REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and Plan Participants
Standard Sales Company Medical Plan, Inc.
Odessa, Texas

Opinion

We have audited the financial statements of the Standard Sales Company (the "Company") Medical Plan, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

HLB WE ARE AN INDEPENDENT MEMBER OF THE GLOBAL ADVISORY AND ACCOUNTING NETWORK

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

STANDARD SALES COMPANY MEDICAL PLAN, INC.
(Wholly Owned by Standard Sales Company, L.P.)

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

A. Description of the Plan

General

The following brief description of the Standard Sales Company Medical Plan, Inc. (the "Plan") is provided for general information purposes only. The Plan is sponsored by Standard Sales Company, L.P. (the "Plan Sponsor" or the "Company"). Participants should refer to the Plan document for more complete information. The Company's corporate offices are in Odessa, Texas.

The Plan was effective July 1, 1989, restated most recently effective March 1, 2025, and is a defined benefit plan available to all regular full-time employees of the Company who have completed a 30-day waiting period. Retirees are eligible upon completion of at least 10 years of service during which they were covered under the Plan. In addition, the retiree must be at least 62 years old. Eligible employees may enter the Plan on the first day of the first month following the service period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to provide hospital, dental, major medical, disability, and death benefits to the Company's employees.

Funding

The Plan requires the Plan Sponsor to contribute amounts necessary to fund the employee benefits provided by the Plan. Prior to June 1, 2014, employee contributions were only required for coverage of spouses and/or dependents. Effective March 1, 2015, employees may elect to participate in program wellness screenings. Participation in the program qualifies employees for a reduced rate. This provision was discontinued March 1, 2023. The Company requires employees to contribute the following per pay period to participate within the Plan. The employer determines these rates on an annual basis.

Coverage Type	Effective Rates
Employee Only	$ 31.15
Children Only	122.31
Spouse Only	121.15
Family	166.15

Retirees who have served 10 years of employment, at least 62 years of age, and on the insurance program for a minimum of 10 years may remain a part of the plan. If their dependents were covered for a minimum of two years, they may continue as well. For retirees who are at least 62 years old but less than 65 years of age, are required to pay COBRA rates. Once age 65, they are no longer covered by the primary insurance, but are eligible to participate in the prescription only coverage at no cost to the retiree.

A. Description of the Plan – continued

The Plan Administrator has obtained excess loss insurance which limits aggregated annual claims paid directly from Plan assets to $200,000 per participant for year ended December 31, 2025. Claims expense was reduced by reimbursement from insurance of $92,059 for the year ended December 31, 2025.

Benefit Payments

The Plan provides hospital, dental, major medical, disability, and death benefits. The maximum lifetime benefits payable under hospital and major medical is unlimited. Claim benefits are disbursed by a claims administrator selected by the Plan Administrator. All benefits automatically terminate at the end of the month in which the participant terminates employment.

Plan Expenses

All administrative expenses, including fees to the claims administrator, are paid directly by the Employer from the funds of the Plan.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Employees are required to contribute to the Plan based on certain elections, at rates determined by the Plan Sponsor pursuant to salary reduction elections by the participants. The Plan Sponsor makes monthly contributions to the Plan at a rate necessary to provide for anticipated current benefits.

Payment of Benefits

Benefits are recorded when paid.

B. Summary of Significant Accounting Policies – continued

Cash and Cash Equivalents

All highly-liquid investments with a maturity of three months or less when purchased are treated as cash equivalents. At December 31, 2025 and 2024, the Plan held such investments primarily in one financial institution, which at times exceeded amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation ("FDIC"). The Plan has not experienced any losses related to amounts in excess of FDIC limits.

Reserves for Medical Claims

The Plan reserves for medical claims incurred during the year but not paid for by the end of the Plan year. At December 31, 2025 and 2024, the Plan had approximately $830,000 and $336,000 in reserves.

C. Tax Status

Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code Section 419(e) to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (the "IRS"). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

D. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan, the assets attributable to this Plan must be used for the continuance of the benefits provided by the Plan, until such monies have been exhausted.

E. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan paid certain expenses related to plan operations. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

F. Postretirement Benefits

During 2025, the plan's sponsor contributed $1,723 to fund retiree premium prescription coverage.

G. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 10, 2026, the date the financial statements were available for issuance.

On March 1, 2026, the Company terminated its agreements with Boon Chapman and PrimeDX, and transferred their third-party administrative services to SisCo.
