using a unit-value system.

The pooled separate accounts had fair values of \$10,256,312 and \$9,379,390 at December 31, 2025 and 2024, respectively.

PARAMONT MFG., LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 5 - INVESTMENT CONTRACT (Continued)

Guaranteed Interest Accounts

The Guaranteed Interest Accounts provide for interest at rates established by Principal Life Insurance Company for specified guarantee periods. Interest is credited daily and compounded annually in accordance with the contract.

Guaranteed Interest Accounts had fair values of \$1,159,727 and \$1,430,531 at December 31, 2025 and 2024, respectively.

Certain participant benefit payments, including payments arising from retirement, death, disability, bona fide termination of employment, and certain withdrawals, are not subject to the surrender adjustment provisions of the contract. However, other early transfers or withdrawals from Guaranteed Interest Accounts may be subject to a surrender adjustment based on current U.S. Treasury rates, the applicable guaranteed interest rate, the amount withdrawn, and the remaining term of the guarantee period.

Because participant-directed transactions may, under certain circumstances, be settled at amounts other than contract value, the Guaranteed Interest Accounts are not accounted for as fully benefit-responsive investment contracts.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are maintained through Principal Life Insurance Company and its affiliates. Because Principal provides investment and other services to the Plan, transactions involving Principal and its affiliates qualify as party-in-interest transactions under ERISA. Notes receivable from participants are also party-in-interest transactions. Participant loans are permitted under the terms of the Plan and are generally exempt from the prohibited transaction provisions of ERISA when administered in accordance with applicable requirements.

The Plan Sponsor serves as Plan administrator and pays certain audit, legal, and administrative expenses on behalf of the Plan. Employer contributions to the Plan are also party-in-interest transactions.

The Plan did not have delinquent participant contributions or participant loan repayments required to be reported as nonexempt prohibited transactions for the year ended December 31, 2025.

NOTE 7 - TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020, stating that the form of the pre-approved Plan document was designed in accordance with applicable provisions of the IRC. The Plan administrator believes the Plan is designed and operated in compliance with applicable provisions of the IRC and that the Plan and related trust continue to qualify for tax-exempt status. The Plan evaluates uncertain tax positions in accordance with ASC Topic 740, *Income Taxes*. A tax position is recognized when it is more likely than not, based on its technical merits, that the position will be sustained upon examination.

Plan management determined that there were no material uncertain tax positions at December 31, 2025, that required recognition or disclosure. The Plan is subject to examination by taxing authorities for open tax years under applicable statutes of limitation.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in pooled separate accounts and Guaranteed Interest Accounts that are exposed to market, interest rate, credit, and other investment risks. Because of the risks associated with these investments, changes in investment values could occur in the near term and could materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

Amounts invested in Guaranteed Interest Accounts are subject to the creditworthiness of Principal Life Insurance Company. In addition, certain transfers or withdrawals from Guaranteed Interest Accounts before the end of the applicable guarantee period may be subject to surrender adjustments based on prevailing interest rates and other contractual provisions.

PARAMONT MFG., LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 9 - PLAN TERMINATION

Although the Plan Sponsor has not expressed an intent to terminate the Plan, it has the right to discontinue contributions or terminate the Plan subject to ERISA and the provisions of the Plan document.
