**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Administrator and Plan Participants  
Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (in liquidation) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter – supplemental schedule required by ERISA**

The supplemental schedule of reportable transactions for the year ended December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan**

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2025 and 2024**

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following is a brief description of the Imasco Holdings Group, Inc. (the "Company") and Participating Affiliates Retirement Plan (the "Plan"), which is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

The following paragraphs describe the provisions applicable to the Plan prior to its termination effective August 31, 2024. See *Plan Termination* below for details.

The Plan, formerly known as the Hardee's Food Systems, Inc. Retirement Plan, is a defined benefit pension plan that was established effective May 1, 1983. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Effective September 15, 1998, sponsorship of the Plan transferred from Imasco Holdings, Inc. to Imasco Holdings Group, Inc., and the Plan was renamed to reflect the new sponsor. Effective December 31, 2003, the Plan merged with the Consolidated Genstar Company and Affiliated Companies Retirement Plan.

Prior to its termination, the Plan had been frozen to new and rehired employees, and participants were no longer permitted to earn additional benefits based on service performed or compensation earned after the applicable freeze date.

The provisions of the two merged plans are summarized below.

#### **Imasco Plan**

The Imasco Plan covered former employees of the Company and its affiliates who attained age 21 and completed one year of credited service, defined as at least 1,000 hours of service during a 12-month period. All benefits under the Plan are fully vested.

Vested terminated participants are eligible to receive unreduced pension benefits at normal retirement, which occurs on the first day of the month following the participant's 65th birthday. The Plan also provides for early retirement, disability, and death benefits. Pension benefits are based on a percentage of the participant's average monthly compensation for each year of credited service, up to a maximum of 30 years, considering the applicable benefit freeze date. Benefits that commence before normal retirement are actuarially reduced for each month the commencement date precedes normal retirement.

#### **Genstar Plan**

Vested terminated participants under the Genstar Plan are eligible to receive unreduced pension benefits upon reaching normal retirement age, which is age 63 or 65, depending on the applicable predecessor plan. Participants who have reached the applicable early retirement age (55, 58, or 60, as defined by the predecessor plans) may elect to begin receiving benefits before normal retirement, subject to an actuarial reduction based on the number of months between the commencement date and normal retirement age.

The Genstar Plan also provides death benefits for all participants. Married participants generally receive benefits in the form of a qualified 50% joint and survivor annuity unless another optional form of payment is properly elected. The benefit formulas and related provisions established under the predecessor plans have been preserved within the merged Plan.

#### ***Plan Termination***

On April 12, 2024, the Board of Directors of the Plan Sponsor (the "Board") approved the termination of the Plan, effective August 31, 2024, and authorized management to take all actions necessary to implement the termination.

## **Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

Pursuant to the Board's authorization, the Plan Sponsor adopted an amendment formally terminating the Plan effective August 31, 2024. Under the terms of the Plan, the Plan Sponsor had the right to discontinue contributions at any time and terminate the Plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the terms of the Plan. The Plan was terminated in accordance with the termination procedures under Title IV of ERISA, and all participants became fully vested upon the Plan's termination.

On March 25, 2025, the Plan purchased a group annuity contract from American National Insurance Company ("ANICO") and American National Life Insurance Company of New York ("ANICONY"), transferring the pension benefit obligation for approximately 840 participants and beneficiaries (the "Transferred Participants"). Effective March 25, 2025, ANICO and ANICONY irrevocably assumed responsibility for the payment and administration of benefits for the Transferred Participants. In connection with the purchase of the group annuity contract, the Plan paid premiums of \$39,278,015. The purchase of the group annuity contract did not change the pension benefits payable to the Transferred Participants. As a result of the transfer, the Plan Sponsor no longer has any legal or financial obligation to pay benefits to the Transferred Participants. As a result of the foregoing, Imasco no longer has any legal or financial obligations to pay participant benefits under the Plan. On November 11, 2025, as a result of the final settlement of the group annuity contract, the Plan received a refund of \$207,713 from ANICONY and ANICO.

The Plan Sponsor filed an Application for Determination for Terminating Plan with the Internal Revenue Service (the "IRS"). On June 9, 2025, the IRS issued a favorable determination letter confirming that the Plan satisfied the applicable qualification requirements of the Internal Revenue Code ("IRC") upon termination.

During 2025, the Plan Sponsor contributed \$2,450,000 to the Plan to fund the remaining asset shortfall and provide sufficient assets to complete the Plan's liquidation, including payment of remaining participant benefits and related administrative expenses. As of December 31, 2024, Plan management had estimated that \$2,000,000 of this contribution would be required and recorded that amount as an employer contribution receivable.

In October 2025, approximately 144 participants and beneficiaries were identified as missing participants. As a result, the associated benefit obligations and related administrative responsibilities were transferred to the Pension Benefit Guaranty Corporation ("PBGC"). On October 31, 2025, the Plan transferred approximately \$2,400,000 to the PBGC, representing the estimated obligation associated with those participants. The transfer did not affect the pension benefits payable to the missing participants.

In addition to the settlement transactions described above, approximately \$3,200,000 of annuity payments were made during 2025 to participants already receiving benefits as part of the liquidation of the Plan.

The following paragraphs describe the provisions of the Plan that were in effect prior to its termination.

#### **NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

##### ***Basis of Accounting***

In accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), Plan financial statements have been prepared on liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured to reflect the amount of expected consideration from liquidation and liabilities are measured in accordance with U.S. GAAP that otherwise applies to such liabilities.

**Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities and actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (in liquidation).

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for additional information regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Administrative Expenses***

Administrative expenses of the Plan are paid by the Plan as provided in the Plan document. The Plan sponsor provides accounting and other administrative services to the Plan at no charge.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

**NOTE 3 - FUNDING POLICY**

The Plan's funding policy is for the Company to contribute the minimum amount as determined by the Plan's independent actuary. The Plan met the minimum annual funding requirements of ERISA for the years ended December 31, 2025 and 2024.

**NOTE 4 - TAX STATUS**

The Plan received a favorable determination letter from the IRS dated June 9, 2025, confirming that the Plan's termination did not adversely affect its qualified status under the applicable provisions of the IRC. Prior to the Plan's termination, the IRS had issued a determination letter dated June 24, 2014, concluding that the Plan and related trust were designed in accordance with the applicable provisions of the IRC.

**Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

Although the Plan was amended subsequent to the 2014 determination letter, the Plan Administrator believes the Plan was designed and operated in compliance with the applicable requirements of the IRC through its termination.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if it is more likely than not that an uncertain tax position would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing authorities; however, there were no examinations in progress as of December 31, 2025 or 2024.

**NOTE 5 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS**

As a result of the Plan's termination, all benefits were settled by December 31, 2025. See Note 1 for details regarding monthly annuities paid in relation to full liquidation of the Plan, as well as the distributions arising from the Plan termination, which includes the annuity payment purchases for participants who were already enrolled for annuity payments.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

Accounting Standards Codification ("ASC 820"), *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Imasco Holdings Group, Inc. and Participating Affiliates Retirement Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2025 and 2024**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used. There were no investments held as of December 31, 2025.

***Collective Trust Funds***

Money market funds, collective short-term investment funds, and collective trust funds measured at fair value based on net asset value as of December 31, 2024 was \$42,565,110.

The fair value of investments in collective trust funds has been estimated using the funds' Net Asset Value ("NAV") per share, based on the fair value of the underlying investments held by the funds less their liabilities. The NAV per share is used as a practical expedient to estimate fair value. The collective trust units may be redeemed daily. The collective trust requires advance written notice of five business days for sponsor directed withdrawals that exceed \$1,000,000. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Since the collective trust funds are measured at fair value using net asset value per share (or its equivalent) as a practical expedient, they have not been classified in the fair value hierarchy.

**NOTE 7 - INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of New York Mellon, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value, as shown in the statement of net assets available for benefits (in liquidation) as of December 31, 2025 and 2024;
- Net appreciation in fair value of investments, as shown in the statement of changes in net assets available for benefits (in liquidation) for the years ended December 31, 2025 and 2024;
- Schedule of reportable transactions for the year ended December 31, 2025.

**NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by the trustee, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA which are exempt from the prohibited transaction rules.
