(1) Name: **JONES AND ROTH, PC**

(2) EIN: **93-0819646**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	418535
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	☐	☒	
e Was this plan covered by a fidelity bond?	☒	☐	500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	☐	☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	☐	☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	☐	☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒	☐	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☐	☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	☐	☒	
l Has the plan failed to provide any benefit when due under the plan?	☐	☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	☐	☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	☐	☐	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Rogue Credit Union Capital Accumulation Plan
Medford, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rogue Credit Union Capital Accumulation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rogue Credit Union Capital Accumulation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent from Rogue Credit Union Capital Accumulation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Rogue Credit Union Capital Accumulation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness Rogue Credit Union Capital Accumulation Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rogue Credit Union Capital Accumulation Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of the Rogue Credit Union Capital Accumulation Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

General

The Plan is a defined contribution profit sharing 401(k) plan covering all employees of Rogue Credit Union (the Employer). Eligible employees are those who have completed at least 30 days of service and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees the governance of the Plan.

The Plan qualifies as a tax-exempt plan under the provisions of the Internal Revenue Code (IRC). The Plan became effective January 1, 1983, and was restated effective December 1, 2022, under the Empower Retirement, LLC Defined Contribution Pre-Approved Plan. Upon restatement, Empower Trust Company is responsible for all recordkeeping and reporting involving Plan participants and the participant directed investments. Any changes to the participant accounts are initiated by the participant and processed through Empower Trust Company.

Contributions

Participants may elect to contribute up to 100 percent of eligible compensation, as defined by the Plan, a pre-tax or after-tax (Roth) basis, subject to certain limitations under the IRC. Eligible participants who have attained age 50 may elect an additional catch-up contribution, subject to certain limitations under the IRC. Under SECURE 2.0, the Plan allowed super catch-up contributions in 2025. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2024, the Plan uses an auto enrollment arrangement with no escalation for all new hires with a pre-tax deferral rate of 3 percent for eligible participants who do not make a voluntary election.

Effective January 1, 2014, a separate discretionary Employer match contribution was established with respect to employees hired before and after January 1, 2014. Employees hired before January 1, 2014 receive 160 percent on the first 5 percent of deferrals with a maximum match of 8 percent. Employees hired or rehired on or after January 1, 2014 receive a match of 100 percent on the first 5 percent of their compensation contributed as deferrals.

The Employer may also make a discretionary profit-sharing contribution, to be determined at the end of each year. The Employer has elected to make no such contribution for the 2025 or 2024 Plan years.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Participant Accounts

Each participant's account is credited with the participant's and Employer's contributions, and an allocation of Plan earnings and expenses. Participant account balances are updated daily based on account activity and price changes of the investment fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their elective and rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of service (defined as one calendar year in which a participant has at least 1,000 hours of service). A participant is 100 percent vested after five years of credited service according to the schedule below.

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 1 year	0%
2 years but less than 3	25%
3 years but less than 4	50%
4 years but less than 5	75%
5 years	100%

Plan Administration

The accounting records of certain investments of the Plan are maintained, with respect to Plan administration and investment transactions, by CUNA Mutual Group, a custodian of the Plan, and Empower Trust Company, the trustee of the Plan for the years ended December 31, 2025 and 2024.

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. Participants are allowed to have up to two loans at one time. All loans must be repaid within a period not to exceed five years, unless the loan is used to purchase a principal residence, in which case the loan may be repaid over a longer period. Loans bear a reasonable rate of interest based on prevailing rates at the time of loan issuance.

Payment of Vested Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a distribution of a lump-sum equal to the value of the participant's vested interest in their account, substantially equal installment payments over a specified period of time or partial payments in amounts as requested by the participant or beneficiary as allowed in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. In-service distributions are permitted from vested accounts upon attainment of age 59½.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Payment of Vested Benefits, continued

For termination of service with vested benefits of \$1,000 or less, a participant or beneficiary will automatically receive the value of the vested interest in their account as a lump-sum distribution. Retired or terminated participants with vested balances greater than \$1,000 but less than \$5,000 are automatically rolled over into an Individual Retirement Account. This was increased to \$7,000 in 2024 in connection with SECURE 2.0.

Hardship Withdrawals

Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, payments necessary to prevent eviction from or foreclosure on a participant's principal residence or to repair the principal residence due to catastrophic events or other casualty, the payment of postsecondary education tuition, or burial or funeral expenses for parents, spouses, children, or dependents of a participant.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and are used to reduce Employer match contributions or pay plan expenses. Amounts forfeited from participant accounts during the years ended December 31, 2025 and 2024 totaled \$91,884 and \$42,029, respectively. During the years ended December 31, 2025 and 2024, \$181,317 and \$-0- of forfeitures were used to reduce employer cash contributions. For the years ended December 31, 2025 and 2024, no expenses were paid by forfeitures. Unused non-vested forfeitures available for future use at December 31, 2025 and 2024 totaled \$43,213 and \$124,238, respectively.

Revenue Sharing

The Plan entered into a revenue sharing expense offset arrangement in 2023 where the Plan is credited a percentage-based amount, which is used to pay investment advisory expenses. In 2025 and 2024, \$49,656 and \$42,994, respectively, were credited to the account and used to pay investment advisory expenses. There was no ending balance in the Plan's revenue sharing account as of December 31, 2025 and 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, except for fully benefit-responsive insurance contracts valued at contract value as discussed in Note 6, are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurement.

Dividend income is recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. The net change in fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Participant and employer contributions are recorded in the year in which participant contributions are withheld and underlying compensation paid.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Fees

Expenses for administering and maintaining the Plan are paid by the Employer and are therefore excluded from these financial statements. Certain administrative, custodial, and investment management fees are paid from participants' accounts. Investment related expenses are included in the net change in fair value of investments or as a reduction from investment income.

3. Information Certified by the Plan's Custodian and Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, CMFG Life Insurance Company, the custodian of certain investments, and Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the trustees of the Plan for the years ended December 31, 2025 and 2024, certified the following information included in the Plan's financial statements and supplemental schedules as complete and accurate, as of and for the years ended December 31:

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
Registered investment companies	\$ 27,762,871	\$ 24,054,496
Common/collective trusts	29,259,720	23,339,554
Pooled separate accounts	704,298	412,866
Investments, at contract value:		
Insurance contracts	5,007,324	3,982,890
Notes receivable from participants	1,472,677	1,388,020
Investment income:		
Net change in fair value of investments	8,032,466	4,936,572
Interest income	69,405	66,447
Dividend income	616,719	502,038
Interest income on notes receivable from participants	115,045	88,127

4. Tax Status

The Plan has adopted a prototype plan sponsored by Empower Retirement, LLC, and has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, that the basic Plan document is acceptable pursuant to IRC Section 401. The Plan has been amended since receiving the opinion letter; however, the Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies: The Plan's investments are units of mutual funds held within a group annuity contract and are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

Common/collective trusts: Units held in the common/collective trusts held within a group annuity contract are valued using the NAV of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions may occur daily at NAV. Pursuant to ASU 2015-07, *Fair Value Measurements*, the common/collective trust measured at NAV have not been classified in the fair value hierarchy. All common/collective trust investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

5. Fair Value Measurements, continued

Pooled separate accounts: The Plan's investments are units of mutual funds held within a group annuity contract. Recorded at fair value based on the stated net asset value (NAV) of the separate pooled account, which is used as a practical expedient to estimate fair value. Participant transactions may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the pooled separate accounts measured at NAV have not been classified in the fair value hierarchy. All pooled separate account investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3

6. Insurance Contracts

On January 1, 2016, the Plan entered into a traditional benefit-responsive Deposit Administration Group Annuity (DAGA) investment contract with CMFG Life Insurance Company (CMFG). CMFG maintains the contributions in a general account (Stable Value Option), which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The DAGA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The DAGA does not permit the insurance company to terminate the agreement under normal circumstances. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan participants is not probable. The average yield earned by the Plan for this fund was 2.07 percent and 2.09 percent for 2025 and 2024, respectively. At December 31, 2025 and 2024, the contract value of the CUNA Mutual Stable Fund was \$482,479 and \$742,776, respectively.

On December 1, 2022, the Plan entered into a traditional benefit-responsive investment contract with Empower Annuity Insurance Company of America (EAICA). This fund, the EI Fixed Account – Series Class I, is a general account product and is considered fully benefit-responsive, and is stated at contract value on the accompanying statements of net assets available for benefits. The average yield earned by the Plan for this fund was 1.45 percent and 1.41 percent for 2025 and 2024, respectively. At December 31, 2025 and 2024, the contract value of the EI Fixed Account - Series Class I was \$4,524,845 and \$3,240,114, respectively.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and collective trusts managed by CMFG Life Insurance Company and Empower Annuity Insurance Company of America (EAICA). Fees paid to Empower Advisory Group, LLC, for consulting and other Plan related services from participant accounts were \$69,136 and \$58,297 for the years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their Employer contributions.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances reported in the statements of net assets available for benefits.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

10. Nonexempt Transactions

During the years ended December 31, 2025 and 2024, there were late participant contributions remitted to the Plan by the Employer totaling \$417,041 and \$-0-, respectively. During the years ended December 31, 2023 and 2022, participant contributions totaling \$45, and \$1,449, respectively, were not remitted to the Plan within the appropriate time period by the Employer. These transactions constitute prohibited transactions as defined by ERISA. The Employer is taking the appropriate steps to correct the situation in 2026 by reimbursing employees for lost earnings and interest.

11. Subsequent Events

Plan management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

Effective March 1, 2026, the Plan was formally amended for an Automatic Contribution Arrangement (ACA). When eligible, a participant will be automatically enrolled to defer 3 percent of eligible compensation, unless the participant affirmatively declines to participate. After one year, deferrals will automatically increase by 1 percent each year until a maximum of 10 percent under the arrangement.
