Plan Administrator
Frontier Service Partners, Inc. 401k Plan
Fort Wayne, IN 46825

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the Frontier Service Partners, Inc. 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2024, and the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Frontier Service Partners, Inc. 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2024 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Frontier Service Partners, Inc. 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Frontier Service Partners, Inc. 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report

Auditors' Responsibilities for the Audit of the 2024 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Frontier Service Partners, Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Frontier Service Partners, Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report

Other Matters

2024 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or was derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report dated April 15, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Notes to the Financial Statements December 31, 2024 and 2023

1. **Significant Accounting Policies**

Basis of Presentation

The Plan presents its financial statements on the accrual basis of accounting.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, Plan management is required to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Reliance Trust Company (Reliance), the Plan's trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Contributions

Participant contributions and the related employer matching contributions are recognized in the period the participant contribution is withheld from compensation.

Receivables and Allowance for Credit Losses

Receivables are stated at the amount management expects to collect from balances outstanding at year end. The allowance estimate, if any, is derived from a review of the Plan's historical losses in relation to the Plan's historical receivable balances. This estimate is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by management. Management has concluded that realized losses on balances outstanding at year-end will be immaterial. Accordingly, no allowance for credit losses has been recorded. There were no write-offs of receivables or recoveries of previous write-offs in 2024.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon terms of the Plan document. Interest income on notes receivable from participants is recorded on the accrual basis.

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding addition to distributions.

Notes to the Financial Statements December 31, 2024 and 2023

1. **Significant Accounting Policies** (continued)

Payment of Benefits

Benefits are deducted when paid.

Expenses

Certain administrative functions are performed by officers or employees of the participating employer, Fronter Service Partners, Inc. (the Company). No such officer or employee receives compensation from the Plan, and the related administrative expenses are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distributions, and other participant withdrawals are charged directly to the participant's account and included in administrative expenses and are expensed when incurred. Investment related expenses are included in net appreciation in fair value of investments.

2. **Description of Plan**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

401(k) Plan

The Plan is a defined contribution plan covering all full-time employees of the Company who have completed six consecutive months of service and are at least 21 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Employees can elect to enter the Plan on the first day of each month coincident with or immediately following the date eligibility requirements were met. A participant specifies the amount or percentage, not to exceed 90% of eligible compensation or Internal Revenue Service (IRS) limits, to be contributed to the Plan (participant salary deferral contributions). A participant can elect to designate all or any portion of his salary deferral contributions as Roth elective deferral contributions. The Plan allows for fixed employer matching contributions of 100% of the first 1% of participant deferrals of eligible participant compensation, plus 25% of participant deferrals of the next 4% of eligible participant compensation. The Plan also allows for discretionary employer nonelective contributions. In order to be eligible to receive nonelective contributions, participants must be employed on the last day of the Plan year and complete a minimum of 1,000 hours of service during the Plan year. These requirements are waived in the event of death, disability, or termination of employment on or after reaching normal retirement age, which is age 65 under terms of the Plan. No nonelective contributions were made in 2024. The total of the annual employee and employer contributions on behalf of each participant cannot exceed IRS limitations. Participants can also contribute amounts representing distributions from other qualified plans (rollover contributions). Rollover contributions are not subject to contribution limitations.

FRONTIER SERVICE PARTNERS, INC. 401K PLAN

Notes to the Financial Statements December 31, 2024 and 2023

2. Description of Plan (continued)

A participant can direct contributions to any of the available investment options. Contribution amount changes, allocation changes, and fund transfers can be done at any time. Each participant's directed account is credited/charged with an allocation of the directed investment's earnings/losses and credited with the following contributions:

- Participant salary deferral contributions
- Participant rollover contributions
- Fixed employer matching contributions
- Discretionary employer nonelective contributions (allocated to participants based on their eligible compensation on the last day of the Plan year)

Upon becoming a participant in the Plan, an individual is fully vested in the portion of his account attributable to participant contributions. Upon death, disability, or plan termination, a participant also becomes fully vested in amounts attributable to employer contributions; otherwise, the participant becomes fully vested in the employer contribution accounts in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than one	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Benefits are payable upon retirement at age 65, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions are permitted at any time. Benefits are payable in lump sum or installment payments.

On termination of service, participants can elect to receive distributions in lump sum or installment payments. If a participant's benefits are \$5,000 or less, participant consent is not required prior to distribution.

The forfeited nonvested balances totaled \$713 and \$83 at December 31, 2024 and 2023, respectively. Forfeitures can be used to pay administrative expenses or to reduce future employer contributions. Forfeitures of \$34,048 were used to reduce employer matching contributions in 2024.

Participants can borrow from their accounts up to the lesser of \$50,000 or 50% of their vested balance. New notes must be for a minimum of \$1,000. Note terms range from one to five years except notes for the purchase of a primary residence can be for a longer term. Participants are limited to one outstanding note. The notes are secured by the balance in the participant's account. The interest rate charged on notes is equal to the prime rate (as printed in the Wall Street Journal) plus 1%. Principal and interest are paid ratably through payroll deductions.

Notes to the Financial Statements December 31, 2024 and 2023

2. Description of Plan (continued)

On December 29, 2022, the Consolidated Appropriations Act of 2023 (the CAA) was signed into law. The CAA includes the package of retirement provisions referred to as "SECURE Act 2.0." These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes. Plan management is monitoring the SECURE Act 2.0 provisions and will implement mandatory provisions as they become effective and relate to the Plan.

3. Certified Information

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance, the trustee of the Plan.

The following table presents the values of the Plan's investments at December 31, 2024 and 2023 as certified by Reliance:

	<u>2024</u>	<u>2023</u>

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used to determine the fair value of investments at December 31, 2024 and 2023. There have been no changes in the methodologies used at December 31, 2024 and 2023:

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective trust funds: Valued at the NAV of shares held by the Plan at year end. The NAV, as provided by Reliance at December 31, 2024 and 2023, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

FRONTIER SERVICE PARTNERS, INC. 401K PLAN

Notes to the Financial Statements December 31, 2024 and 2023

4. Fair Value Measurements (continued)

The preceding valuation methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables include the Plan's investments by level, within the fair value hierarchy.:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,918,127	\$ -	\$ -	\$ 10,918,127
Investments in the hierarchy	<u>\$ 10,918,127</u>	<u>\$ -</u>	<u>\$ -</u>	10,918,127
Collective trust fund measured at NAV (a)				<u>754,888</u>
Total investments at fair value				<u>\$ 11,673,015</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,555,656	\$ -	\$ -	\$ 9,555,656
Investments in the hierarchy	<u>\$ 9,555,656</u>	<u>\$ -</u>	<u>\$ -</u>	9,555,656
Collective trust fund measured at NAV (a)				<u>659,001</u>
Total investments at fair value				<u>\$ 10,214,657</u>

- (a) In accordance with FASB ASC 820-10, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for Plan benefits.

FRONTIER SERVICE PARTNERS, INC. 401K PLAN

Notes to the Financial Statements December 31, 2024 and 2023

4. **Fair Value Measurements** (continued)

The following tables present the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Invesco Stable Asset Fund - ADPZ Class	\$ 754,888	-	Daily	12 months (b)
<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Invesco Stable Asset Fund - ADPZ Class	\$ 659,001	-	Daily	12 months (b)

(b) The Invesco Stable Asset Fund – ADPZ Class requires a 12-month advance notice for the Plan to liquidate the investment. The fund trustee may grant redemption earlier than 12 months, with its discretion, if it determines the redemption is not detrimental to the best interest of the fund and plans participating therein.

5. **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. **Party-in-Interest Transactions**

The Plan paid fees to the recordkeeper totaling \$18,121 during the year ended December 31, 2024. The recordkeeper is considered a party-interest to the Plan. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Additionally, notes receivable from participants and related transactions are party-in-interest transactions exempt from the prohibited transaction rules of ERISA.

7. **Income Taxes**

The Plan has adopted a non-standardized, pre-approved profit sharing/money purchase/CODA plan with ADP, LLC, which received an opinion letter dated October 6, 2020, from the IRS stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

FRONTIER SERVICE PARTNERS, INC. 401K PLAN

Notes to the Financial Statements December 31, 2024 and 2023

7. **Income Taxes** (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

8. **Risks and Uncertainties**

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedule of assets (held at end of year).

9. **Subsequent Events**

On March 18, 2025, Frontier Service Partners, Inc. and Apex Service Partners, LLC signed an addendum to merge the Plan into the Apex Service Partners, LLC 401(k) Plan effective April 1, 2025.

The Plan has evaluated subsequent events through May 5, 2026, the date the financial statements were available to be issued.
