Independent Auditor's Report

The Plan Administrator
Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan
Dubuque, Iowa

Opinion

We have audited the financial statements of Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

606 Walnut St., Ste. 1900 • Des Moines, IA 50309-3982 • T 515.244.0266 • F 515.288.8350

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 - Description of Plan

The following description of the Cottingham & Butler Insurance Services, Inc. Self-Funded Employee Health Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

Generally, the Plan provides benefits to all employees working at least 30 hours per week on a regular basis. Employees are eligible immediately upon their first day of employment. Temporary, contracted, seasonal or part-time employees are not eligible.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (the ERISA).

The Plan covers the employees of the following related employers of Cottingham & Butler, Inc.: Cottingham & Butler Insurance Services, Butler Healthcorp, Self Insured Services Company, Cottingham & Butler Claims Services, and Safety Management Services Company (Collectively the Sponsor).

Benefits

The Plan provides medical, dental and prescription drug benefits to eligible employees of the Sponsor and their covered dependents as defined by the Plan document. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured medical and prescription drug benefits. The Plan is responsible for individual claims up to $225,000 per year.

Self-Insured Benefits

The Plan is "self-insured" for medical, prescription drug and dental benefits up to individual stop loss limits. The claims for self-insured benefits are processed by the Plan's claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Sponsor. Despite the Plan's utilization of claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Sponsor pays the full cost of stop loss insurance.

The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in the ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2 - Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments with an original maturity of three months or less.

Payments of Benefits

Premiums paid by either the Sponsor or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Premiums not yet paid at year-end are included as an amount currently payable in the accompanying statement of benefit obligations.

Claim payments are recorded when paid by the claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as due to claims administrators in the accompanying statements of net assets available for benefits and are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Stop Loss

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling $1,067,873 for the year ended December 31, 2025, are netted against claims paid in the accompanying statement of changes in net assets available for benefits. Stop loss refunds that the Plan has not received as of December 31, 2025 and 2024, totaling $693,675 and $144,946, respectively, have been recognized as a receivable in the accompanying statements of net assets available for benefits.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $1,321,318 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

Expenses

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include bank charges, accounting and legal fees, preferred provider organization and review fees, health risk assessment fees and other administration fees. These expenses are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Expenses that are directly paid by the Sponsor, such as professional fees, are excluded from these financial statements.

Benefit Obligations

Plan obligations at December 31, 2025 and 2024, for health claims payable and claims incurred by participants but not reported at that date are estimated based on an analysis of claims paid subsequent to the Plan year end. Such estimated amounts are included in the accompanying statements of benefit obligations in the amounts currently payable.

Receivables and Allowance for Credit Losses

The Plan has tracked historical loss information for its receivables and determined that all receivables are fully collectible and no allowance for credit losses is needed.

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for receivables held at December 31, 2025 and 2024, because the composition of the receivables at those dates is consistent with that used in developing the historical credit expectations (i.e. the similar risk characteristics of its receivables). Additionally, management has determined that the current and reasonable and supportable forecasted economic conditions are consistent with the economic conditions included in the historical information. As a result, the historical loss rates have not been adjusted for differences in current conditions or forecasted changes. Accordingly, the allowance for credit losses at December 31, 2025 and 2024, is $0.

Income Recognition

Interest income is recorded on the accrual basis. The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Subsequent Events

The sponsor has evaluated subsequent events through August 31, 2026, the date which the financial statements were available to be issued.

Note 3 - Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 1984, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC).

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 - Related Party and Party-in-Interest Transactions

Self Insured Services Company (SISCO) is related to the Sponsor through common ownership, and the employees of SISCO were participants in the Plan. SISCO has, at times, provided certain administrative services, including resolving benefit claims and exercising discretionary authority over the Plan, pursuant to a service agreement between the Plan and SISCO. During the year ended December 31, 2025, $65,413 was paid to SISCO for services provided.

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party-in-interest transactions under ERISA.

Note 5 - Risks and Uncertainties

The estimated liability for claims payable and claims incurred but not reported is based on historical trend information, which is subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Note 6 - Concentrations of Credit Risk

The Plan maintains cash in insured cash sweep accounts. At December 31, 2025, aggregate cash balances exceeded standard FDIC insurance limits by approximately $965,000. However, substantially all excess balances were held in an insured cash sweep program that allocates funds among multiple FDIC-insured institutions, thereby increasing available federal deposit insurance coverage and reducing the Plan's exposure to credit risk. Management believes the risk of loss on these deposits is minimal.

Note 7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 2,383,046	$ 2,173,104
Benefit obligations currently payable (claims payable and claims incurred but not reported)	(2,038,000)	(1,378,000)
Net assets available for benefits per the Form 5500	$ 345,046	$ 795,104

The following is a reconciliation of claims paid, net per the financial statements for the year ended December 31, 2025, to Form 5500:

	2025
Claims paid, net per the financial statements	$ 11,794,914
Add amounts currently payable	2,038,000
Less amounts payable at end of prior year	(1,378,000)
Benefits paid to participants or beneficiaries per Form 5500	$ 12,454,914

Claims and premiums that have been processed and approved for payment at year end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
