Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **PHILIP ZHANG CPA LTD**

(2) EIN: **26-0544154**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
BCS Allegient 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of BCS Allegient 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BCS Allegient 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BCS Allegient 401(k) Profit Sharing Plan's ability to continue as a going concern for the year ended December 31, 2025.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BCS Allegient 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BCS Allegient 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental schedules Required by ERISA

The supplemental information in the accompanying Schedule H, line 4i - Schedule of Assets (Held End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BCS ALLEGIENT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 1. Plan Description

Plan Merger and Name Change

Effective January 1, 2025, the BCS, LLC 401(k) Profit Sharing Plan (the "BCS Plan") and the Allegient Defense, Inc. 401(k) Plan (the "Allegient Plan") were merged into a single defined contribution retirement plan. As part of the merger, all eligible participant account balances, assets, and related liabilities of the Allegient Plan were transferred to the BCS Plan in accordance with the terms of the respective plan documents and applicable provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA).

Following the merger, the surviving plan was renamed the BCS Allegient 401(k) Profit Sharing Plan (the "Surviving Plan"). The merger was accounted for as a transfer of net assets between employee benefit plans and did not affect participants' account balances or accrued benefits. The accompanying financial statements include the assets, liabilities, and net assets available for benefits of the merged Plan as of December 31, 2025, and the changes in net assets available for benefits for the year then ended, including the assets and participant account balances transferred from the Allegient Plan effective January 1, 2025.

Net assets of approximately \$4,973,000 were transferred from the Allegient Defense, Inc. 401(k) Plan to the BCS Plan on January 1, 2025.

The following description of the BCS Allegient 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to The Surviving Plan agreement for a more complete description of The Surviving Plan's provisions.

General

The Surviving Plan is a defined contribution plan covering all eligible employees of BCS Allegient ("Plan Sponsor"). The Surviving Plan Trustees are responsible for oversight of The Surviving Plan. The Investment Committee determines the appropriateness of The Surviving Plan's investment offerings and monitors investment performance. The Surviving Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum allowed by law of their annual compensation, as defined in The Surviving Plan. Participants may elect to designate all or a portion of their elective deferrals as Roth contributions. Participants who have attained age 50 before the end of The Surviving Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company makes a safe-harbor matching contribution equal to 100 percent of a participant's elective deferrals up to three percent of the participant's compensation plus 50 percent of elective deferrals from three to five percent. The Company may make additional matching contributions equal to a discretionary percentage of salary deferrals for eligible participants and profit-sharing contributions. During the year ended December 31, 2025, the Company made matching contributions of \$632,197. Contributions are subject to certain IRS limitations. Participants direct the investment of all contributions into various investment options offered by The Surviving Plan.

Participant accounts

Each participant's account is credited with the participant's contributions and Company safe-harbor and additional matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative and investment expenses that are paid by The Surviving Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BCS ALLEGIENT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 1. Plan Description (Continued)

Vesting

Participants are vested immediately in their contributions and Company safe-harbor contributions plus actual earnings thereon.

Prior to the merger, the BCS Plan provided for employer additional matching contribution, which vest 100 percent after one year of credited service and profit-sharing contributions that vested under a six-year graded vesting schedule of credited service, while the Allegient Plan provided for employer profit-sharing contributions that vested under a three-year cliff vesting schedule. In connection with the merger, the Surviving Plan preserved the vested rights of participants in accordance with applicable plan provisions and ERISA requirements. Participant salary deferral contributions and related rollover contributions remain fully vested at all times in accordance with the Surviving Plan.

Notes receivable from participants

In accordance with the provisions of The Surviving Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 or (b) 50% of the participant's vested account balance, reduced by any outstanding loan balance. The loans are secured by the balance in the participant's account. The loan interest rate is currently set at two percent above the prime rate, as defined. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Partial withdrawals are only allowed for required minimum distributions under IRC §401(a)(9). In-service withdrawals are permitted for participants who have attained age 59 ½ or for a qualified financial hardship.

Forfeited accounts

At December 31, 2025, forfeited non-vested accounts totaled \$503. These accounts will be used to reduce future employer contributions or to pay administrative expenses of The Surviving Plan. In 2025, employer contributions were reduced by \$503 from forfeited non-vested accounts. Also, in 2025, \$3 from forfeited non-vested accounts was used to pay Plan administrative expenses.

Note 2. Summary of Accounting Policies

Basis of accounting

The financial statements of The Surviving Plan are prepared on the accrual method of accounting.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Surviving Plan's Investment Committee determines The Surviving Plan's valuation policies utilizing information provided by the investment adviser and Principal. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes The Surviving Plan's gains and losses on investments bought and sold as well as held during the year.

DECEMBER 31, 2025**

Note 2. Summary of Accounting Policies (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining The Surviving Plan are paid by The Surviving Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid are charged directly to the participant's account and are included in administrative expenses. Fees paid directly by The Surviving Plan for investment advisory services are included in investment expenses.

Investment related expenses paid indirectly through revenue sharing arrangements are included in net appreciation of fair value of investments.

Use of estimates

The preparation of financial statements in accordance with generally accepted accounting principles ("GAAP") in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Subsequent events

The Surviving Plan has evaluated subsequent events through June 20, 2026, the date the financial statements were available to be issued.

Note 3. Investment Information Certified by Principal

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest for the year ended December 31, 2025, was obtained or derived from information supplied to The Surviving Plan administrator and certified as complete and accurate by Principal.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that The Surviving Plan has the ability to access.

**BCS ALLEGIENT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025**

Note 4. Fair Value Measurements (continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Guaranteed investment contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by The Surviving Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by The Surviving Plan are deemed to be actively traded.

Collective investment trusts: Valued at the net asset value ("NAV") of units of the collective trust. The NAV, as provided by Principal, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. Participant transactions (purchases and sales) may occur daily.

Pooled separate accounts: Valued at the net asset value ("NAV") of the units held. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each account less its liabilities. The practical expedient is not used when it is determined to be probable that the account will sell the underlying investments for an amount different than the reported NAV. There are no participant redemption restrictions for these investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although The Surviving Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, The Surviving Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025				
Investment Category	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 3,309,579	\$ 3,309,579	\$ -	\$ -
Total investment in the fair value hierarchy	3,309,579	3,309,579	-	-
Investment at NAV	17,140,113	-	-	-
Investment at fair value	\$ 20,449,692	\$ 3,309,579	\$ -	\$ -

Assets at Fair Value as of December 31, 2024				
Investment Category	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 1,585,085	\$ 1,585,085	\$ -	\$ -
Total investment in the fair value hierarchy	1,585,085	1,585,085	-	-
Investment at NAV	10,214,677	-	-	-
Investment at fair value	\$ 11,799,762	\$ 1,585,085	\$ -	\$ -

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on the net asset value ("NAV") per share practical expedient as of December 31, 2025 and 2024, respectively.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trusts	\$ 13,763,335	N/A	Daily	Immediate
Pooled separate accounts	\$ 3,376,778	N/A	Daily	Immediate

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trusts	\$ 7,521,376	N/A	Daily	Immediate
Pooled separate accounts	\$ 2,693,301	N/A	Daily	Immediate

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2025 and 2024, there were no transfers in or out of Level 3.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

Note 5. Fully Benefit-Responsive Investment Contract

The Surviving Plan holds a fully benefit-responsive investment contract that is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of The Surviving Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract held by The Surviving Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to The Surviving Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent. The crediting rate is reviewed on a semi-annual basis for resetting.

The Surviving Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of The Surviving Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. Termination of the contract
2. Termination of The Surviving Plan
3. Plan Sponsor events (e.g., partial plan termination, spin-off, etc.) that cause a significant withdrawal from The Surviving Plan.

No events are probable of occurring that might limit the ability of The Surviving Plan to transact at contract value with the contract issuers and that also would limit the ability of The Surviving Plan to transact at contract value with the participants.

Note 6. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are pooled separate accounts, collective investment trusts, and a guaranteed investment contract sponsored by Principal. Principal is the recordkeeper for The Surviving Plan and is responsible for the investment of and accounting for Plan assets. As described in Note 2, The Surviving Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions qualify as party-in-interest transactions under ERISA.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under The Surviving Plan to discontinue its contributions at any time and to terminate The Surviving Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

BCS ALLEGIENT 401(K) PROFIT SHARING PLAN

Note 8. Tax Status

The IRS has determined and informed the pre-approved plan sponsor by a letter dated June 30, 2020, that the pre-approved plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the pre-approved plan has been amended since receiving the advisory opinion letter, The Surviving Plan administrator and the pre-approved plan sponsor believe that The Surviving Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that The Surviving Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by The Surviving Plan and recognize a tax liability if The Surviving Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Surviving Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. ERISA Bond

During the years ended December 31, 2025, and 2024, The Surviving Plan was covered by an ERISA bond for 10% of total plan assets at the beginning of The Surviving Plan year up to \$500,000 and \$500,000, respectively.

Note 10. Risks and Uncertainties

The Surviving Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for The Surviving Plan year ended December 31, 2025:

	December 31, 2025
Net assets available for benefits per the financial statements	\$ 20,657,533
