INDEPENDENT AUDITORS' REPORT

To the Trustees of
Aakron Rule Corp. 401(k) Profit Sharing Plan
Akron, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Aakron Rule Corp. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. PLAN DESCRIPTION

The following is a brief description of the Aakron Rule Corp. 401(k) Profit Sharing Plan (the “Plan”) provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan continues to be for the exclusive benefit of the employees of the following participating companies: Aakron Rule Corp., Wagner Pencil Company, Inc. and Cato Holdings, LLC (the “Plan Sponsors” or the “Company”). The Plan is a defined contribution plan covering all full-time employees of the Plan Sponsors who are age twenty-one or older and have completed three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Eligible participants can make both pre-tax and Roth contributions to the Plan up to 100% of eligible compensation, as defined in the Plan, not to exceed statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Company may make discretionary contributions to the Plan in an amount which the Plan’s Sponsors’ Boards of Directors deem advisable, subject to certain limitations. To be eligible for the discretionary contribution, a participant must have one year of service (1,000 hours) and be employed on the last day of the Plan year. Employer contributions totaled \$323,246 and \$349,842 for the years ended December 31, 2025 and 2024, respectively. The Company may also make discretionary matching contributions. No matching contributions were made for the years ended December 31, 2025 or 2024.

Vesting – Participants are immediately vested in their voluntary contributions, rollovers and actual earnings thereon. Vesting in Company discretionary contributions and earnings thereon fully vest after three years of service.

Forfeitures – Forfeitures may be used to pay Plan administrative expenses or to be allocated to participants as additional contributions. There were no forfeitures allocated during the years ended December 31, 2025 and 2024. Forfeitures of \$2,362 and \$1,097 were available to be allocated to participant accounts at December 31, 2025 and 2024, respectively.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and the allocation of the Company’s discretionary contribution Plan earnings and administrative expenses are allocated based on each participant’s proportionate share of the total Plan assets as of the beginning of the Plan year. Plan earnings are allocated to the participants’ accounts based on the performance of the participants’ investment selections.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsors have the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants shall become 100% vested and entitled to the amount of their account at the date of such termination.

1. **PLAN DESCRIPTION (continued)**

Payment of Benefits – The Plan allows a participant on termination of service due to death, disability, or retirement to withdraw all of their account balance in a lump sum distribution. The Plan also allows a participant, after attaining the normal retirement age, to withdraw all or any part of their participant account balance. In-service distributions are permitted to participants who have attained the age of 59 1/2.

Administrative Expenses – The costs of administering the Plan are borne by both the Plan and Plan Sponsors.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan determines the fair value of assets and liabilities, which are subject to be reported at fair value based on accounting principles generally accepted in the United States of America. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of input. Level 1 inputs are generally quoted market prices for identical assets or liabilities, which are actively traded on an exchange. Level 2 inputs generally consist of market prices for identical assets which are not actively traded or market prices of similar assets or liabilities which are actively traded, on an exchange. Level 3 inputs are referred to as unobservable inputs and consist primarily of information derived by management where Level 1 and Level 2 inputs are not available. These may include such things as present value of expected future cash flows or other valuation methodologies. Under the hierarchy, Level 1 inputs are the most preferred, followed by Level 2, and Level 3 is to be used only where neither Level 1 nor Level 2 inputs are available.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Common collective trusts: These funds primarily hold guaranteed and other similar investment contracts that are fully-benefit responsive. The funds are valued based on the net asset value ("NAV") of the shares held by the Plan at year-end using NAV contract value. These funds generally have no redemption restrictions or unfunded capital commitments.

Included in common collective trust accounts is the State Street U.S. Inflation Protected Bond Index Securities Lending Series Fund Class II and State Street REIT Index Securities Lending Series Fund Class II. The objective of State Street U.S. Inflation Protected Bond Index Securities Lending Series Fund Class II is to seek an investment return that follows the performance of the Bloomberg Barclays U.S. Treasury Inflation Protected Securities over the long-term. The objective of State Street REIT Index Securities Lending Series Fund Class II is to seek an investment return that follows the performance of the Dow Jones U.S. Select REIT IndexSM over the long-term.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Mutual funds: Valued based on the quoted market price available on an active market, which represents the NAV of the shares held by the Plan.

Pooled separate account: This account is valued at the NAV of units held by the Plan at year-end. The pooled separate account has been measured at fair value using the NAV practical expedient as of December 31, 2025, and generally has no redemption restrictions or unfunded capital commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in fair value of investments, which includes unrealized and realized gains and losses on investments that were held or sold during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recognized on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties – The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the accompanying financial statements.

Subsequent Events – The Plan has evaluated the effects of all subsequent events through August 24, 2026, the date the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, with the exception of the common collective trusts and the pooled separate account that are measured at fair value using the NAV practical expedient. The fair value of the common collective trusts and the pooled separate account are provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits:

	2025	2024
<i>Level 1:</i>		
Mutual funds	\$ 942,300	\$ 762,330
<i>Investments measured at net asset value:</i>		
Common collective trusts	5,318,772	4,986,259
Pooled separate account	<u>35,531</u>	<u>28,116</u>
Total investments at fair value	<u>\$ 6,296,603</u>	<u>\$ 5,776,705</u>

4. PARTY-IN-INTEREST TRANSACTIONS

Empower Life & Annuity Insurance Co. is the recordkeeper of the Plan, and therefore qualifies as a party-in-interest. Fees paid during the year for other services rendered by parties-in-interest were based on customary and reasonable rates for such services.

5. INCOME TAX STATUS

The Plan Sponsor has adopted the Empower Retirement, LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (the “Pre-Approved Plan”). The Pre-Approved Plan received an Opinion Letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision has been made for Federal income taxes in the accompanying financial statements.

6. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024 and for the year ended December 31, 2025, included in the Plan’s financial statements and supplemental schedule.
