REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
Micropac Industries, Inc. Employees' Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Micropac Industries, Inc. Employees' Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets as of November 30, 2025 (in Liquidation) and 2024 (Modified Cash Basis), and the related statements of changes in net assets for the years ended November 30, 2025 (in Liquidation) and 2024 (Modified Cash Basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended November 30, 2025 and 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, as of November 30, 2025 and for the year then ended, in accordance with the liquidation basis of accounting described in Note B; and as of November 30, 2024 and for the year then ended, in accordance with the modified cash basis of accounting described in Note B.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Bases of Accounting

We draw attention to Note B to the financial statements, which describes the bases of accounting used by the Plan. Effective December 29, 2024, Plan management formally approved the termination of the Plan and determined that liquidation was imminent. Accordingly, the financial statements and supplemental schedules as of and for the year ended November 30, 2025 have been prepared using the liquidation basis of accounting. In addition, the financial statements as of and for the year ended November 30, 2024 were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Because the financial statements for the two years were prepared using different bases of accounting, the comparative information is not presented on a consistent basis and may not be comparable. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the bases of accounting described in Note B, including the liquidation basis of accounting for the year ended November 30, 2025 and the modified cash basis of accounting for the year ended November 30, 2024, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the applicable presentation and disclosure requirements of the bases of accounting described in Note B.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the applicable presentation and disclosure requirements of the bases of accounting described in Note B.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions (in Liquidation) and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) (in Liquidation) as of November 30, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MICROPAC INDUSTRIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

November 30, 2025 (in Liquidation) and 2024 (Modified Cash Basis)

A. Description of the Plan

General

The following brief description of the Micropac Industries, Inc. Employees' Profit Sharing Plan and Trust (the "Plan") is provided for general information purposes only. The Plan is sponsored by Micropac Industries, Inc. (the "Company"). Participants should refer to the Plan document for more complete information. The Company's corporate offices are located in Garland, Texas.

The Plan was originally effective August 1, 1984, restated most recently effective December 1, 2021, and is a defined contribution plan available to all employees of the Company who have attained age 18 and completed six months of service. All full-time employees of the Company are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement. Eligible employees may enter the Plan on the first day of the month after they become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement or in the event of death.

The Plan was terminated effective December 29, 2024. See Notes B and G for additional information.

Contributions

Participants may contribute a minimum of 2% up to 100% of pre-tax annual compensation, as defined by the Plan. In addition, participants may contribute designated Roth (after tax) contributions. Newly eligible participants are automatically enrolled in the Plan at a 6% pre-tax deferral rate. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Company may make discretionary matching contributions to the Plan as determined annually by its Board of Directors. Participants must be: (1) employed on the last day of the year, and complete 1,000 hours of service during the year; or (2) have died, retired, or suffered disability during such year to be eligible to receive discretionary matching contributions. In 2025 and 2024, the Company made discretionary matching contributions of 100% of each dollar contributed by each participant, up to a maximum of 6% of the participant's eligible compensation.

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution; and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of accounts, plus actual earnings thereon is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested.

Effective December 29, 2024, as part of the Plan termination, all participants became 100% vested in their discretionary matching contributions.

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for the funeral or burial expenses of the participant's deceased parent, spouse, child, or dependent; (6) for expenses to repair damage to the participant's principal residence; or (7) other expenses as provided by the Commissioner as specified in Treasury Reg. section 1.401(k)-1(d)(3)(v).

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset employer discretionary matching contributions or administrative expenses for the year. Forfeitures of \$3,983 and \$0 were allocated to reduce administrative expenses during the years ended November 30, 2025 and 2024, respectively. Unallocated forfeitures outstanding as of November 30, 2025 and 2024, were \$1,272 and \$330, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Company or Plan can pay costs relating to asset charges and recordkeeping. All significant administrative expenses paid by the Plan are reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

On December 29, 2024, the Plan Sponsor terminated the Plan as mentioned in Note G, subject to the provisions set forth in ERISA. As a result, the Plan has changed its basis of accounting from the modified cash basis used in presenting the 2024 financial statements and supplemental schedules to the liquidation basis used in presenting the 2025 financial statements and supplemental schedules in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process. Liquidation of the Plan was imminent as of November 30, 2025 and full liquidation of the Plan occurred in April 2026.

Use of Estimates

The preparation of the financial statements using the liquidation basis and modified cash basis requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

MICROPAC INDUSTRIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Contributions

Contributions from the Company and participants are recorded as they become obligations of the Company, as determined by the Plan administrator, and in the period in which they are received by the trustee, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value (except for the fully-benefit responsive investment contract, which is reported at contract value) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- | | |
|---------|---|
| Level 1 | Observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets. |
| Level 2 | Observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability. |
| Level 3 | Inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability. |

MICROPAC INDUSTRIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurements – continued

Management has described the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are presented at fair value based on the net asset value as of the close of each business day. This unadjusted quoted price is readily observable in active markets. As such, these are categorized as Level 1 within the fair value hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- Pooled separate accounts are valued using the accumulation of numerous mutual funds and other investments whose values are determined by quoted markets, which approximates fair value and are classified within Level 2 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.

There have been no changes in the methodologies used at November 30, 2025 and 2024. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of November 30, 2025 and 2024. The Plan has no assets classified within Level 3 of the valuation hierarchy.

	2025			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 10	\$ -	\$ 10
Total investments at fair value	\$ -	\$ 10	\$ -	\$ 10
	2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$10,602,477	\$ -	\$10,602,477
Mutual funds	1,485,210	-	-	1,485,210
Total investments at fair value	\$ 1,485,210	\$10,602,477	\$ -	\$12,087,687

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

MICROPAC INDUSTRIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

D. Fully Benefit-Responsive Investment Contracts

The Plan holds a benefit-responsive investment contract with Empower as of November 30, 2025 and 2024. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. Empower is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.50 percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

E. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at November 30, 2025 and 2024, and net realized and unrealized gains on investments, and interest and dividends, for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company and Empower Trust Company, LLC (collectively "Empower"), the trustees of the Plan.

F. Tax Status

Effective April 1, 2022, the Plan adopted the Empower Annuity Insurance Company of America Non-Standardized Pre-Approved Profit Sharing Plan, Basic Plan Document #01, which has an opinion letter from the Internal Revenue Service ("IRS") dated September 16, 2022, in which the IRS stated that the Plan, as designed, was in compliance with the applicable requirements of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

MICROPAC INDUSTRIES, INC. EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS *(continued)*

F. Tax Status – continued

The applicable bases of accounting, as described in Note B, require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of November 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

As mentioned in Notes A and B, the Plan was terminated effective December 29, 2024. Participants became 100% vested in their account balances at the termination date. Participants had until February 28, 2025 to transfer their funds to another employer-sponsored retirement plan or an individual retirement account ("IRA") or take a lump-sum distribution. If a participant did not move his or her funds by this date, and his or her balance is greater than \$1,000, an IRA was established by Empower in the participant's name to accept the rollover of the participant's funds. If the participant's balance was less than \$1,000, the funds were distributed to the participant. The Plan was fully liquidated in April 2026.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in a fully benefit-responsive investment contract managed by Empower. Empower acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 9, 2026, the date the financial statements were available for issuance.
