INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management
Kreber Graphics, Inc. 401(k) Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Kreber Graphics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2025 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KREBER GRAPHICS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Kreber Graphics, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan is a defined contribution 401(k) Plan that was amended and restated by Kreber Graphics, Inc. (the "Company") effective March 1, 2022. The Plan covers all full-time employees of the Company who have completed one month of service and are age 20 or older and part-time employees who have attained 1,000 hours of service in a calendar year. Upon meeting eligibility requirements, employees are then entered into the Plan the first day of the month that coincides with or follows the date the service requirement is satisfied. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

2. *Contributions*

Participants may elect to defer up to 100% of their compensation, as defined by the Plan, on a pre-tax or Roth basis. Participants age 50 or over may be eligible to make an additional catch-up contribution. Maximum contributions are subject to certain limitations which are established by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company can make a discretionary matching contribution. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Discretionary matching contributions were computed as follows:

Employee	
<u>Deferral %</u>	<u>Matching</u>
2%	100%
3%-6%	50%
7%-10%	25%

The matching contributions were paused for all employees in February 2024. Starting January 2025, the matching contribution was reinstated for North Carolina employees.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

3. *Participant accounts*

Each participant's account is increased by the participant's contributions, the Company's contributions, and investment earnings. Each participant's account is reduced by investment losses, participant withdrawals, and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which each participant is entitled is the benefit that can be provided from that participant's vested account.

Plan participants are permitted to determine the investments within their account based on a combination of permitted investment options. The Company has the sole discretion to determine or change the number and nature of investment options in the Plan.

4. *Vesting*

Participants are immediately vested in their contributions, rollover contributions, plus actual earnings thereon. Discretionary matching contributions and the earnings thereon vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants become 100% vested upon death, disability, or reaching normal retirement age as defined by the Plan.

5. *Notes receivable from participants*

Participants meeting certain criteria may borrow from their account a minimum of \$1,000 up to one-half of their vested account not to exceed \$50,000. Loan terms are generally limited to five years but may be longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Participants repay principal and interest ratably over the term of the loan through payroll deductions.

KREBER GRAPHICS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

6. *Benefits paid to participants*

On termination of service, the participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

The Plan also provides for in-service withdrawals, distribution upon death, and hardship distributions, if they meet certain conditions.

If a participant dies before distribution of his or her interest, the entire undistributed amount will be paid to the designated beneficiary in a cash lump-sum as soon as administratively practical following the date of death. If the participant's employment ends because of total and permanent disability, the participant shall be entitled to receive a distribution of the entire value of his or her account as of the disability date.

7. *Forfeitures*

When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account represents a forfeiture, as defined by the Plan. Forfeitures are used to reduce future employer contributions. The forfeiture balance at December 31, 2025 and 2024 was \$5,148 and \$27,052, respectively. Forfeitures used to offset employer matching contributions during the years ended December 31, 2025 and 2024 were \$46,017 and \$314, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies consistently applied in preparation of the accompanying financial statements follow:

1. *Basis of accounting*

The financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

2. *Use of estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

KREBER GRAPHICS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. *Investment valuation and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. *Contributions*

Contributions from Plan participants and the Company matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

5. *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

6. *Benefits paid to participants*

Benefits paid to participants are recorded when paid.

7. *Administrative expenses*

Administrative expenses are paid by the Plan to the extent they are not paid by the Company. Participant loan fees and fees for plan distributions are charged directly to the specific participants.

8. *Subsequent events*

The Plan has evaluated subsequent events through date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.

9. *Reclassifications*

Certain items from the 2024 financial statements have been reclassified to match the presentation in the 2025 financial statements.

KREBER GRAPHICS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Charles Schwab Trust Bank, a qualified institution.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1	Quoted market prices in active markets for identical assets and liabilities.
Level 2	Observable market-based inputs or unobservable inputs that are corroborated by market data.
Level 3	Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodology used for investments measured at fair value reported in the Plan's financial statements:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily price and to transact at that price. These funds are deemed to be actively traded and are classified as Level 1.

Self-directed brokerage accounts: Accounts primarily consist of money market accounts, common stocks, mutual funds, corporate bonds, and unit investment trusts that are valued on the basis of readily determinable market prices.

Common collective trusts: Valued at net asset value ("NAV") of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used as of December 31, 2025 and 2024. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

KREBER GRAPHICS, INC. 401(K) PLAN

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 13,523,499	-	-	\$ 13,523,499
Self-directed brokerage accounts	1,166,982	97,032	-	1,264,014
Investments measured at NAV				4,835,428
Total investments at fair value	<u>\$ 14,690,481</u>	<u>\$ 97,032</u>	<u>\$ -</u>	<u>\$ 19,622,941</u>

	2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 12,578,370	-	-	\$ 12,578,370
Self-directed brokerage accounts	970,086	-	-	970,086
Investments measured at NAV				5,588,940
Total investments at fair value	<u>\$ 13,548,456</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,137,396</u>

The investments measured at NAV include common collective trusts that have no unfunded commitments, a daily redemption frequency, and no redemption notice period.

NOTE E - INCOME TAX STATUS

The Company adopted the Schwab Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan on March 1, 2022. The prototype document has obtained an opinion letter from the IRS dated September 21, 2020. The IRS determined that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. Therefore, the Company believes the Plan is qualified and the related trust is tax-exempt. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Charles Schwab Trust Bank (the "Custodian") is the trustee and recordkeeper for the Plan and, fees paid to the Custodian qualify as party-in-interest transactions.

KREBER GRAPHICS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

During 2024, the Custodian incorrectly charged the Plan \$17,521 in administrative costs. The error was discovered and corrected in 2025, and the Custodian included lost investment earnings as part of the correction. There were differences between the financial statements and the Form 5500 as a result of this as follows, as of and for the years ended December 31:

	2024
Net assets available for benefits per the financial statements	\$ 19,403,123
Receivable from custodian	(17,521)
Net assets available for benefits per the Form 5500	<u>\$ 19,385,602</u>
	2024
Corrected overcharge of plan expenses per the financial statements	\$ 17,521
Receivable from custodian not reported on Form 5500	(17,521)
Corrected overcharge of plan expenses per the Form 5500	<u>\$ -</u>
	2025
Net appreciation in fair value of investments per the financial statements	\$ 2,222,147
Receivable from custodian, received in 2025	17,521
Net appreciation in fair value of investments per Form 5500	<u>\$ 2,239,668</u>

NOTE H - RISK AND UNCERTAINTIES

The Plan holds various investment securities. The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would receive a full distribution of their accounts in accordance with the terms of the Plan.
